Alamut Vladimir Bartol

Metka Hauptman, Janez Vrečko

Alamut Vladimir Bartol:

Alamut Vladimir Bartol, 2012-12-18 Alamut takes place in 11th Century Persia in the fortress of Alamut where self proclaimed prophet Hasan ibn Sabbah is setting up his mad but brilliant plan to rule the region with a handful of elite fighters who are to become his living daggers By creating a virtual paradise at Alamut filled with beautiful women lush gardens wine and hashish Sabbah is able to convince his young fighters that they can reach paradise if they follow his commands With parallels to Osama bin Laden Alamut tells the story of how Sabbah was able to instill fear into the ruling class by creating a small army of devotees who were willing to kill and be killed in order to achieve paradise Believing in the supreme Ismaili motto Nothing is true everything is permitted Sabbah wanted to experiment with how far he could manipulate religious devotion for his own political gain through appealing to what he called the stupidity and gullibility of people and their passion for pleasure and selfish desires The novel focuses on Sabbah as he unveils his plan to his inner circle and on two of his young followers the beautiful slave girl Halima who has come to Alamut to join Sabbah's paradise on earth and young ibn Tahir Sabbah's most gifted fighter As both Halima and ibn Tahir become disillusioned with Sabbah's vision their lives take unexpected turns Alamut was originally written in 1938 as an allegory to Mussolini's fascist state In the 1960s it became a cult favorite throughout Tito's Yugoslavia and in the 1990s during the Balkan's War it was read as an allegory of the region's strife and became a bestseller in Germany France and Spain Following the attacks of September 11 2001 the book once again took on a new life selling more than 20 000 copies in a new Slovenian edition and being translated around the world in more than 19 languages This edition translated by Michael Biggins in the first ever English translation

Eros and ecstasy Tatjana Petzer, 2003 **The Crusades and the Far-Right in the Twenty-First Century** Charlotte Gauthier, 2024-09-04 Engaging the Crusades is a series of concise volumes up to 50 000 words which offer initial windows into the ways in which the crusades have been used in the last two centuries demonstrating that the memory of the crusades is an important and emerging subject Together these studies suggest that the memory of the crusades in the modern period is a productive exciting and much needed area of investigation This volume explores how crusading rhetoric iconography and historiography have been purposed by far right nationalist and related groups in the recent past through case studies as varied as Brenton Tarrant who killed 51 people at a mosque and Islamic centre in New Zealand in March 2019 a modern American military order that uses memes to recruit members and spread its ideology and the bestselling video game Assassin's Creed As nationalist and far right ideologies have gained adherents in Europe and the Americas understanding how ideologues have misused the crusading past for their own ends is more important than ever The Crusades and the Far Right in the Twenty First Century is useful for all students and scholars interested in the intersection between the history of the crusades and far right ideology in the modern age *Ethical Teachings of Abū Ḥāmid al-Ghazālī* Sami Al-Daghistani, 2021-02-26 This book studies the interplay of economic philosophy and moral conduct as reflected in the

writings of one of the most renowned scholars in Islamic history Abū al-Muʿammad ibn Muʿammad al-Ghazālī d. 1111. As is well known, Imām al-Ghazālī nicknamed the proof of Islam contributed immensely to Islamic theology, philosophy, and Sufism or Islamic mysticism, ta'awwuf. Strikingly enough, al-Ghazālī also made seminal contributions to the field of economic thought, but this contribution has been largely neglected, although al-Ghazālī dedicated many chapters to what he considered just and Shar'a-based economic conduct in Muslim society. This book aims to analyse and revive al-Ghazālī's understudied contribution to economic thought by emphasizing his economic philosophy and its correlation between Shar'a's moral law and the tradition of ta'awwuf, as well as to situate his thought within the context of modern economic theories.

Existentialism and the High Tech Drifter II Miquel Cervantes, 2021-07-27
DESCRIPTION An Astronomy Club from Ohio goes on a road trip in search of UFO's, Spirituality, and Personal Relationships. This eclectic group finds themselves through mythology, mysticism, and humor. The story travels from the Sycamore Run Lake Park and Campground and Hannah's Pit Stop to campgrounds and other roadside diners. Breakfast at the Truck Stop Buffet in Kansas City, Missouri. Camping in Colorado, New Mexico, Utah, and Arizona. From the Big Bang and Evolution to themes of Sci-Fi, the Occult, and Psychedelics. Ancient Architecture and Religion to Art, Music, Film, and Video Games. Contemporary Culture, Buddhism, Native Americans, and Neo-Paganism. Everyday working people, rockers, ravers, and rappers.
INTRODUCTION The Project Starlight Astronomy Club meets twice a month from the Spring through Autumn months. They meet at a local park in Southeast Ohio. It's an eclectic group of young and old Astronomy nerds, students, working people, spiritualists, and young professionals. The group is led by a COLLEGE PROFESSOR. He is semi-retired Physics professor with a Ph.D. in Philosophy. He is assisted by STUDENT 1, a Mathematics and Computer Science major. A GHOST HUNTER, a Carpenter originally from Kentucky, organizes the events and runs the website. It's the week before the start of summer. And this week the group meets for the celestial event Jupiter in a Triangle. Jupiter, the moon, and the red star Antares will form a celestial triangle on June shortly after sunset. Southeast from the waxing gibbous moon positions into a triangle with brilliant Jupiter and Antares, the brightest star in the constellation Scorpius. By the next evening, the moon will be nearly full and will jump to the other side of Jupiter, re-forming the triangle into a brilliant celestial arc. 484 Pages

Literary Wonderlands Laura Miller, 2016-11-01
A glorious collection that delves deep into the inception, influences, and literary and historical underpinnings of nearly 100 of our most beloved fictional realms. Literary Wonderlands is a thoroughly researched, wonderfully written, and beautifully produced book that spans four thousand years of creative endeavor. From Spenser's The Fairie Queene to Wells's The Time Machine to Murakami's 1Q84, it explores the timeless and captivating features of fiction's imagined worlds, including the relevance of the writer's own life to the creation of the story, influential contemporary events and philosophies, and the meaning that can be extracted from the details of the work. Each piece includes a detailed overview of the plot and a Dramatis Personae. Literary Wonderlands is a fascinating read for lovers of literature, fantasy, and science.

fiction Laura Miller is the book's general editor Co founder of Salon.com where she worked as an editor and writer for 20 years she is currently a books and culture columnist at Slate A journalist and a critic her work has appeared in the New Yorker Harper's the Guardian and the New York Times Book Review where she wrote the Last Word column for two years She is the author of *The Magician's Book: A Skeptic's Adventures in Narnia* and editor of the Salon.com Reader's Guide to Contemporary Authors

1001 Books You Must Read Before You Die Peter Boxall, 2012-01-10 Completely revised and updated to include the most up to date selections this is a bold and bright reference book to the novels and the writers that have excited the world's imagination This authoritative selection of novels reviewed by an international team of writers critics academics and journalists provides a new take on world classics and a reliable guide to what's hot in contemporary fiction Featuring more than 700 illustrations and photographs presenting quotes from individual novels and authors and completely revised for 2012 this is the ideal book for everybody who loves reading

The Ismaili Assassins James Waterson, 2008-10-30 A fascinating history The Medieval conflict between Christians and Muslims has many similarities to the Middle East today Firetrench The Ismaili Assassins were an underground group of political killers who were ready to kill Christians and Muslims alike with complete disregard for their own lives Under the powerful control of an enigmatic grand master these devoted murderers often slayed their victims in public cultivating their terrifying reputation They assumed disguises and their weapon of choice was a dagger The dagger was blessed by the grand master and killing with it was a holy and sanctified act poison or other methods of murder were forbidden to the followers of the sect Surviving a mission was considered a deep dishonor and mothers rejoiced when they heard that their Assassin sons had died having completed their deadly acts Unsurprisingly their formidable reputation spread far and wide In 1253 the Mongol chiefs were so fearful of them that they massacred and enslaved the Assassins women and children in an attempt to liquidate the sect The English monarch Edward I was nearly dispatched by their blades and Richard the Lionheart's reputation was sullied by his association with the Assassins murder of Conrad of Montferrat The Ismaili Assassins explores the origins actions and legacy of this notorious sect Enriched with eyewitness accounts from Islamic and Western sources this important book unlocks the history of the Crusades and the early Islamic period giving the reader entry into a historical epoch that is thrilling and pertinent An inherently fascinating deftly written and impressively informative read from beginning to end Midwest Book Review

The Knights Templar Tony McMahon, 2025-03-31 Explores the history legacy and mysteries of the Knights Templar from their valor in battle to their brutal downfall The Knights Templar have fascinated us for centuries They were holy warriors who fought with incredible bravery in the Crusades but were then destroyed by their own side In battle they were the bravest knights first on the battlefield and the last to quit Charging towards the enemy with their white cloaks emblazoned with the red cross of martyrdom Every young man in medieval Europe yearned to be a Knight Templar The reality though could be tough Battles fought against fearsome foes sometimes resulted in terrible defeat with a huge loss of life The Templars were

always the target of jealousy and hatred because of their military prowess financial acumen and strict organisation Eventually their enemies got the better of them Not the Saracens they had fought in the Holy Land but kings and bishops back home The Templars were accused of bizarre initiation rituals and heretical beliefs Many were executed for the sole crime of being a Templar But their memory was not extinguished It has endured Today millions of people still want to understand the history and mystery of the Knights Templar Is it true they possessed the Holy Grail Why were they destroyed so brutally This book sets out to find the answers **In the Shadow of 'just Wars'** Médecins sans frontières (Association),2004 Essays written by scholars journalists and humanitarian relief workers look at humanitarian crises of the past five years for their successes and failures and suggest that humanitarian action has often failed to live up to its ideals These essays expose the shortcomings of the various humanitarian organizations particularly the U N and illuminate the complex moral and political debate that surrounds even the most basic relief operations *Worlding a Peripheral Literature* Marko Juvan,2019-10-12 Bringing together the analyses of the literary world system translation studies and the research of European cultural nationalism this book contests the view that texts can be attributed global importance irrespective of their origin language and position in the international book market Focusing on Slovenian literature almost unknown to world literature studies this book addresses world literature s canonical function in the nineteenth century process of establishing European letters as national literatures Aware of their dependence on imperial powers semi peripheral national movements sought international recognition through among other things the newly invented figure of the national poet Writers central to dependent national communities were canonized to represent their respective cultures to the norm giving Other the emerging world literary canon and its aesthetic ideology Hence national literatures asserted their linguo cultural individuality through the process of worlding that is by their positioning in the international literary world informed by the supposed universality of the aesthetic **Fictioning** David Burrows,2019-01-22 In this extensively illustrated book containing over 80 diagrams and images of artworks David Burrows and Simon O Sullivan explore the process of fictioning in contemporary art through three focal points performance fictioning science fictioning and machine fictioning Slovenia Robin McKelvie,Jenny McKelvie,2005 A full length guide to this little known corner of Europe once part of the larger republic of Yugoslavia but now an independent country in its own right In addition to full practical information and extensive coverage of the capital Ljubljana the Bradt guide explores those areas off the beaten track including wine growing regions **Playing the Crusades** Robert Houghton,2021-03-15 Engaging the Crusades is a series of volumes which offer windows into a newly emerging field of historical study the memory and legacy of the crusades Together these volumes examine the reasons behind the enduring resonance of the crusades and present the memory of crusading in the modern period as a productive exciting and much needed area of investigation This volume considers the appearance and use of the crusades in modern games demonstrating that popular memory of the crusades is intrinsically and mutually linked with the design and play of

these games The essays engage with uses of crusading rhetoric and imagery within a range of genres including roleplaying action strategy and casual games and from a variety of theoretical perspectives drawing on gender and race studies game design and theory and broader discussions on medievalism Cumulatively the authors reveal the complex position of the crusades within digital games highlight the impact of these games on popular understanding of the crusades and underline the connection between the portrayal of the crusades in digital games and academic crusade historiography Playing the Crusades is invaluable for scholars and students interested in the crusades popular representations of the crusades historical games and collective memory
