After junior Tucker Price, Southern University's star soccer player, enters the equation, her carefully plotted life is thrown off its axis. Tucker's failing his required College Algebra class. With his eligibility at risk, the university chancellor dangles an expensive piece of computer software for the math department if Scarlett agrees to privately tutor him. Tucker's bad boy womanizer reputation makes Scarlett wary of any contact, let alone spending several hours a week in close proximity. But from her first encounter, she realizes Tucker isn't the person everyone else sees. He carries a mountain of secrets which she suspects hold the reason for his self-destructive behavior.
