

YOU WILL ALWAYS BE MY DREAM

You will always be the dream that I'll never get
tired of asking for

the dream I want to dream every night

the dream I want to live every morning

and the dream that keeps me dreaming

LONG DISTANCE

I realized that distance was never the problem

it was always the person

the person who didn't want to commit to calling or visiting

the person who used distance as an excuse to get out of
commitment altogether

but you give distance meaning

you give distance intimacy

because even though you're far away

I can still feel you closer than anyone here

and I'd rather stay home talking to you on the phone

than spend the night in the arms of someone else

All The Words I Should Have Said

Sir Norman Lockyer

All The Words I Should Have Said:

The Words I Should Have Said D.E. Hancox, 2017-09-04 Cooper McCallan is your average popular jock early in life As he matures he finds a love for writing poetry and for the girl across the street A love he keeps hidden from everyone close to him That is until he decides he can not hold it in any longer He begins submitting poems anonymously to the local newspaper To his surprise his best friend and the secret love of his life Ansley Montgomery falls in love with the mysterious poet s words This begins Cooper s crazy journey to help Ansley track down the poet This leads them down an uncharted path during which both become involved in a string of bad relationships While struggling to find a way to tell her he is in fact the anonymous poet Cooper fears he may risk ruining their friendship He must decide if he should risk everything or keep his feelings hidden and remain in the friend zone forever
