Emmanuel Cudjoe

Afrocentricity The Theory Of Social Change:

Afrocentricity Molefi Kete Asante, 2003 The author has written this book entitled Afrocentricity especially for those Africans still in a confused state in order to show them the way to peace Further he indicates that the book has created its own supporters and detractors and has also been at the core of intense debates about the de colonizing of the African mind the dismantling of America and the destabilizing of the Eurocentric hegemony This book is not meant to be unread un remarked upon or unheard Afrocentrists have multiplied in the theaters universities unions political organizations schools and corporations The challenge to the white racial hierarchy has been intense and severe there can be no hiding from the agency of awakened Africans In the next few decades it is anticipated that a mighty revolution of values symbols and actions might bring about a more equitable society This revolution for justice and liberty shall be led by the aroused black nation committed to a world of peace

Afrocentricity and the Academy James L. Conyers, Jr., 2015-09-01 Afrocentricity is a philosophical and theoretical perspective that emphasizes the study of Africans as subjects not as objects and is opposed to perspectives that attempt to marginalize African thought and experience Afrocentricity became popular in the 1980s as scores of African American and African scholars adopted an Afrocentric orientation to information The editor of this collection argues that as scholars embark upon the 21st century they can no longer be myopic in their perceptions and analyses of race The seventeen essays examine a wide range of variations on the Afrocentric paradigm in the areas of history literature political science philosophy economics women's studies cultural studies ethnic

studies and social policy The essays written by professors librarians students and others in higher education who have embraced the Afrocentric perspective are divided into four sections Pedagogy and Implementation Theoretical Assessment Critical Analysis and Pan Africanist Thought *The International Encyclopedia of Communication Theory and Philosophy, 4 Volume Set* Klaus Bruhn Jensen, Robert T. Craig, Jefferson D. Pooley, Eric W. Rothenbuhler, 2016-10-31 The International Encyclopedia of Communication Theory and Philosophy is the definitive single source reference work on the subject with state of the art and in depth scholarly reflection on key issues from leading international experts It is available both online and in print A state of the art and in depth scholarly reflection on the key issues raised by communication covering the history systematics and practical potential of communication theory Articles by leading experts offer an unprecedented level of accuracy and balance Provides comprehensive clear entries which are both cross national and cross disciplinary in nature The Encyclopedia presents a truly international perspective with authors and positions representing not just Europe and North America but also Latin America and Asia Published both online and in print Part of The Wiley Blackwell ICA International Encyclopedias of Communication series published in conjunction with the International Communication Association Online version available at www.wileyicaencyclopedia.com **American Multicultural Studies** Sherrow O. Pinder, 2013 American Multicultural Studies Diversity of Race Ethnicity Gender and Sexuality provides an interdisciplinary view of multicultural studies in the United States addressing a wide range of topics that continue to define and shape this area of study Through this collection of essays Sherrow Pinder responds to the need to open up a rich avenue for addressing current and continuing issues of race gender ethnicity sexuality cultural diversity and education in their varied forms Substantial thematic overlaps are found between sections and essays all of which are oriented toward a single broad objective to develop new and different ways of addressing how multicultural issues in their discursive sociocultural contexts are inextricably linked to the operations of power Power as a site of resistance to which it invariably gives rise is tackled from a perspective that attends to the complexities of America's history and politics **AfroLatinas and LatiNegras** Concetta Bondi, Rosita Scerbo, 2022-11-28 AfroLatinas as a subject of scholarship are woefully underrepresented and this edited volume AfroLatinas and LatiNegras Culture Identity and Struggle from an Intersectional Perspective offers an important and timely intervention The consistent attention to AfroLatinas agency across all the chapters is empowering and attentive to the difficult circumstances of asserting that agency and to the tremendous breadth of what agency can look like The authors argue for the analytical power of the concept of Intersectionality while considering the hegemonic pressures on AfroLatinidad and the essentializing moves that an intersectional approach enables evading overthrowing and resisting systems of power Through the study of multiple cultural expressions of Blackness such as photography colonial inquisition records dance music fiction non fiction poetic memoir and religious expression and throughout different region of the Americas the chapter contributors of this book consider the relationship that social and historical processes such as

sovereignty and colonialism have on narrative and cultural production Rosita Scerbo Concetta Bondi and the contributors acknowledge that racial and gender equity cannot exist without Intersectionality and the inclusion of activist voices broadens this volume's reach and links theory to praxis Encyclopedia of Black Studies Molefi Kete Asante, Ama Mazama, 2005 In the 1960s Black Studies emerged as both an academic field and a radical new ideological paradigm Editors Molefi Kete Asante and Ama Mazama Black Studies Temple U both influential and renowned scholars have compiled an encyclopedia for students high school and beyond and general readers It presents analysis of key individuals events a **Contemporary Critical Thought in Africology and Africana Studies** Molefi Kete Asante, Clyde Ledbetter Jr., 2015-12-30 Although traditional academic circles rarely celebrate the work of African or African American thinkers because performers and political figures were more acceptable to narrating histories this work projects the ideas of several writers with the confidence that Africology the Afrocentric study of African phenomena represents an oasis of innovation in progressive venues The book brings together some of the most discussed theorists and intellectuals in the field of Africology Africana Studies for the purpose of sparking further debate critical interpretations and extensions and to reform and reformulate the way we approach our critical thought The contributors Afrocentric approach offers new interpretations and analysis and challenges the predominant frameworks in diverse areas such as philosophy social justice literature and history

Developing Africa? Lehasa Moloi, 2024-03-12 *Developing Africa* New Horizons with Afrocentricity aims to contest the Eurocentric narrative of an African development discourse This book deploys the theory of Afrocentricity as an intellectual standpoint from which African thinkers should interrogate and reconceptualize the discourse of development in Africa Particularly the book argues in favour of the Afrocentric re interpretation of African history African culture and assertion of African agency as the core building wedge in the reconceptualization of the ideal African development trajectory *On Race and Philosophy* Lucius Outlaw, 2016-01-08 *On Race and Philosophy* is a collection of essays written and published across the last twenty years which focus on matters of race philosophy and social and political life in the West in particular in the US These important writings trace the author's continuing efforts not only to confront racism especially within philosophy but more importantly to work out viable conceptions of race and ethnicity that are empirically sound while avoiding chauvinism and invidious ethnocentrism The hope is that such conceptions will assist efforts to fashion a nation state in which racial and ethnic cultures and identities are recognized and nurtured contributions to a more just and stable democracy **Malcolm X and the Poetics of Haki Madhubuti** Regina Jennings, 2006-10-12 Illustrating the power of oratory in the 1960s and its successful merging with the art of that era this text examines the significance of Malcolm X as a literary muse for Haki Madhubuti one of America's premiere poets and essayists Long after the death of Malcolm X Haki Madhubuti continued to expound on X's major oratorical themes including the effort to destroy the racial appellation Negro and to create new definitions for words that relate to Africa X's persistence in oratory during the 1960s influenced an art

movement that changed the psychology and behavior of American Blacks Through a historical and literary analysis of Black poetry this text charts how selected writers exhibited great tensions around issues of race until the arrival of the 1960s generation of artists This book contributes to a broader understanding of Malcolm X and his impact on American writing and culture

Jumping the Broom Tyler D. Parry, 2020-10-02 In this definitive history of a unique tradition Tyler D Parry untangles the convoluted history of the broomstick wedding Popularly associated with African American culture Parry traces the ritual s origins to marginalized groups in the British Isles and explores how it influenced the marriage traditions of different communities on both sides of the Atlantic Ocean His surprising findings shed new light on the complexities of cultural exchange between peoples of African and European descent from the 1700s up to the twenty first century Drawing from the historical records of enslaved people in the United States British Romani Louisiana Cajuns and many others Parry discloses how marginalized people found dignity in the face of oppression by innovating and reimagining marriage rituals Such innovations have an enduring impact on the descendants of the original practitioners Parry reveals how and why the simple act of jumping the broom captivates so many people who on the surface appear to have little in common with each other

Understanding African American Rhetoric Ronald L. Jackson II, Elaine B. Richardson, 2014-05-22 This is an extraordinarily well balanced collection of essays focused on varied expressions of African American Rhetoric it also is a critical antidote to a preoccupation with Western Rhetoric as the arbiter of what counts for effective rhetoric Rather than impose Western terminology on African and African American rhetoric the essays in this volume seek to illumine rhetoric from within its own cultural expression thereby creating an understanding grounded in the culture s values The consequence is a richly detailed and well researched set of essays The contribution of African American rhetoric can no longer be rendered invisible through neglect of its tradition The essays in this volume neither seek to displace Western Rhetoric nor function as an uncritical paen to Afrocentricity and Africology This volume is both timely and essential timely in advancing a better understanding of the richly textured history that is expressed through African American discourse and essential as a counterpoint to the hegemonic influence of Greek and Roman rhetoric as the origin of rhetorical theory and practice Written in the spirit of a critical rhetoric this collection eschews traditional focus on public address and instead offers a rich array of texts in musical and other forms that address publics

The Palgrave Handbook of African Philosophy Adeshina Afolayan, Toyin Falola, 2017-11-17 This handbook investigates the current state and future possibilities of African Philosophy as a discipline and as a practice vis vis the challenge of African development and Africa s place in a globalized neoliberal capitalist economy The volume offers a comprehensive survey of the philosophical enterprise in Africa especially with reference to current discourses arguments and new issues feminism and gender terrorism and fundamentalism sexuality development identity pedagogy and multidisciplinary etc that are significant for understanding how Africa can resume its arrested march towards decolonization and liberation

Gendered Spaces, Religion and Migration in Zimbabwe Ezra

Chitando, Sophia Chirongoma, Molly Manyonganise, 2022-10-12 This book explores the intersections of gender religion and migration within the context of post independent Zimbabwe with a specific focus on how gender disparities impact economic development By demonstrating how these interconnections impact women s and girls lived realities the book addresses the need for gender equity gender inclusion and gender mainstreaming in both religious and societal institutions This book assesses the gender and migration nexus in Zimbabwe and examines the impact of religio cultural ideologies on the status of women In doing so it assesses the transition of Zimbabwean women across spaces and provides insights into the practical strategies that can be utilised to improve their status both at home and on the move Furthermore chapters show how space continues to be genderised in ways that perpetuate structural inequality to challenge the exclusion of women from key social processes Contributing to ongoing scholarly debates on gender in Africa this book will be of interest to academics and students of Gender Studies Women s Studies African Studies Development Studies as well as advocates of human rights and gender activists
