Rediscovering Life Awaken To Reality:

Rediscovering Life Anthony De Mello, 2012-06-12 A companion to Anthony De Mello's all time bestselling work of inspiration *Awareness* Anthony De Mello was one of the most important spiritual writers of the 20th century Since his death in 1987 his stature has only increased His books including *Song of the Bird* *Sadhana* and the international bestselling *Awareness* are considered by many to be some of the most influential spiritual teachings of the last 50 years Now to commemorate the 25th anniversary of his passing Image Books is proud to present what may very well prove to be the last published work of this beloved spiritual teacher Based on a lecture given just months before his death *Rediscovering Life* invites us to unlock the deeper meaning of our lives By becoming aware of the circuitous and habitual nature of our limiting thoughts we can find simple solutions that will release us from feelings of isolation anger sadness and depression In short De Mello offers us a new way to look at the world and God that will transform our lives *Rediscovering Life* is a timeless and compassionate book that will awaken you to the beauty of human experience and increase your ability to see God in all things

Undefended Daniel Bush, 2017-02-08 Loneliness fear vulnerability conflict pain these aren't experiences we typically seek out And yet we all encounter them during our lives Do you embrace these times or do you raise your defenses determined not to get hurt What if it's possible to see God more clearly in the midst of these trials In *Undefended* Daniel Bush shows readers how to approach life's difficulties from a gospel centered and grace driven perspective arguing that the experiences we avoid can actually bring us nearer to Christ Drawing on examples from the Bible history popular culture and the author's own life *Undefended* seeks to personally acquaint readers with an experience of the inner heart where true discovery of God takes place Bush writes out of a deep passion for helping others find spiritual awakening stemming from over 15 years in pastoral and counseling ministries He guides readers through ten different experiences that can show us the authentic heart of God if we approach him undefended

Bread for the Soul Clarke, Jim, Jim Clarke draws on his forty two years of experience in pastoral ministry to explore common questions and struggles faced by most of us in daily life relationships meaning work faith issues prayer money aging understanding God's ways bringing faith to life and life to faith etc Each chapter begins with a question culled from his studies and professional training as well as from parishioners and students As always Fr Jim brings the abstract down to earth as he writes in a conversational easily readable format using stories analogies and jokes to help the reader to engage with the topics

Choice Raymond Ngaiza, 2022-06-13 Have you ever felt like life is getting away from you We all know what it is to sometimes feel like mere passengers along for the ride victims of circumstances outside of our control In this striking work of self help literature author Raymond Ngaiza takes up arms against this familiar feeling showing the myriad ways we determine the course of our lives through the choices we make whether they be personal or professional big or small Inspired by his own experiences of career and lifestyle changes in leaving his training for priesthood going back to school taking up writing and becoming a husband and father Ngaiza draws

on a fascinating array of religious and secular texts as well as politics pop culture and his own life to show us how we can make the difference in our lives and in the world Careful to examine all sorts of important dynamics that may come into play in decision making from being met with a lack of choice or its overwhelming abundance to the methods by which we actually execute our decisions to the issues that may follow our choice making such as proverbial buyer s remorse Choice is a powerful wake up call to readers everywhere reminding us that we can and should become masters of our destinies Are You in Reality? Gregoire Plus,2010-01-14 ARE YOU IN REALITY The quest for wisdom or man s search for what reality is in his experiences comes from man s astonishment in front of all that exist When we see something we are lucid that we do not know the whole that which is the most profound is so hidden from our eyes that we easily prefer believing our own ideas to searching to unveil what the reality is Rather than to be toward something we have not made and that escapes us we prefer to remain in the ideas we construct or to contemplate our own image We need to seek if we Are truly living in reality or if we remain in our ideas as the only full discovery of reality as it is can be a path to wisdom and allow us to blossom Written from a series of seminars Are You in Reality is the author s contribution coming from his own experiences to the research of wisdom understood as man s search for truth This search for wisdom rightly called philosophy is a quest without any preconceived ideas an insatiable desire for light which can ultimately enlighten man about every aspect of his existence It must be capable of meeting each man in his experiences in his quest and in his own journey Therefore philosophy is neither Christian nor Buddhist neither European nor American neither African nor Asian It is human and intelligent in the sense that it takes its truth from no other source than that of the real that we encounter and of those who place themselves at its school
