[The Complete Idiot's Guide to Past Life Regression](#) Michael Hathaway,2003-09-02 A guide to the mysteries of your past In this fascinating book a board certified past life regression therapist goes beyond reincarnation and karma to reveal everything people want to know about the ins and outs of this phenomena This book covers Whether past life regression is for real What to expect from hypnosis Whether children are closer to their past lives than adults How knowledge of past lives can help resolve issues and improve the present

Thinking And Destiny Harold W. Percival,2002-04 In Thinking and Destiny something new although older than time is now made known to the world about Consciousness The information is largely about the makeup of the human where man comes from what becomes of him it explains what thinking is it tells how a thought is created and how thoughts are exteriorized into acts objects and events and how they make his destiny Destiny is thus shown to be self determined by thinking and the process of re existence and the after death states are told in detail A single reading of any one chapter of Thinking and Destiny brings rich rewards in new understanding of life s puzzling mysteries To read the entire book is to come nearer to knowledge of one s destiny and how to shape it than is possible through study of anything previously written in the English language Both the casually curious glancer at books and the most avid seeker for knowledge will be intrigued by the index which lists more than 400 subjects in Thinking and Destiny and by the fifteen chapter headings in the Table of Contents which identify the 156 sections The Foreword contains the only pages in which Mr Percival uses the first personal pronoun Here he relates some of the amazing experiences through which he was able to grasp the knowledge he transmits and to acquire the ability to do so
