Markets without Limits Jason F. Brennan, Peter Jaworski, 2015-08-20 May you sell your vote May you sell your kidney May gay men pay surrogates to bear them children May spouses pay each other to watch the kids do the dishes or have sex Should we allow the rich to genetically engineer gifted beautiful children Should we allow betting markets on terrorist attacks and natural disasters Most people shudder at the thought To put some goods and services for

sale offends human dignity If everything is commodified then nothing is sacred The market corrodes our character Or so most people say In Markets without Limits Jason Brennan and Peter Jaworski give markets a fair hearing The market does not introduce wrongness where there was not any previously Thus the authors claim the question of what rightfully may be bought and sold has a simple answer if you may do it for free you may do it for money Contrary to the conservative consensus they claim there are no inherent limits to what can be bought and sold but only restrictions on how we buy and sell

Journalism Tim P. Vos, 2018-05-22 This volume sets out the state of the art in the discipline of journalism at a time in which the practice and profession of journalism is in serious flux While journalism is still anchored to its history change is infecting the field The profession and the scholars who study it are reconceptualizing what journalism is in a time when journalists no longer monopolize the means for spreading the news Here journalism is explored as a social practice as an institution and as memory The roles epistemologies and ethics of the field are evolving With this in mind the volume revisits classic theories of journalism such as gatekeeping and agenda setting but also opens up new avenues of theorizing by broadening the scope of inquiry into an expanded journalism ecology which now includes citizen journalism documentaries and lifestyle journalism and by tapping the insights of other disciplines such as geography economics and psychology The volume is a go to map of the field for students and scholars highlighting emerging issues enduring themes revitalized theories and fresh conceptualizations of journalism
