Excerpt from History of the Holy Communion Church Institute Of Charleston South Carolina An incident occurred this year which illustrates the tone of the institution Tickets of admission to the theatre had been 2them to go and waited up for them until their return When they came both were seriously under the influence of liquor This was Friday night On Monday after the usual daily service Mr Gadsden came into the vestry room and said that he had a disagreeable fact to lay before me Hearing all the particulars I told him to leave the matter to me During the day I staid about the premises treating these young men as though I was not cognizant of their misdemeanor The next day after morning prayer while I was still in the vestry room they came in and under great embarrassment opened their case to me They stated that they had gone into the saloon adjoining the theatre and as it was a very cold night each had taken a drink Being unaccustomed to the use of ardent spirits they had been overcome by the potion They said they did not feel that at their age one was nineteen and the other twenty they had done so very great a wrong in taking the drink the wrong was in going into a bar room at all It was a breach of confidence in this they had transgressed and feared they had lost my respect They were willing they said to submit to any punishment I was prepared to inflict Perceiving that they were deeply moved I asked them if this was of their own volition They replied Entirely I asked if this would ever again occur Never they replied while under your charge Then said I young men your offense is as freely forgiven as it is fully and honestly confessed we will never refer to it again I saw the big tears roll down their cheeks and as they pressed my hand their hearts were too full for words At that moment everything was gained and these two young men were patterns in the school until they left I learned at that time the full value of our heavenly Father's forgiveness to a truly penitent sinner Since then one of these young men now a respectable citizen called to see me and remarked that this occurrence was the turning point of his life my course with him self and his young friend conquered them and they would have died sooner than have offended again It had made a lasting impression on their minds and hearts and had a most happy influence on the institution During this year fourteen youths were confirmed and became communicants About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve
