The Ministry of Helps Rev. Lawrence C. Spencer, 2017-02-09 Have you ever had that sinking feeling that you were missing out on something very valuable in your ministry but just couldnt put your finger on it Well these resources for adventures in service to God for the church are valuable assets to those seeking a dynamic experience in Gods Kingdom work To invest yourself in Larry Spencers Ministry of Helps Manual and Workbook can enhance your ministry and greatly format your service with usable hands on tools that complete your tool chest Bring these practical things home and put them to work Great results have already been seen from individuals who respect Gods Word and value what it can bring to the Board room as well as to the church service You will not be sorry you invested in this training for you and your ministry team Rev Lloyd Tremain Paradise Community Church of the Nazarene A thorough practical and much needed Biblically sound treatment Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today John Steffensen Radio Host Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore or church maintenance or the myriad other duties needed to keep a church going The result was that the church stayed the same size Some leave others enter But no growth was apparent despite the considerable preaching talents of the pastor God is apparently making sure he has only the amount of people that he can handle We learn that the ancient church had some of the same challenges we face today Acts 6 14 says Now in those days when the number of the disciples was multiplying there arose a complaint against the Hebrews by the Hellenists because their widows were neglected in the daily distribution Then the twelve summoned the multitude of the disciples and said It is not desirable that we should leave the word of God and serve tables Read this as doing manual labor Therefore brethren seek out from among you seven men of good reputation full of the Holy Spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word It was even bringing strife to the local body What did they do And what was the result The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties the manual labor This freed up the apostles so they could minister the Word of God Wow Gods way is so simple and our grandiose plans just waste time and get nothing done Pastors need to learn from the apostles and appoint

over this business so the pastors has more time to do the spiritual work that promotes Gods church This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them *The Mentoring and Nurturing Ministry Training Manual by Christian Life Skills, Inc.* Christian Life Skills Inc,2023-03-08 The Mentoring and Nurturing Ministry Training Manual of Christian Life Skills Inc helps to equip congregations and community volunteers for engaging youth with an attitude of integrity and respect The training includes good listening skills and sensitivity to the varying capacities of youth to engage conversations regarding the challenging issues of life with all its dimensions in the world where they live This manual was designed to be used with the Christian Life Skills Curriculum Warriors for Jesus the life skills curriculum for ages 6 10 My Eyes Journey Youth Battle Plan for ages 11 18 and The Positive Alternatives Entrepreneurial Program for high risk youth as well as other CLS program models of ministry *Training Ministry Teams* Anne Stuckey,2004 Provides practical instruction to help pastors and congregational leaders bring clarity and purpose to the role of elders or deacons and to help deacons or elders learn and refine their ministry Each of the nine sessions in Training Ministry Teams reflects on Jesus method of training leaders and works toward a specific outcome Topics include working as a ministry team decision making mediating conflict visitation partnering with the pastor and more Sessions conclude with group assignments designed to move participants from theory to action Also included are resources to help in calling commissioning and nurturing elders and deacons 108 Pages *School of Deliverance* Moses Mukwiza,2017-12-04 School of Deliverance is a 8 weeks practical ministry training manual written by best selling author Apostle Dr Moses Mukwiza This book s aim is to present truths from the word of God to you so that you can be equipped and properly trained for deliverance ministry With over twenty years of apostolic and prophetic ministry the author brings a wealth of lifetime experiences and practical insight that will take you to your next level in God and in deliverance ministry
