

AFTER.

The background image is a dramatic, apocalyptic scene. In the foreground, a lone figure stands on a dark, silty shore, their back to the viewer. They are looking out over a body of water towards a city in the distance. The city is engulfed in flames, with bright orange and yellow fire visible through the smoke. Several massive, billowing plumes of white and grey smoke rise from the city, filling the upper half of the frame and obscuring the sky. The overall color palette is dominated by the warm tones of the fire and the cool, dark tones of the smoke and foreground.
