Dr. Babasaheb Ambedkar, Writings and Speeches: The Buddha and his Dhamma Bhimrao Ramji Ambedkar, Vasant Moon, 2010 **Dr. Babasaheb Ambedkar and the Significance of His Movement** K. N. Kadam, 1991 **Gotama The Buddha** Dr. Dhananjay Chavan, A book not only for every follower of the Buddha around the world but also for every person who wants to understand the Buddha This book is a study with a heart but one where reason is allowed to be free In any study of the historical Buddha there are two major obstacles to confront Firstly there are the systematic prejudices that developed against him through the centuries in his own country Secondly some of the fantastic myths associated with him can give pause to a modern man of science As this book shows however these hurdles can be readily surmounted This is done by responding to the Buddha s famous exhortation to come and see Rather than accept the Buddha blindly the book invites readers to simply open their hearts and minds enough to examine him in a fair manner Though the author uses the Tipitaka as his primary authority he does not tie himself to any particular tradition The Buddha s universal teaching came out of the Indian subcontinent s agrarian culture He was firmly rooted in this world and not in any heavenly realms The book takes the reader on a journey into the life and the teachings of this son of Earth an extraordinary human being who offered his fellow humans a timeless road map to a happy life The book also raises questions that will hopefully help to foster healthy dialogue in the true spirit in which the Buddha wanted others to look at and follow his teaching *AKASHVANI Publications Division (India), New Delhi, 1958-04-27 Akashvani English is a programme journal of ALL INDIA RADIO it was formerly known as The Indian Listener It used to serve the listener as a bradshaw of broadcasting and give listener the useful information in an interesting manner about programmes who writes*

Dr. Babasaheb Ambedkar Bhimrao Ramji Ambedkar, 1995 *The Buddha: The Emptiness of the Heart* Osho, 2023-03-19 The buddha is already breathing in you Just a little recognition just a little turning inwards and that has not to be done forcibly If you do it forcibly you will miss the point It is very delicate You have to look inward playfully not seriously That's what he means by taking things easily Don't take anything seriously Existence is very easy You have got your life without any effort you are living your life without any effort You are breathing perfectly well without being reminded your heartbeat continues even in your sleep so easy is existence with you But you are not so easy with existence You are very close fistled You want everything to be turned into an achievement **Bollyworld** Raminder Kaur, Ajay J Sinha, 2005-07-13 Providing a critique of a common scholarly tendency in the field of popular Indian cinema this text argues that Indian cinema cannot be understood in terms of a national paradigm but must instead be considered as a field of visual and cultural production that interlinks diverse sites in India and beyond *Oriental list (and book review quarterly)*. Luzac and co, 1900 **MAHATMA JYOTIRAO PHULE- english** Dr. Ravindra Thakur Translated From MARATHI to ENGLISH by Reshma Kulkarni-Pathare, 2020-02-17 It is a very difficult task to write a biographical novel In order to ensure the right balance of facts with creative liberty the author needs to have the skills of a good biographer as well as a novelist A biographer is a researcher and collector of memories whereas a novelist is mainly a dreamer who can spin stories out of nothingness But the author of a biographical novel needs to be an amalgamation of both creativity and fact finding both S he needs to diligently record all the facts related to the protagonist's life Even though s he may take creative liberty while writing the novel it cannot be forgotten that finally it is a biography which must do justice to the happenings in the protagonist's life Dates timelines family members enemies relations important incidents etc need to be mentioned properly without taking them into the ambit of creative liberty Only after doing so much preparation does a novelist become set to write a good biographical novel What prompts a biographer to turn a person's life account into a novel instead of taking the easy route and narrating his/her story in a straight way It is the excitement of interspersing an author's gift of imagination and ingenuity with the actualities of the protagonist's life However it is a tightrope walk to be able to exercise one's creative abilities while staying true to the researcher within Only the perfect alchemy of both these factors can result in an excellent biographical novel M W Dhond An inspirational biographical novel about the life times personality and revolutionary thoughts of the great man Jyotirao Phule **MAHATMA Hermann Hesse's Global Impact** Oscar Von Seth, 2024 A timely collection of new essays arguing for the continuing relevance and impact of Hesse's works around the world Hermann Hesse remains one of the great figures of world literature He is the world's 35th most translated author with more than 1 500 translations of his works currently listed on UNESCO's Index Translatorium Our understanding of the reciprocal transcultural reception of literature

has been radically transformed in the last two decades starting with David Damrosch's *What is World Literature* 2003. Meanwhile some forty years have passed since Martin Pfeiffer's anthology *Hermann Hesses weltweite Wirkung*. Hermann Hesse's *Worldwide Impact* was published which means it is time to consider Hesse's global impact again though not in terms of a country by country study. Rather this book explores Hesse's continuing global relevance more broadly. Hesse is global in the sense that his themes touch on the non-material side of human existence in a way that readers in different cultural communities respond to. His prose and poetry offer an oasis of calm, authenticity and spirituality, a mental terrain of profound and genuine meaning. The present collection of new essays argues that this spiritual capital may help readers of Hesse in uncertain times beyond the doctrines of organized religions or ideologies, assisting them in inhabiting creatively both the world of literature and the visceral world of the early 21st century. In India there are not one but several literary traditions. They exist in literature simultaneously but one of them represents the canonized crest. The others are not canonized and placed obscurely.
