To Be Concluded Mike Ashcraft, T.L. Heyer, 2022-03-15 To be continued The words build anticipation for what's coming which is great for a Netflix binge but not a healthy pattern for our lives In real life constant continuation causes our lives to pile up episode upon episode with no space for reflection or rest contentment or closure This book is for the too busy driven person who's moving on to the next win without ever processing how one season of life affects the next It's for the person stuck and held back because she's never done the hard work of getting real closure on a season When we fail to finish well we live with a pile of unfinished beginnings But finished things become usable things because they are a part of the story of God's grace and faithfulness In these pages you'll discover How beginnings are important because they give birth to hope How we can hold on to hope when the journey is hard and the future is uncertain How to conclude moments days and seasons and find

God's grace to be enough How hope sustains us as we learn to live in this moment and discover the beauty of redemption The pressure of our piled up past needs to be brought to an end Instead of vague storylines that stretch to be continued learn to start with the end in mind To Be Concluded A Godward Life John Piper, 2009-11-11 A Godward Life is the first of three devotional volumes by John Piper each feature 120 vignettes that focus on the radical difference it makes when we choose to live with God at the center of all that we do Scripture soaked and touching on the issues which most affect our lives today A Godward Life is a passionate moving and articulate call for all believers to live their lives in conscious and glad submission to the sovereignty and glory of God *John Piper on the Christian Life* Mark W.
