how the God of the Bible differs from the Islamic Allah How does a covenant keeping God interact in the divine human relationship In what ways does a contract demanding Allah vary from biblical truth This comparative religious exploration will equip Christians to clarify the difference Searching Below the Surface A Deeper look at Covenant and Contract prepares the reader to present biblical truths by exposing Muslim ideas The book unearths the often unseen perspectives of a covenant God called Yahweh and a deity prone to contract Allah The book seeks to answer these questions How does Yahweh's Oneness promote covenant understanding How do Muslims define the Absolute Oneness of Allah How do the Creation accounts in the Bible and Quran reflect theology In what ways does Islam ignore a covenant ethos What are the implications of covenant and contract when applied to marriage Since covenant marriage patterns divine oneness in how spouses relate and share sacrificially this mode of marriage mirrors the character of the biblical God Marriage in the Bible reflects a relationship found in the divine Godhead and how he interacts with believers Nakhati Jon skillfully searches below the surface to understand the roots of the thinking of our Muslim friends and neighbors and Christians Patrick Cate Ph D In a covenant marriage the husband and wife become one which means more than physical oneness but a mystical spiritual unity that reflects the Trinity of Oneness Nakhati Jon Oneness describes the Islamic idea concerning deity but undermines the ideas of Islamic marriage Nakhati Jon Excerpt On another scorching sweltering day in Central Asia we traveled to the capital in our rented taxi As per custom my wife sat in the back with our kids while I sat in the front chatting with the driver Dust and welcome air flew in through the open windows and we talked loudly to drown out the wind Then the inevitable conversation began Driver Central Asian women are beautiful aren't they My back prickled in response to my wife's almost palpable eye roll Me My wife is beautiful Driver You should get a second wife I felt my wife rethinking pacifism Me Emphatically God is one Therefore I will have only one wife Driver Oh this is true Pause Does your wife speak the language Me Fluently And she doesn't like what you're saying Years later my wife confessed she had ignored the illogic of the One God one wife statement in return for its success as a conversation stopper But in researching I happily discovered my shot at philosophy had been logical after all In fact my bit of accidental wisdom carried foundational truths about Yahweh's nature his relationship with man and his plan for marriage
