Choi,Berklee Robins,Jeffrey Kirsch,2024-09-06 With a diverse set of over 70 cases quizzes and a problem based learning approach this volume expertly provides an interactive and in depth learning experience for any medical professional **We Are the Troopers** Stephen Guinan,2022-08-30 Discover the unlikely story of

the Toledo Troopers the winningest team in the National Women's Football League who won seven league championships in the 1970s and gain full access to the players and key figures in the organization. Amid a national backdrop of the call to pass the Equal Rights Amendment the National Women's Football League was founded as something of a gimmick. However the league's star team the Toledo Troopers emerged to challenge traditional gender roles and amass a win-loss record never before or since achieved in American football. The players were housewives, factory workers, hairdressers, former nuns, high school teachers, bartenders, mail carriers, pilots, and would be drill sergeants. Black, white, Latina. Mothers and daughters and aunts and sisters. But most of all they were athletes who had been denied the opportunity to play a game they were born to play. Before the protests and the lobbyists, before the debates and the amendments, before the marches and the mandates, there was only an obscure advertisement in a local Midwestern paper and those who answered it, women such as Lee Hollar, the only woman working the line at the Libbey glass factory, Gloria Jimenez who grew up playing sports with her six brothers, and Linda Jefferson, one of the greatest most accomplished athletes in sports history. Stephen Guinan grew up in Toledo pulling for his hometown football team and in the innocence of youth did not realize at the time what a barrier-breaking lost piece of history he was witnessing. *We Are the Troopers* shines light on forgotten champions who came together for the love of the game.
