a unique case for the study of the forces and ideologies of nationalism This book reveals how this ethnically diverse nation 40% African origin 40 45% East Indian origin plus those of Syrian Chinese Portuguese French and English descent independent for less than forty years has provided fertile ground for the creative tension between the imagination of the writer in his or her search for a habitable text of identity and the official discourse on nationalism in Trinidad and Tobago This discourse has in turn been embedded in a struggle that propels the nation's story Following on from this background the study examines the changes and influences on the sense of nationalism and peoplehood caused by migration and the ethnicization of migrant communities in the metropolises

Satiric Modernism Kevin Rulo, 2021-04-19 In this book Kevin Rulo reveals the crucial linkages between satire and modernism He shows how satire enables modernist authors to evaluate modernity critically and to explore their ambivalence about the modern Through provocative new readings of familiar texts and the introduction of largely unknown works *Satiric Modernism* exposes a larger satiric mentality at work in well known authors like T S Eliot James Joyce Wyndham Lewis Ezra Pound Virginia Woolf and Ralph Ellison and in less studied figures like G S Street the Sitwells J J Adams and Herbert Read as well as in the literature of migration of Sam Selvon and John Agard in the films of Paolo Sorrentino and in the drama of Sarah Kane In so doing Rulo remaps the last hundred years as an era marked distinctively by a new kind of satiric critique of and aesthetic engagement with the temporal fissures logics and regimes of modernity This ambitious expansive study reshapes our understanding of modernist literary history and will be of interest to scholars of twentieth century and contemporary literature as well as of satire
