A. Burlingame, 2016-07-22 The wind of the Spirit is blowing again all across the land The harvest that the church has been praying for is upon us The question is no longer whether or not the harvest is coming but whether we are going to be ready for the flood of souls that will come through our doors Are your people equipped to handle the nets This manual will help propel many into ministry and provide them with hands on knowledge on topics such as the meaning of true worship expressions of worship such as why people raise their hands and how singing in the spirit connects us to God This book will not only help you find your gifts but also learn how to flow in them without getting lost or falling into error Eight easy lessons backed by the scriptures will take you through salvation water and Spirit baptism worship and the gifts of the Spirit Through the 3 M s you will see how perfectly God has ordered and ordained His gifts to be received and released to the church by the Spirit This manual demonstrates how the Motivation gifts are given at salvation Manifestation gifts are given at the time of the baptism of the Spirit and lastly the Ministry gifts 5 fold are given back to the church This is an equipping manual for pastors to use as they help make laymen ministers instead of pew warmers This book over the years has helped hundreds of people be released into full time ministry without the time and expenses needed for college Pastors this is a biblical and easy method to get people ready to reap the harvest Included in the back of the manual is an answer key and appendix showing examples of the apostles and characteristics of their gifts Rev Mark Burlingame has been in the ministry for over thirty years and has used the material compiled in this book to raise up ministers and leaders He believes that the time is right to expand and share this proven tool with you and your church
