Have you always admired the French language, culture, and people? Do you love to travel and really immerse yourself in the culture of your destination? Or does the idea of taking a language class make you start to sweat with feelings of stress, nervousness, and anxiety over taking on more work? There is a better way for you to learn the language you've always hoped to, and you have found it with this guide. There are so many things that stop us from tackling a new activity such as learning a new language. Time, money, accessibility, and motivation are just some of the big things stopping us from doing the things we always hoped to like learning French, the Language of Love. This guide tries to overcome a few of those obstacles by making it easy, manageable, and enjoyable because most of the time the hardest part is just starting. And did you ever realize that learning French can be a game changer? As one of the most widely used languages in the world, the ability to speak French can offer new career opportunities as business becomes more global. While it is a common belief that children have an easier time learning languages than adults, Richard Roberts's 2015 study *Becoming Fluent: How Cognitive Science Can Help Adults Learn a Foreign Language*, published by The MIT Press, introduces how adults can actually master a new language through different learning techniques. He explains how adults can, unlike children, use the skills they have developed throughout their lives to learn a new language and they can be just as successful. This book includes *Daily French Lessons: The New And Proven Concept To Speak French In 36 Days*, *Learn French In Your Car*, *How To Learn French Fast While Driving To Work*. In this guide, you'll discover the most effective, i.e. simple and fast method to learning the basics of everyday French, even if you think of yourself as a slow learner. Detailed lessons teach you what you need to know without overwhelming you and sending you into an anxiety attack. An easy-to-use verb guide and how to use them, sometimes the most complicated part of learning a language, made easy. How you can learn French at your own pace without the stress of homework or tests so you can truly learn the language. Dozens of exercises with answers included so you don't need to make them up yourself, providing everything you need in one convenient place. The worst pronunciations you are saying and how to master the correct pronunciation to sound like a local. How to win over the French people and immerse yourself into travel wherever you go. The most romantic French words and phrases that will heat up your love life, even if you're the least
