H. V. Bowen, Elizabeth Mancke, John G. Reid

Almost A Miracle The American Victory In War Of Independence:

Almost A Miracle John Ferling, 2007-06-04 In this gripping chronicle of America's struggle for independence award winning historian John Ferling transports readers to the grim realities of that war capturing an eight year conflict filled with heroism suffering cowardice betrayal and fierce dedication As Ferling demonstrates it was a war that America came much closer to losing than is now usually remembered General George Washington put it best when he said that the American victory was little short of a standing miracle *Almost a Miracle* offers an illuminating portrait of America's triumph offering vivid descriptions of all the major engagements from the first shots fired on Lexington Green to the surrender of General Cornwallis at Yorktown revealing how these battles often hinged on intangibles such as leadership under fire heroism good fortune blunders tenacity and surprise Ferling paints sharp eyed portraits of the key figures in the war including General Washington and other American officers and civilian leaders Some do not always measure up to their iconic reputations including Washington himself The book also examines the many faceless men who soldiered often for years on end braving untold dangers and enduring abounding miseries The author explains why they served and sacrificed and sees them as the forgotten heroes who won American independence

Almost a Miracle John E. Ferling, In this gripping chronicle of America's struggle for independence award winning historian John Ferling transports readers to the grim realities of that war capturing an eight year conflict filled with heroism suffering cowardice betrayal and fierce dedication *The War of American Independence, 1763-1783* Stanley D. M. Carpenter, Kevin J. Delamer, James R. McIntyre, Andrew T.

Zwilling, 2023-02-15 *The War of American Independence 1763 1783* Falling Dominoes addresses the military maritime and naval economic key personalities key societal groups political imperial rivalry and diplomatic dynamics and events from the post Seven Years War era in Great Britain's North American colonies through the end of the War of American Independence Beginning in 1763 and moving through the war chronologically the authors argue that British political and strategic leaders failed to develop an effective strategy to quell the discontent and subsequent revolt in the North American colonies and thus failed to restore allegiance to the Crown This book describes and analyzes events and the outcomes of central players decisions the British North American colonies Great Britain France Spain and the Dutch Republic and the resultant actions It examines events through the thematic lens of strategy political and military leadership public attitudes economics international rivalries and relations and the role of traditionally less considered groups women slaves and Native American peoples This book is an enlightening and essential read for all history students from high school through to those on postgraduate courses as well as those with an interest in the American Revolution

Strategy in the American War of Independence Donald Stoker, Kenneth J. Hagan, Michael T. McMaster, 2009-10-16 This book examines the strategies pursued by the Colonies and the other combatants in the American War for Independence placing the conflict in its proper global context Many do not realize the extent to which the 1775 colonial rebellion against British rule escalated into a global

conflict Collectively this volume examines the strategies pursued by the American Colonies Great Britain France Spain and Holland and the League of Armed Neutrality placing the military naval and diplomatic elements of the struggle in their proper global context Moreover assessing how each nation prosecuted their respective wars provides lessons for current students of strategic studies and military and naval history This book will be of great interest to students of strategic studies American history Military History and political science in general Donald Stoker is Professor of Strategy and Policy for the US Naval War College s Monterey Program in Monterey California He joined the Strategy and Policy faculty in 1999 and has taught both in Monterey and Newport Kenneth J Hagan Professor Emeritus the U S Naval Academy is currently Professor of Strategy and Policy for the U S Naval War College s Monterey Program Michael T McMaster is a Professor at the U S Naval War College in Monterey He is a retired U S Navy Commander

The Battles of Kings Mountain and Cowpens Melissa A. Walker,2013-02-11 The American South is so identified with the Civil War that people often forget that the key battles from the final years of the American Revolution were fought in Southern states The Southern backcountry was the center of the fight for independence but backcountry devotion to the Patriot cause was slow in coming Decades of animosity between coastal elites and backcountry settlers who did not enjoy accurate representation in the assemblies meant a complex political and social milieu throughout this turbulent time The Battles of Kings Mountain and Cowpens brings to light the world of the Southern backcountry that engendered its role in the Revolutionary War With careful attention to political social and military history Walker concentrates on the communities and events not typically covered in books on the Revolutionary War Through government documents autobiographies correspondence and diaries The Battles of Kings Mountain and Cowpens gives students of the Revolution an important new perspective on the role of the South in the resolution of the fighting

Britain's Oceanic Empire H. V. Bowen,Elizabeth Mancke,John G. Reid,2012-05-31 A comparative study of how the British managed the expansion of empire in the Atlantic and Indian Ocean

Independence John Ferling,2011-06-15 No event in American history was more pivotal or more furiously contested than Congress s decision to declare independence in July 1776 Even months after American blood had been shed at Lexington and Concord many colonists remained loyal to Britain John Adams a leader of the revolutionary effort said bringing the fractious colonies together was like getting thirteen clocks to strike at once Other books have been written about the Declaration but no author has traced the political journey from protest to Revolution with the narrative scope and flair of John Ferling Independence takes readers from the cobblestones of Philadelphia into the halls of Parliament where many sympathized with the Americans and furious debate erupted over how to deal with the rebellion Independence is not only the story of how freedom was won but how an empire was lost At this remarkable moment in history high stakes politics was intertwined with a profound debate about democracy governance and justice John Ferling drawing on a lifetime of scholarship brings this passionate struggle to life as no other historian could Independence will be hailed as the finest work yet from the author Michael Beschloss calls a national resource

Whirlwind

John Ferling, 2016-05-10 Written in the authoritative and narrative driven style that made his books *The Ascent of George Washington* and *Jefferson and Hamilton* critical and commercial successes John Ferling's *Whirlwind* will become the definitive history of the American Revolution for our time A master historian and superb teller of history Ferling illuminates the years 1763 to 1783 from the end of the French and Indian War that left England triumphant in North America to the signing of the Treaty of Paris in September 1783 and the final departure of British troops from New York City in November of that year Ferling is as astute at analyzing the causes and politics of the American Revolution as he is skilled at narrating the battles of the Revolutionary War With original insight he chronicles the myriad and complex events and contentious viewpoints that drove Americans in their insurgency against Great Britain and sustained them in the seemingly quixotic belief that they could win their independence He takes us to the halls of power in Parliament and the streets of London to view the Revolution from all British perspectives He presents the individual battles from Lexington and Concord to Yorktown in a fresh and dramatic new light With a wide scope and penetrating insight embracing characters both celebrated and unknown John Ferling brings the most important event in America's history to a new generation of American readers

Renegade Revolutionary Phillip Papas, 2014-04-11 Honorable Mention for the 2015 Book Award from the American Revolution Round Table of Richmond Honorable Mention for the 2015 Fraunces Tavern Museum Book Award In November 1774 a pamphlet to the People of America was published in Philadelphia and London It forcefully articulated American rights and liberties and argued that the Americans needed to declare their independence from Britain The author of this pamphlet was Charles Lee a former British army officer turned revolutionary who was one of the earliest advocates for American independence Lee fought on and off the battlefield for expanded democracy freedom of conscience individual liberties human rights and for the formal education of women *Renegade Revolutionary The Life of General Charles Lee* is a vivid new portrait of one of the most complex and controversial of the American revolutionaries Lee's erratic behavior and comportment his capture and more than one year imprisonment by the British and his court martial after the battle of Monmouth in 1778 have dominated his place in the historiography of the American Revolution This book retells the story of a man who had been dismissed by contemporaries and by history Few American revolutionaries shared his radical political outlook his cross cultural experiences his cosmopolitanism and his confidence that the American Revolution could be won primarily by the militia or irregulars rather than a centralized regular army By studying Lee's life his political and military ideas and his style of leadership we gain new insights into the way the American revolutionaries fought and won their independence from Britain

Scars of Independence Holger Hoock, 2018-05-08 A NEW YORK TIMES BOOK REVIEW EDITORS CHOICE A magisterial new work that rewrites the story of America's founding The American Revolution is often portrayed as an orderly restrained rebellion with brave patriots defending their noble ideals against an oppressive empire It's a stirring narrative and one the founders did their best to encourage after the war But as historian Holger Hoock shows in this deeply researched

and elegantly written account of America's founding the Revolution was not only a high minded battle over principles but also a profoundly violent civil war one that shaped the nation and the British Empire in ways we have only begun to understand In *Scars of Independence* Hoock writes the violence back into the story of the Revolution American Patriots persecuted and tortured Loyalists British troops massacred enemy soldiers and raped colonial women Prisoners were starved on disease ridden ships and in subterranean cells African Americans fighting for or against independence suffered disproportionately and Washington's army waged a genocidal campaign against the Iroquois In vivid authoritative prose Hoock's new reckoning also examines the moral dilemmas posed by this all pervasive violence as the British found themselves torn between unlimited war and restraint toward fellow subjects while the Patriots documented war crimes in an ingenious effort to unify the fledgling nation For two centuries we have whitewashed this history of the Revolution *Scars of Independence* forces a more honest appraisal revealing the inherent tensions between moral purpose and violent tendencies in America's past In so doing it offers a new origins story that is both relevant and necessary an important reminder that forging a nation is rarely bloodless

Politically Incorrect Guide to the American Revolution Larry Schweikart, Dave Dougherty, 2017-06-26 The truth about the American Revolution is under attack Despite what you may have learned in school it wasn't a rich slaveholder's war fought to maintain white privilege In fact the War of Independence wasn't about maintaining any status quo it was the world's first successful bottom up revolution by the people ushering in a new dawn of liberty that history had never seen before But with left wingers dominating the teaching of history where can you go for the true story of the unprecedented events that made the United States the world's greatest nation Now bestselling historian Larry Schweikart has teamed up with author Dave Dougherty to write the ground breaking patriotic history you've always wanted to read about the foundation of our unique nation The *Politically Incorrect Guide to the American Revolution* reveals Four key factors that applied only in America making it impossible to replicate the Revolution anywhere else Why it matters that the Patriot fighting force was overwhelmingly Scotch Irish The key role of Protestantism which denominations tended to become Patriots and which Tories How Americans were different from the Europeans and English even at the outset of the Revolution How the casualties of the deadliest war in American history are routinely underreported How our Revolution became a model for hundreds of others that all failed Schweikart and Dougherty take on the left wing myths starting with the Marxist narrative of the Revolution in Howard Zinn's nearly ubiquitous *A People's History of the United States* and uncover the truth about America's beginning

[Winning Independence](#) John Ferling, 2021-05-11 Co Winner of the 2022 Harry M Ward Book Prize From celebrated historian John Ferling the underexplored history of the second half of the Revolutionary War when after years of fighting American independence often seemed beyond reach It was 1778 and the recent American victory at Saratoga had netted the U S a powerful ally in France Many including General George Washington presumed France's entrance into the war meant independence was just around the corner Meanwhile having lost an entire army at

Saratoga Great Britain pivoted to a southern strategy The army would henceforth seek to regain its southern colonies Virginia North Carolina South Carolina and Georgia a highly profitable segment of its pre war American empire Deep into 1780 Britain s new approach seemed headed for success as the U S economy collapsed and morale on the home front waned By early 1781 Washington and others feared that France would drop out of the war if the Allies failed to score a decisive victory that year Sir Henry Clinton commander of Britain s army thought the rebellion is near its end Washington who had been so optimistic in 1778 despaired I have almost ceased to hope Winning Independence is the dramatic story of how and why Great Britain so close to regaining several southern colonies and rendering the postwar United States a fatally weak nation ultimately failed to win the war The book explores the choices and decisions made by Clinton and Washington and others that ultimately led the French and American allies to clinch the pivotal victory at Yorktown that at long last secured American independence

Apostles of Revolution John Ferling, 2018-05-15 From acclaimed historian John Ferling the story of Thomas Jefferson Thomas Paine and James Monroe s involvement in the American and French Revolutions and their quest for sweeping change in both America and Europe Thomas Jefferson Thomas Paine and James Monroe hazarded all in quest of revolutions As founding fathers they risked their lives and their liberty for American independence and as reformers each rejoiced at the opportunity to be part of the French Revolution praying that it in turn would inspire others to sweep away Europe s monarchies and titled nobilities For these three men real revolution would lead to substantive political and social alterations and an escape from royal and aristocratic rule But as the eighteenth century unfolded these three separated onto different routes to revolution two became soldiers two became writers and two became statesmen and their united cause but divided means reshaped their country and the Western world *Apostles of Revolution* spans a crucial time in Western Civilization The era ranged from the American insurgency against Great Britain to the Declaration of Independence from desperate engagements on American battlefields to the bloody Terror in France It culminates with the tumultuous election of 1800 the outcome of which according to Jefferson saved the American Revolution Written as a sweeping narrative of a turbulent and pivotal era *Apostles of the Revolution* captures the spirit of our founding fathers and the history of America and Europe s great turning point

God on Three Sides Jonathan M. Wilson, 2019-09-30 Do people who follow the same religion the same way also make the same political choices Even if that might not be always true is it true enough that it should be treated as an axiom in America s popular culture *God on Three Sides* explores two communities where ethnic Germans in early America followed the same religion in the same way but within each community held very different views regarding the political issues of the eighteenth century The political issues in focus are what surfaced in the crises of the wars against the French the engagement with indigenous peoples and the American Revolution

William Livingston's American Revolution James J. Gigantino II, 2018-09-11 William Livingston s *American Revolution* explores how New Jersey s first governor experienced the American Revolution and managed a state government on the war s front lines A wartime bureaucrat

Livingston played a pivotal role in a pivotal place prosecuting the war on a daily basis for eight years. Such second tier founding fathers as Livingston were the ones who actually administered the war and guided the day to day operations of revolutionary era governments serving as the principal conduits between the local wartime situation and the national demands placed on the states. In the first biography of Livingston published since the 1830s James J. Gigantino's examination is as much about the position he filled as about the man himself. The reluctant patriot and his roles as governor, member of the Continental Congress and delegate to the Constitutional Convention quickly became one as Livingston's distinctive personality molded his office's status and reach. A tactful politician, successful lawyer, writer, satirist, political operative, gardener, soldier, and statesman, Livingston became the longest serving patriot governor during a brutal war that he had not originally wanted to fight or believed could be won. Through Livingston's life, Gigantino examines the complex nature of the conflict and the choice to wage it, the wartime bureaucrats charged with administering it, the constant battle over loyalty on the home front, the limits of patriot governance under fire, and the ways in which wartime experiences affected the creation of the Constitution.

Colonial Ports, Global Trade, and the Roots of the American Revolution (1700 — 1776) Jeremy Land, 2023-07-24. This title is published in Open Access with the support of the University of Helsinki Library. This book takes a long run view of the global maritime trade of Boston, New York, and Philadelphia from 1700 to American Independence in 1776. Land argues that the three cities developed large global networks of maritime commerce and exchange that created tension between merchants and the British Empire, which sought to enforce mercantilist policies to constrain American trade to within the British Empire. Colonial merchants created and then expanded their mercantile networks well beyond the confines of the British Empire. This trans-imperial trade, often considered smuggling by British authorities, formed the roots of what became known as the American Revolution.

American Military History William Thomas Allison, Jeffrey G. Grey, Janet G. Valentine, 2020-04-28. Now in its third edition, *American Military History* examines how a country shaped by race, ethnicity, economy, regionalism, and power has been equally influenced by war and the struggle to define the role of a military in a free and democratic society. Organized chronologically, the text begins at the point of European conflict with Native Americans and concludes with military affairs in the early 21st century, providing an important overview of the military's role on an international, domestic, social, and symbolic level. The third edition is fully updated to reflect recent developments in military policy and the study of military history and war and society, thus providing students a foundational understanding of the American military experience. This book will be of interest to students of American history and military history. It is designed to allow instructors flexibility in structuring a course.

Almost A Miracle The American Victory In War Of Independence Introduction

In today's digital age, the availability of Almost A Miracle The American Victory In War Of Independence books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Almost A Miracle The American Victory In War Of Independence books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Almost A Miracle The American Victory In War Of Independence books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Almost A Miracle The American Victory In War Of Independence versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Almost A Miracle The American Victory In War Of Independence books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Almost A Miracle The American Victory In War Of Independence books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Almost A Miracle The American Victory In War Of Independence books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Almost A Miracle The American Victory In War Of Independence books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Almost A Miracle The American Victory In War Of Independence books and manuals for download and embark on your journey of knowledge?

FAQs About Almost A Miracle The American Victory In War Of Independence Books

1. Where can I buy Almost A Miracle The American Victory In War Of Independence books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
