JR Anderson

Aging And Diversity An Active Learning Experience 2nd Edition:

Aging and Diversity Ph.D. Chandra Mehrotra, Lisa Smith Wagner, 2018-09-03 As the older population in the United States is becoming more racially and ethnically diverse it is important to understand the characteristics the potential and the needs of this population In this new and fully revised edition of Aging and Diversity Chandra Mehrotra and Lisa Wagner address key topics in diversity and aging discussing how the aging experience is affected by not only race and ethnicity but also gender religious affiliation social class rural urban community location and sexual orientation and gender identity Taking this broad view of human diversity allows the authors to convey some of the rich complexities facing our aging population complexities that provide both challenges to meet the needs of a diverse population of elders and opportunities to learn how to live in a pluralistic society Mehrotra and Wagner present up to date knowledge and scholarship about aging and diversity in a way that engages readers in active learning placing ongoing emphasis on developing readers knowledge and skills fostering higher order thinking and encouraging exploration of personal values and attitudes

Aging and Diversity Stephen Fried, Chandra Mehrotra, 1998 Continuing diversification demands that students of gerontology and service providers for the elderly learn how factors such as ethnicity gender social class and religion affect aging This book argues that education and gerontology need to be taught from a multi cultural perspective

Diversity and Inclusion in Sport Organizations George B. Cunningham, 2019-01-30 Diversity and Inclusion in Sport Organizations A Multilevel Perspective is a comprehensive introduction to the ways in which people differ including race gender age mental and physical ability appearance religion sexual orientation and social class and the importance of these differences for sport organizations It offers strategies for managing diversity in work and sport environments and provides an overview of diversity training that can be implemented in the workplace Grounded in research and theory and outlining best practice this fully updated and revised edition includes more international examples and expanded coverage of topics such as critical disability studies women of color and lesbian gay bisexual transgender queer intersex issues as well as useful teaching and learning features in every chapter and additional online resources This is important reading for students working in the fields of sport business sport management sport development or sport coaching HR management in sport sport in society sport participation ethical leadership in sport or introductory sport management courses

Diversity, Equity, and Inclusion at Work George B. Cunningham, 2023-10-10 Diversity Equity and Inclusion at Work is a comprehensive accessible text focusing on DEI and how they influence employees access to work their experiences in the workplace and the outcomes for teams and organizations The book examines the differences in opportunities and experiences among different groups as well as the ways managers can create more diverse equitable and inclusive workplaces The book takes a multilevel approach and breaks down the issues to consider the micro meso and macro level factors of DEI The book is structured around three parts The first section offers an overview of the foundations of DEI including an overview and its relevance for aspiring managers theoretical tenets of

diversity research in the area and the constructs of bias In the second section the author examines the various forms of diversity including race gender age disability appearance sexual orientation and gender identity religion and social class The final part supports the reader in thinking through strategies for reducing bias creating diverse and inclusive workplaces and ways organizations can impact the DEI in their communities Pedagogical features include the following DEI at Work cases to open each chapter DEI in Practice to connect theory to real life examples Different Point of View boxes to present alternative perspectives Expert Perspectives to hear from professionals in the field Further reading and web resources to take extended learning opportunities Review questions to test knowledge
