Finance, Law, and the Crisis of COVID-19 Nadia Mansour, Lorenzo M. Bujosa Vadell, 2022-02-18 This book analyzes the impact of Covid 19 in different areas such as corporate social responsibility and legislation in SMEs insolvency law behavioral finance government interventions in markets financial disclosure the emergence of unregulated financial sectors the increase of coronavirus related crimes and the development of banking regulations in the Covid 19 pandemic among others The coronavirus epidemic which has spread throughout the world has highlighted the inadequacies of the health and social systems of all states even the most advanced The health emergency has required extraordinary measures especially at the level of laws that are essential for the preservation of lives health and livelihoods The priority for governments and even the international community was from the outset to prevent infections and care for those affected Such a strategy required an unusual increase in health spending even though it exceeded the State s financial capacity and lacked fiscal space In addition to this challenge which has not yet been overcome there is another that of redressing the consequences of the measures taken general containment It should be pointed out that during health crises the state may have to review the requirement for transparency because of the emergency but not free itself from it The urgency could never be an alibi for a violation of citizens rights and freedoms With urgency financial management systems must be flexible and responsive to all occurrences while ensuring optimal use of resources and minimizing the risks of fraud and corruption

Measuring and Controlling Sustainability Adam Lindgreen, Christine Vallaster, Dr. Shumaila Yousofzai, Bernhard Hirsch, 2018-09-03 Efforts to establish the measurement and control of sustainability have produced notable tools but those instruments lack applicability in practice Increasing the level of standardization of such tools also seems difficult to achieve because the contexts surrounding the focal organizations differ considerably Therefore what we need is a systematic

interdisciplinary assessment of how to measure and control sustainability so that we can establish an essential definition and up to date picture of the field Measuring and Controlling Sustainability attempts to provide such an assessment in 17 chapters organized into four main topic sections a organizations and social value creation concepts responsibilities and barriers b accounting measurement performance and diffusion of social value c practical and managerial insights from real life cases and d choices incentives guidance and ethics This research anthology provides a comprehensive collection of cutting edge theories and research that will further the development and advancement of measuring and controlling sustainable efforts in theory and managerial practice ACCA Approved - P2 Corporate Reporting (INT) (September 2017 to June 2018 exams) Becker Professional Education,2017-04-15 ACCA Approved and valid for exams from 01 Sept 2017 up to 30 June 2018 Becker s P2 Corporate Reporting INT Study Text has been approved and quality assured by the ACCA s examining team **International GAAP 2021** Ernst & Young LLP,2021-03-08 International GAAP 2021 International GAAP 2021 is a detailed guide to interpreting and implementing International Financial Reporting Standards IFRS By setting IFRS in a relevant business context it provides insights on how complex practical issues should be resolved in the real world of global financial reporting This book is an essential tool for anyone applying auditing interpreting regulating studying or teaching IFRS Written by EY financial reporting professionals from around the world this three volume guide to reporting under IFRS provides a global perspective on the application of IFRS The book explains complex technical accounting issues clearly by setting IFRS in a practical context with numerous worked examples and hundreds of illustrations from the published financial reports of major listed companies from around the world Volume 1 contains the following chapters and sections International GAAP The IASB s Conceptual Framework Presentation of financial statements and accounting policies Non current assets held for sale and discontinued operations First time adoption Consolidated financial statements Consolidation procedures and non controlling interests Separate and individual financial statements Business combinations Business combinations under common control Investments in associates and joint ventures Joint arrangements Disclosure of interests in other entities Fair value measurement Foreign exchange Hyperinflation Intangible assets Property plant and equipment Investment property Impairment of fixed assets and goodwill Capitalisation of borrowing costs Inventories Index of extracts from financial statements for all three volumes Index of standards for all three volumes Index for all three volumes This book is printed on acid free paper responsibly manufactured from well managed FSC certified forests and other controlled sources This material has been prepared for general informational purposes only and is not intended to be relied upon as accounting tax legal or other professional advice Please refer to your advisors for specific advice ey com igaap **Did Basel III miss the point? The role of IFRS's Other Comprehensive Income during the financial crisis** Kenneth Born,2017-01-09 The broad consensus before the recent financial crisis was that the so called fair value accounting FVA improves transparency contrary to the historical cost model Since 2008 the discussion has been on the root cause of the crisis which lessons can be

gleaned from it and how making the same mistakes again can be avoided Basel III was implemented in order to improve the regulatory environment and was the response of regulators and politicians to public pressure and suspicions raised by the bail out programmes for banks Consequently an until then inconceivable number of new regulations and regulatory bodies were introduced FVA was also blamed as part of the cause of the recent financial crisis Available for Sale AfS securities represent a major component of bank balance sheet asset Gains and losses of AfS positions are recorded within the Other Comprehensive Income OCI The OCI includes items which are not recognized IAS 1 7 in income statements but increase or decrease a bank s equity The items also include income and expenses from Available for Sale positions AfS in accordance with IAS 39 On October 13th 2008 an amendment to IAS 39 was published by IASB This amendment did authorize the reclassification of assets This amendment clearly demonstrates the influence of FVA on the value of assets of banks that apply IFRS The main objective of this book is to verify the influence of OCI and whether the new regulations sufficiently capture this critical factor Regulators should ensure that unrealized profits do not result in a capital drain One way to assure this is to make OCI subject to a prudential filter and to deduct it from regulatory capital which was the case until CRR became effective on January 1st 2014 CEBS guideline 2004 Basel III is even less strict than Basel II in that regard Article 26 1 CRR clearly states that CET1 items must be recognized only in case they are really available to the financial institution for unrestricted and immediate use to cover risks or losses as soon as these occur Nevertheless with the introduction of the CRR the prudential filter for positions that caused the financial crisis and led to poor capitalization of banks was not strengthened but actually removed At present CRR does not envisage any filter for unrealized gains parked in OCI
