Alas Babylon Pat Frank:

Alas, Babylon Pat Frank,1976 A story of a group of people who rely on their own courage and ingenuity to survive in a town which escaped nuclear bombing Alas, Babylon Pat Frank,2025-03-18 An extraordinary real picture of human beings numbed by catastrophe but still driven by the unconquerable determination of living creatures to keep on being alive The New Yorker The classic apocalyptic novel by Pat Frank first published in 1959 at the height of the Cold War with an introduction by award winning science fiction writer and scientist David Brin *Alas Babylon* With those fateful words the world as we knew it ended When the unthinkable nightmare of nuclear holocaust ravaged the United States it was instant death for tens of millions of people for survivors it was a nightmare of hunger sickness and brutality In an instant a thousand years of civilization were stripped away But for one small Florida town spared against all odds the struggle was just beginning as men and women of all ages and races found the courage to join together and push against the darkness Pat Frank's classic disaster novel first published in 1959 at the height of the Cold War remains prescient in its vision and immediate in its horror

Alas, Babylon Pat Frank,1999 The explosive bestselling classic about a small town spared the destruction of nuclear holocaust is now available in a trade paper edition *Alas, Babylon : [novel]* Pat Frank,1977 *Forbidden Area* Pat Frank,2021-02-04 From the author of the post apocalyptic classic *Alas Babylon* comes this eerie cold war thriller A young teenage couple having a rendezvous one night on a beach in Florida suddenly sees a submarine emerge from the ocean Armed soldiers disembark the vessel and a Buick drives off its landing ramp For Henry Hazen who is scheduled to ship out to an army training camp the next day the sight leaves him uneasy but he tells no one what he has witnessed Katherine Hume is the only woman working for the Pentagon's Atomic Energy Commission From intelligence they have gathered she and her team are convinced the Russians are poised to conduct a nuclear attack on the U S on or shortly before Christmas But convincing their superiors an attack is imminent is proving far more difficult than she could have imagined even after several stealth fighter planes and their pilots go missing over the Gulf Banker Robert Gumol sees all the signs that the big attack is finally coming As a reluctant spy for the Russians Gumol's loyalties lie more with his adopted country than his motherland Deciding to take the next flight to Havana he risks being executed by the Russians if his betrayal is discovered but he is willing to put it all on the line for a chance at freedom With the clock ticking the fate of America hangs by a very thin thread A classic of science fiction that is a cautionary tale of the dangers of nuclear power *Forbidden Area* is as timely today as it was when it was first published in 1958 **An Affair of State** Pat Frank,2022-07-21 *An Affair of State* presents an absorbing political thriller written at the dawn of the Cold War It is an insightful and thought provoking story of young Frank Jeff Baker who comes out of World War II determined to work for the State Department After he lands his assignment in 1949 he becomes the third secretary of the US embassy in Budapest This work is a romance and a biting satire Pat Frank's writing and sense of detail take readers back to a time of conspiracy and suspense Alas, Babylon Pat Frank,1961 *Pat*

The Spectre of Defeat in Post-War British and US Literature

David Owen,Cristina Pividori,2021-01-22 It is a commonplace belief that history is written by the victorious However less recognised but equally common is the idea that the defeated also write history even if their particular account is rather different This collection looks at these matters from a novel and distinct perspective It essentially presents the idea that victors often perceive themselves as defeated by examining the ways in which the idea of defeat comes to dominate the victors own sense of superiority and achievement thereby undermining the certainties that victory is conventionally thought to create The contributions here discuss fiction mostly UK and US published since the First World War Through the frameworks of experience memory and post memory they examine this subliminal defeat basically as seen in conflict itself in the societies that it affects and in the individual lives of those who it destroys The result is an innovative literary account of the victorious yet somehow defeated
