**Can We Zoom into God?** Andrew Hemingway, 2023-10-19 When Zoom worship emerged in Britain during the COVID lockdown of 2020 Christians quickly turned to an art form a form of theater to deliver their worship It was a quest for immanence the very thing the

Reformation dealt with by the elevation of transcendence What an intriguing thought Could John Calvin with his dictum regarding piety have practiced Zoom worship Served as he was with the principle that the finite cannot contain the infinite we must admit it looks very unlikely At least in this Calvin saw eye to eye with Erasmus but what of Luther He may have been a comfortable Zoom worshiper with his views that Religious artworks are neither here nor there and We may have them or not as we please Little did the church realize that it would be a step back into the past because what you permit you promote The desire to use images was much more sinister than in Medieval times as these were now images of ourselves Regardless of the age the image reigns supreme What had caused the demise Was it bereavement It could not be bereavement of God rather it was the loss of the social the bereavement of one another The need for one another had forced the hand of Christians to turn to a practice completely untested Zoom worship was born the genie is out and will never go back in But in the face of the now acceptable force of contemporary narcissism who cares

[Divine Testimony for the Resurrection](#) Larry Stalley, 2025-04-15 Is the Shroud of Turin the actual burial cloth that once wrapped the corpse of Jesus If it is why were the Gospel writers silent about its mysterious full body image Might there actually be cryptic references to the image within the New Testament that have gone unnoticed until now And if there are such references why are they cryptic What has science discovered about the image on the Shroud And are there historical references or artifacts associated with the Shroud outside the biblical canon from the period of the early Church Those important and intriguing questions are addressed by this book The significance of this work is monumental both with regard to New Testament studies and with regard to our understanding of the Shroud of Turin The book's focus that hidden or cryptic statements concerning the Shroud and its incredible image actually exist within the Bible is a game changer with respect to 1 the quest for the historical Jesus 2 the existence of biblical evidence supporting the authenticity of the Turin Shroud and 3 the believer's assurance of personal resurrection and eternal life

M. Pinkham,2022-06-21 This work begins with a transformative idea human existence is fundamentally relational Relational Christianity explores how the nature of the Trinity must define the Church and the Christian spiritual life Utilizing Scripture Christian spiritual tradition and philosophy Pinkham and Gruenberg paint the picture of a Trinitarian Jesus centered Christianity led by the Father and explored in interpersonal oneness In this view God s intimate unifying love is the theological river that runs through the landscape of biblical revelation and through God s movement in history This work of Trinitarian practical theology suggests that the relation between Father Son and Spirit should shape and guide all Christian interactions with God with others and with self In the paradigm of relational Christianity the formation of genuine personhood and identity are based upon relational connections first with the Trinity and second with God s family The shape of the new covenant community must reflect the Father s nature Church culture must prioritize relationship in the same way the Trinity does "No Remedy but Continual Prayer" Mark Murphree,2025-08-19 John Wesley was a powerful leader in the Evangelical Revival of eighteenth century England He traveled across the land preaching the doctrine of justification by faith facing unruly mobs and nurturing a network of small groups of committed Christians called Methodists In the face of all distractions and temptations he found there was no remedy to preserve his relationship with God but continual prayer Mark Murphree surveys Wesley s sermons journals and diaries and voluminous correspondence to articulate Wesley s underlying theology of prayer and outline how that theology was expressed in practice in the varied circumstances of Wesley s life and ministry *King's Vibrato* Maurice O. Maness,2023-05-22 *When Texas Prison Scams Religion* exposes corruption in the Texas Department of Criminal

Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars *Religious and Theological Abstracts* ,1981

Reference Department,1960 *Sexuality, Human Rights, and Public Policy* Chima J. Korieh,Elizabeth O. Onogwu,2019-11-12 *Sexuality Human Rights and Public Policy* explores the intersection of public policy human rights and sexuality as they relate to inclusion and exclusion across diverse

cultural settings It examines how knowledge is formed and experienced at the intersections of culture sexuality race and other axes of identity This volume engages an array of questions including how public policy shapes the conceptualization of sexuality and rights and by extension the phenomena of inclusion and exclusion in contemporary society across the world By evaluating how public discourse is employed to re inscribe differences of gender sexuality and rights of citizens this book provides a comparative analysis of how these processes and dynamics resemble each other or differ cross culturally This book demonstrates that in the realm of sexualities approached from the ideal of human rights as a predominantly Western notion is increasingly challenged by diverse views and new interpretations of human rights in non Western societies such as Africa and the Middle East

**Redeeming Masculinity** Peter D. Holmes, 2024-07-16 John Paul II spoke of a feminine genius using the phrase to describe the unique and positive contribution of women to relationships the church and society What of men There is considerable debate regarding the nature roles and responsibilities of men What does the church have to say to a boy or young man searching for guidance in developing a genuinely Christian manhood Or to parents schools and communities seeking to cultivate this in their young men Or to the faithful seeking to understand the church s teachings and to apply these in public and private life This book seeks to answer the question Is there a masculine genius Is there a unique and positive contribution men bring to relationships the church and society

*Merit and Moses* Andrew M. Elam, Robert C. Van Kooten, Randall A. Bergquist, 2014-07-10 What did writers in the Reformed tradition mean by suggesting that the Covenant of Works with Adam has been republished in the Mosaic Covenant Not all forms of this doctrine of republication are the same *Merit and Moses* is a critical evaluation of a particular version of the republication doctrine one formulated by Meredith G Kline and espoused in *The Law Is Not of Faith* 2009 At the heart of this discussion is the attribute of God s justice and the Reformed view of merit Has classic Augustinian theology been turned on its head Does or can God make a covenant at Sinai with fallen people by which Israel may merit temporal blessings on the basis of works Have merit and justice been redefined in the service of Kline s works merit paradigm The authors of *Merit and Moses* examine the positions of John Murray and Norman Shepherd with respect to the reactionary development of the Klinean republication doctrine Both Shepherd s and Kline s teachings are shown to swing wide of the Reformed tradition when held up to the plumb line of the Westminster Standards which embody the Reformed consensus on covenant theology and provide a faithful summary of Scripture

*A Jolly Folly?* Allan J. Macdonald, 2017-08-02 Stop the war on Christmas This is a common Christian complaint directed toward those perceived to be secularizing the festive season However many Christians forget that the modern festive season was a secular invention and that the war on Christmas was initiated by their spiritual forefathers upon whose shoulders today s biblically sound churches stand Should then the Christian endorse Christmas with joy or reject it as folly If you hold to a Reformed theology is liberty of conscience a credible principle to employ in the endorsement of Christmas in public worship This book addresses these and other questions objectively acknowledging the arguments on both sides This

thoughtfully illustrated book uses a historical framework to trace the evolution of Christmas from its ancient genesis into the modern era identifying the contexts and motives that shaped opinion and practice in the Protestant Church while also exposing as pure myth much that is often accepted as biblical fact Abounding with intriguing detail this book compels the reader to consider the negative effect Christmas has upon biblical doctrine and to contemplate the difficulties associated with the conclusion many arrive at namely that Christmas meets with the approval of the Lord Jesus *The Church and Her Scriptures* Catherine Brown Tkacz, Douglas Kries, 2022-03-22 In the nearly two millennia since the resurrection of Jesus can coherence be found within the ways Christians of different ethnicities have approached the Bible How does one seek guidance in understanding the Scriptures and then draw on that experience to understand oneself and the world In *The Church and Her Scriptures* the ancient diversity of Greek Latin and Syriac speaks through for instance Gregory of Nyssa Augustine of Hippo and Jacob of Serugh The witness and voices of women as recorded in the Book of Daniel and the Gospels themselves are examined Reanimated through ancient sources the daily prayer life and holy death of Macrina the Younger philosopher of God attest the contemplative power of the laity The Psalms so interwoven in her life prove to be vitalizing for Christians Their example inspired new psalms in the Epistles Typology recurred fed by Jesus's teaching and this mode of exegesis and key examples of it are likewise respected in this volume Limning the framework for all this is Patrick Hartin's magisterial essay on Dei Verbum the Vatican II document on the Bible Freedom's Racial Frontier Herbert G. Ruffin, Dwayne A. Mack, 2018-03-15 Between 1940 and 2010 the black population of the American West grew from 710 400 to 7 million With that explosive growth has come a burgeoning interest in the history of the African American West an interest reflected in the remarkable range and depth of the works collected in *Freedom's Racial Frontier* Editors Herbert G. Ruffin II and Dwayne A. Mack have gathered established and emerging scholars in the field to create an anthology that links past current and future generations of African American West scholarship The volume's sixteen chapters address the African American experience within the framework of the West as a multicultural frontier The result is a fresh perspective on western U.S. history centered on the significance of African American life culture and social justice in almost every trans Mississippi state Examining and interpreting the twentieth century while mindful of events and developments since 2000 the contributors focus on community formation cultural diversity civil rights and black empowerment and artistic creativity and identity Reflecting the dynamic evolution of new approaches and new sites of knowledge in the field of western history the authors consider its interconnections with fields such as cultural studies literature and sociology Some essays deal with familiar places while others look at understudied sites such as Albuquerque Oahu and Las Vegas Nevada By examining black suburbanization the Information Age and gentrification in the urban West several authors conceive of a Third Great Migration of African Americans to and within the West The West revealed in *Freedom's Racial Frontier* is a place where black Americans have fought and continue to fight to make their idea of freedom live up to their expectations of equality a

place where freedom is still a frontier for most persons of African heritage
