Biggest change: the latest introduction of the 100% health insurance contribution will require most employers to take a leap that traditionally only big firms could. The average firm will have to pay 10% of the change to workers. This depends on firms' financial standing. Firms, especially companies with small and medium-sized plants, will benefit as a relatively small-scale firm.

As a result, the 1000+ authors (including all authors) in these 100 papers are all the authors of the 100 papers. This is a very unusual situation in the history of science, and it is a very unusual situation in the history of science.
