Rana,Wai-Mun

Chia,2017-12-28 Jumpstarting South Asia focuses on the slowing pace of economic growth and makes the case for a two pronged strategy to jumpstart South Asian economies South Asian countries should complete the economic reform process that they had begun in the 1980s and the early 1990s and implement the more microeconomic reforms namely the sectoral and governance and institutional reforms to enhance competition and improve the operation of markets They should also implement the second round of Look East policies or LEP2 to link themselves to production networks in East Asia their fastest growing market and develop production networks in manufacturing and services within their region This book argues that the proposed strategy will lead to a win win situation for all countries in South Asia and East Asia and also reinvigorate economic integration within South Asia The book identifies the remaining policy agenda for each South Asian country

Transport Planning, Logistics, and Spatial Mismatch D. E. Pitfield,2001 Informality, Labour Mobility and Precariousness Abel Polese,2022-01-01 From the erosion of state legitimacy in Lebanon to the use of smartphones in Kyrgyzstan from a Polish suburb to the music scene in Azerbaijan this volume attempts to explain why in a variety of world regions a substantial number of people tend to ignore or act against state rules We propose to look at informality beyond simplistic associations of the phenomenon with a single category such as informal labour or corruption By doing this we propose to look for a correlation between the emergence and persistence of some informal practices and the quality of governance in a given area We also suggest that a better understanding of the variety of informal practices present in a region can help conceptualising more adequate interventions and eventually improve the socio economic conditions of its inhabitants Delivering the Goods Damon Schechter,2002-12-30 We often think of great battles as having been won by

superior strategy bravery or weaponry Often however the greatest battles are decided by a much more mundane factor logistics Delivering the Goods looks at business logistics through the history of successful military logistical operations undertaken by leaders from Alexander the Great to General Norman Schwarzkopf and offers practical guidance on applying proven logistical principles to your business
