Nasir Makr Hakim, Rose Hakim, 2008 How To Eat To Live Books 1 2 were first published in 1967 and 1972 respectively In these books Elijah Muhammad Messenger of Allah points out very clearly and decisively that it all is from Allah God in person He believes he met God in the form of a man and it is He who revealed the BEST knowledge of how to eat to live **Women and New and Africana Religions** Lillian Ashcraft-Eason, Darnise Martin, Oyeronke Olademo, 2009-10-27 This volume explores the lives of women around the world from the perspective of the New and Africana faiths they practice This probing and thought provoking series of essays brings together in one volume the multifaceted experiences of women in the New and Africana religions as practiced today With this work religion becomes a lens for examining the lives of women of diverse ethnicities and nationalities across the social spectrum In Women and New and Africana Religions readers hear from women from a number of religious spiritual persuasions around the world including Africa Asia the Caribbean South America and North America These voices form the core of remarkable explorations of family and environment social and spiritual empowerment sexuality and power and ways in which worldview informs roles in religion and society Each essay includes scene setting historical and social background information and fascinating insights from renowned scholars sharing their own research and firsthand experiences with their subjects **Black Zion** Yvonne Patricia Chireau, Nathaniel Deutsch, 2000 This is an exploration of the interaction between African American religions and Jewish traditions beliefs and spaces The collection s argument is that religion is the missing piece of the cultural jigsaw and black Jewish relations need the religious roots of their problem illuminated *Afro-Nostalgia* Badia Ahad-Legardy, 2021-04-12 As early as the eighteenth century white Americans and Europeans believed that people of African descent could not experience nostalgia As a result black lives have been predominately narrated through historical scenes of slavery and oppression This phenomenon created a missing archive of romantic historical memories Badia Ahad Legardy mines literature visual culture performance and culinary arts to form an archive of black historical joy for use by the African descended Her analysis reveals how contemporary black artists find more than trauma and subjugation within the historical past Drawing on contemporary African American culture and recent psychological studies she reveals nostalgia s capacity to produce positive emotions Afro nostalgia emerges as an

expression of black romantic recollection that creates and inspires good feelings even within our darkest moments Original and provocative Afro Nostalgia offers black historical pleasure as a remedy to contend with the disillusionment of the present and the traumas of the past
