Lonely Days Bayo Adebowale:

Lonely Days 'Bayo Adebowale,2006 **Love and Marriage in Africa in the Novels of Elechi Amadi, Buchi Emecheta and Chinua Achebe** Dr. Richa Jha,2022-03-03 The theme of love and marriage in literature is perhaps as old as literature itself Works of literature across borders and genres have worked around these twin themes to give us some of the most memorable tales yet they appear quite neglected by the critics when making a study of African literature The world of literary criticism has witnessed a newfound interest in the African continent which had for a long time been suffering in ignominious darkness yet the majority of critical study is still focused on postcolonial themes and human relationships have largely been ignored The white man's perception and portrayal of Africa as a land of savages devoid of finer emotions could be a major influence in this regard This study strives to prove that the Africans have always had a rich history and culture of interpersonal relationships and the twin themes of love and marriage run across their literature justifying their claim to being as capable of harboring finer emotions as any other civilization of the world The novels under study in this research work present the importance of love in various aspects like the man woman relationship parent child relationship and an individual's love for his native land Various types of matrimonial alliances with the different aspects of an African marriage such as settling of marriage settlement and payment of the bride price gender equations polygamy widow remarriage etc have all been studied in the backdrop of the three novels taken under consideration This research work based on the novels of Elechi Amadi Buchi Emecheta and Chinua Achebe studies the representation of love and marriage in African literature as an important and recurrent theme that touches upon other aspects of the society like class division human relationships social beliefs myths superstition and most importantly the gender perspectives *Celebrating the 60th Anniversary of 'Things Fall Apart'* Désiré Baloubi,Christina R. Pinkston,2020-12-10 This book celebrates Chinua Achebe one of the most profound and famous African writers of our time and his widely read masterpiece Things Fall Apart The novel remains a must read literary text for reasons the many contributors to this book make clear in their astute readings Their perspectives offer thought provoking and critically insightful considerations for scholars of all ages cultures and genders Helpless and Other Poems Kayode Babs,2007 **Gender and Leadership in Nigeria and Ghana** Mobolanle Sotunsa,Abiola Sakirat Kalejaiye,Patricia Animah Nyamekye,2023-10-27 This book provides balanced critical linguistic and literary representations of gender and power relations in Ghanaian and Nigerian texts contrary to most existing literary and linguistic studies on gender that have either focused on male chauvinism or male emasculation This text provides novel insight into gender dynamics liberation and empowerment especially as it relates to language and power in Africa **Tell**,2007 On the Wings of Time Lawrence Olufemi Obisakin,2007 Writers in Oyo Ana Isaac Ebika Anthony,2005 Joint Acquisitions List of Africana ,1994 *My Holiday* Morakinyo Olateju,2008 *Waiting for Maria* Ifeoma Chinwuba,2007 A Joy in the Cradle Maimuna M.
