MALABAR MANUAL

Vol.2

WILLIAM LOGAN

Malabar Manual William Logan

Abbas Panakkal

Malabar Manual William Logan:

MALABAR MANUAL by William Logan , Commentary William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words It might not be possible for a casual reader to imbibe all the minute bits of information from this book However in this commentary of mine I have tried to insert a lot of such bits and pieces of information by directly quoting the lines from Malabar On these quoted lines I have built up a lot of arguments and also added a lot of explanations and interpretations I do think that it is much easy to go through my Commentary than to read the whole of William Logan s book Malabar However the book Malabar contains much more items than what this Commentary can aspire to contain This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent

A Commentary on the Malabar Manual Written by William Logan VOL 1 V. E. D. from VICTORIA INSTITUTIONS,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words It might not be possible for a casual reader to imbibe all the minute bits of information from this book However in this commentary of mine I have tried to insert a lot of such bits and pieces of information by directly quoting the lines from Malabar On these quoted lines I have built up a lot of arguments and also added a lot of explanations and interpretations I do think that it is much easy to go through my Commentary than to read the whole of William Logan s book Malabar However the book Malabar contains much more items than what this Commentary can aspire to contain This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent First of all I would like to place on record what my interest in this book is I do not have any great interest in the minor details of Malabar or Travancore Nor about the various castes and their aspirations claims and counterclaims My interest is basically connected to my interest in the English colonial rule in the South Asian Subcontinent and elsewhere I would quite categorically mention that it is English colonialism and not British Colonialism which has a slight connection to Irish Gaelic and Welsh Celtic language populations Even though I am not sure about this I think the book Malabar was made as part of the Madras Presidency government s endeavour to create a district manual for each of the districts of Madras Presidency William Logan was a District Collector of the Malabar district of Madras Presidency Logan has claimed the authorship of this book There are locations where other persons are attributed as the authors of those specific locations Also there is this statement The tidy fact is that the whole book has been tampered with or doctored by many others who were the natives of this subcontinent Their mood and mental inclinations are found in various locations of the book The only exception might be the location where Logan himself has dealt with the history writing More or less connected to the part where the written records from the English Factory at Tellicherry are dealt with His claim asserted or hinted at of being the author of the text wherein

he is mentioned as the author is in many parts possibly a lie The book Malabar ostensibly written by William Logan does not seem to have been written by him It is true that there is a very specific location where it is evident that it is Logan who has written the text However in the vast locations of the textual matter there are locations where it can be felt that he is not the author at all **A Commentary on the Malabar Manual Written by William Logan Vol 2** V. E. D. from VICTORIA INSTITUTIONS,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words It might not be possible for a casual reader to imbibe all the minute bits of information from this book However in this commentary of mine I have tried to insert a lot of such bits and pieces of information by directly quoting the lines from Malabar On these quoted lines I have built up a lot of arguments and also added a lot of explanations and interpretations I do think that it is much easy to go through my Commentary than to read the whole of William Logan s book Malabar However the book Malabar contains much more items than what this Commentary can aspire to contain This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent William Logan has claimed the authorship of this book There are locations where other persons are attributed as the authors of those specific locations The tidy fact is that the whole book has been tampered with or doctored by many others who were the natives of this subcontinent Their mood and mental inclinations are found in various locations of the book The only exception might be the location where Logan himself has dealt with the history writing More or less connected to the part where the written records from the English Factory at Tellicherry are dealt with His claim asserted or hinted at of being the author of the text wherein he is mentioned as the author is in many parts possibly a lie The book Malabar ostensibly written by William Logan does not seem to have been written by him It is true that there is a very specific location where it is evident that it is Logan who has written the text However in the vast locations of the textual matter there are locations where it can be felt that he is not the author at all There are many other issues with this book **Malabar Manual** William Logan,2000 On Malabar India

MALABAR by WILLIAM LOGAN - VOL 2 (in 4 Volumes) - with Annotations by VED from VICTORIA INSTITUTIONS William LOGAN,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words This particular edition of the book comes in Four Volumes of page size 7 X 10 This is Volume no 2 of these four volumes It is Chapter no 3 of the original book The Chapter heading is History The various subheadings inside this chapter are thus CHAPTER 3 HISTORYSection a Traditionary ancient history Section b Early history from other sourcesSection c 825 to 1498 A DSection d The Portuguese period A D 1498 1663Section e The Dutch English and French settlementsSection f The Mysorean conquest A D 1766 1792Section g The British supremacy 1792 to dateA number of extra images have been added in this new edition of the book Some of the mentionable items that can be found this Volume are the Pazhassiraja insurgency Mappilla outrages commencing from 1832 onwards which ultimately culminated in the so called

Mappilla Lahala and the historical events that led to the English East India Company setting up a sensible administration in a geopolitical area which had experienced continual internecine violence right from times immemorial This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent This book Malabar was presumably made as part of the Madras Presidency government s endeavour to create a district manual for each of the districts of Madras Presidency William Logan was a District Collector of the Malabar district of Madras Presidency Since the text and images have been taken from the currently December 2017 available online low quality scanned files of the original book there can be some inadvertent errors in the book such as typos missing text etc However a lot of care has been taken to make the book error free However no guarantee in this regard can be given William Logan's Malabar Manual ,2000

MALABAR VOL 1 (in Four Volumes) - (with Annotations by VED from VICTORIA INSTITUTIONS) William LOGAN,2018-01-03 William Logan s Malabar is popularly known as Malabar Manual It is a huge book of more than 500 000 words This particular edition of the book comes in Four Volumes of page size 7 X 10 This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent This book Malabar was presumably made as part of the Madras Presidency government s endeavour to create a district manual for each of the districts of Madras Presidency William Logan was a District Collector of the Malabar district of Madras Presidency The time period of his work in the district is given in this book as 6th June 1875 to 20th March 1876 around 9 months as Ag Collector From 9th May 1878 to 21st April 1879 around 11 months as Collector From 23rd November 1880 to 3rd February 1881 around 2 months as Collector Then from 23rd January 1883 to 17th April 1883 around 3 months as Collector After all this he is again posted as the Collector from 22nd November 1884 From this book not much personal information about William Logan Esq can be found out or arrived at Two Chapters are there in this specific Volume Volume 1 They are listed below The District a Its Limits and Physical Features b Mountains c Rivers Backwaters and Canals d Geological Formation e Climate and Natural Phenomena f Fauna and Flora g Passes Roads and Railway h Ports and Shipping Facilities CHAPTER II The People a Numbers Density of Population Civil Condition Sex and Age b Towns Villages Dwellings and Rural Organization c The Language Literature and State of Education d Caste and Occupations e Manners Customs etc f Religion Hindus Muhammadans Christians g Famine Diseases Medicine A number of extra images have been added in this new edition of the book Since the text and images have been taken from the currently December 2017 available online low quality scanned files of the original book there can be some inadvertent errors in the book such as typos missing text etc However a lot of care has been taken to make the book error free However no guarantee in this regard can be given MALABAR VOL 4 (in Four Volumes) - (with Annotations by VED from VICTORIA INSTITUTIONS) William Logan,2018-01-03 William Logan s Malabar is

popularly known as Malabar Manual It is a huge book of more than 500 000 words This particular edition of the book comes in Four Volumes of page size 7 X 10 This book Malabar will give very detailed information on how a small group of native Englishmen built up a great nation by joining up extremely minute bits of barbarian and semi barbarian geopolitical areas in the South Asian Subcontinent This book Malabar was presumably made as part of the Madras Presidency government s endeavour to create a district manual for each of the districts of Madras Presidency William Logan was a District Collector of the Malabar district of Madras Presidency CONTENTS in this Volume no 4 XII Collection of Deeds XIII Mr Graeme s Glossary Etymological Headings XIV List of Chiefs Residents Commissioners Principal Collectors and Collectors XV Land Revenue Assessment Proclamation of 21st July 1805 XVI Annual Average price of Paddy 1860 80 XVII Monthly Average no do XVIII Prices of Gingelly Seed 1861 81 XIX Do of Coconuts and Areca nuts 1862 81 XX List of Malikhana Recipients in Malabar XXI Short Descriptive Notes of Taluks c Chirakkal Taluk Anjarakandi Amsam Cannanore Kirur Territory Laccadive Islands Agatti Island Kavaratti Island Androth do Kalpeni do Minicoy do Kottayam Taluk Kurumbranad Taluk Mahe and the Aldces Wynad Taluk Imports into Malabar from Mysore Exports from Malabar to Mysore Wynad Forests Kanoth Forest Calicut Taluk Ernad do Nilambur Teak Plantations Walluvanad Taluk Palghat do do Forests Ponnani Taluk do Cochin do Tangasseri Anjengo A number of extra images have been added in this new edition of the book Since the text and images have been taken from the currently December 2017 available online low quality scanned files of the original book there can be some inadvertent errors in the book such as typos missing text etc However a lot of care has been taken to make the book error free However no guarantee in this regard can be given PLEASE NOTE The text has been taken out of scanned files of the original book which is available on archive org There can be inadvertent errors in this book Beyond that a lot of extra images have been added to this book Since the contents of this book have been taken from low quality scanned version of the original book available online wherever the text has been inserted in the form of images the text might look blurry and very faint However these text images though blurry are given in this book to maintain the integrity of the original book For the only other option would be to remove the pages which are not clear

narratives Readers are taken on a transformative journey where historical understanding is reshaped and the vernacular valour embedded in the history of Malabar comes to the forefront Navigate the contours of a contentious issue surrounding a photograph as the author masterfully challenges its authenticity This eloquent journey transcends the mere exploration of historical facts it is a symphony of identity sacrifice and community resilience A literary gem for aficionados of history this monograph invites readers to savour the beauty of Malabar's tumultuous past promising a profound understanding of the events that have shaped its captivating history This book debunks controversial narratives and confronts the misidentified reshaping historical understanding and revealing the spirit within Malabar's untold stories of solidarity and sacrifice

Software codes of mantra, tantra, witchcraft, black magic, evil eye, evil tongue &c. VED from VICTORIA INSTITUTIONS, This book can be downloaded as a PDF file from [here](#) Prologue This is not a guide book for studying any occult art Instead it is a writing that proposes to take up the possibility of there being a real machinery behind the working of so called mantra tantra evil eye black magic voodoo etc This book does not teach any of the above mentioned arts Yet it does try to find a pathway or opening by which we can find or enter the supernatural arena from where the supernatural software codes of reality and life is designed and maintained It is a writing that tries to discuss a probability that is not connected to material sciences Instead it proposes to examine the possibility of there being a supernatural software application location wherein reality might be seen in the code view as well as the design view These two views are apart from the real view which is the physical reality The ultimate aim of this book is to propose a pathway via which we can approach the supernatural software location where all of reality life living organisms brain software English versus the feudal languages around 1989 The final version of the book was completed around 2000 In the concluding part of that book I did hint about the possibility of there being something akin to a software background to reality And that languages are software applications with varied capacities In around the year 2005 I wrote a series of posts in a GB website on the same subject It was basically a lot of unconnected themes all pointing to the same theme This I later published as a digital book under the name Software codes of reality life and languages Then my next major book on the subject came out with the name Codes of reality What is language Here again the same theme of connecting the idea of there being a software realm behind reality and that languages have software codes which can directly connect to the software of reality was elaborated The focus was on languages being sort of software applications through which physical reality could be influenced Still the theme was going forward only in very brief paces A few years ago I had to write a series of posts for supporting the contentions of Homoeopathy by basing the ideas from my understandings That Homoeopathy does work on the principle of a software program rectifying the software of life and human body The book title was The machinery of Homoeopathy Recently I happened to read Edgar Thurston's Omens and Superstitions of Southern India It was at that time that I pondered upon reworking out the arguments from the perspective of mantra tantra black magic witchcraft etc The first thing I did was to create a very readable form of that book As I went on

doing that work I could get to read the book also This present book is being promoted as a Commentary on Omens and Superstitions of Southern India However only the last part of this book really is a sort of commentary Even in that part it is not exactly a commentary I merely quoted some sentences from his book and elaborated upon them as per what I wanted to convey Edgar Thurston s Omens and Superstitions of Southern India is definitely a great book My writings do not aim to go against that book This book of mine does contain a lot of mentions about Thurston s book This book commences by mentioning OMENS AND SUPERSTITIONS OF SOUTHERN INDIA However it moves beyond to a wider ambit It returns to Thurston s book at the end as a commentary However a mention of Thurston s book can be felt all along I have used a few images from other old public domain books These images are mainly taken from my own collection from such books Due to some issues I do not have the exact record as to where I got some of the images I believe that such images have been taken from Edgar Thurston s Castes and Tribes of Southern India Before commencing the reading of the book the reader is further informed that in various locations the text would seem to be dealing with cultural aspects However without clearly mentioning these things it would difficult to go directly into the effects of supernatural software codes DEVERKOVIL

September 10th 2016 *By Sweat and Sword* K. K. Nair,2013 Going well beyond the usual narratives on Kerala history this study discusses the unique history of a statedescribed incolonial documents as being perpetually at war but remarkably whose people have been historically happy Ever since its discovery Kerala s political climate was characterized by a variety of Chinese Arab European and local powers fighting each other for economic and military ascendancy And yet despite centuries of foreign contact and conflict it continued to thrive and retain its independence The influences Kerala absorbed were of its own choosing This book hypothesizes that this remarkable achievement was a direct consequence of Kerala s unique military diplomatic social and economic culture A society by no means perfect but fairly close causing British administrators to record that society in Kerala had arrived close to fulfilling the utilitarian dictum of the largest possible happiness of the largest numbers **Malabar** William Logan,1951 **Malabar** William Logan,1995 **MARCH of the EVIL EMPIRES** VED from VICTORIA INSTITUTIONS,2004-05-04 First drafted in 1989 A QUOTE from the book about what would happen to the US when feudal language speakers swarm into this once good quality English nation This was written around 1990 a stage may come at least in certain areas where the innate resilience of the English structure may be severely tested and cause much distress to the individual persons and can in a matter of time cause domino effect on many other areas causing strange happenings of technological failure inefficiency conflict hatred events that may be described with shallow understanding as racially motivated decent and peaceful persons acting with unnatural violence etc Rude officialdom arrogant and trigger happy police increasing corruption insolent attitude to persons who are judged to be doing lower jobs time consuming judiciary rules and regulations which are laughable in meaning but having a sting from which many get hurt and a general feeling of hopeless for the solitary individual as against the might of the society are all general characters of

the effect of feudal languages What has to be borne in mind is that feudal languages do have elements in them which aim at subjugation and where they fail to do so they may at least cause deep mental hurt And that too in an extremely soft and inconspicuous manner that it may not be discernible to another person other than the person who felt it Though persons who do not know these languages may not actually understand the full significance of each and every word they may be able to sense the negativity from the body language of the person who says the words and of the other s of the same language who may actually understand it Beyond all this there may be a factor of mental waves or energy which may radiate along with the words which may have a deeper effect than is currently understood It could all lead to a lot of side effects possibly due to a sort of domino effect and the effect need not be at the place the disturbance took place Examples could be unexplainable road rages air rages shooting of colleagues and so many actions with criminal overtones by seemingly decent persons You should read this book also The SHROUDED SATANISM in FEUDAL LANGUAGES Tribulations and intractability of improving others *What is entering? (into England)* VED from VICTORIA INSTITUTIONS, Feudal languages entering a planar language nation Malabar Manual: Collection of treaties, engagements, and other papers of importance relating to British affairs in Malabar William Logan, 1998

Embracing the Melody of Term: An Mental Symphony within **Malabar Manual William Logan**

In a global eaten by displays and the ceaseless chatter of fast communication, the melodic elegance and psychological symphony developed by the written term frequently disappear in to the back ground, eclipsed by the relentless noise and disruptions that permeate our lives. However, located within the pages of **Malabar Manual William Logan** a marvelous fictional treasure filled with organic emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that fascinating masterpiece conducts viewers on an emotional trip, skillfully unraveling the hidden tunes and profound influence resonating within each cautiously crafted phrase. Within the depths of this emotional analysis, we shall explore the book is central harmonies, analyze its enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Malabar Manual William Logan Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Malabar Manual William Logan free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Malabar Manual William Logan free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Malabar Manual William Logan free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Malabar Manual William Logan. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Malabar Manual William Logan any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Malabar Manual William Logan Books

What is a Malabar Manual William Logan PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Malabar Manual William Logan PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Malabar Manual William Logan PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Malabar Manual William Logan PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Malabar Manual William Logan PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or

desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
