

CHAPTER 3

OVERALL INTERNSHIP EXPERIENCE

3.1. JOINING OF THE COMPANY.

After completion of 2ND M-tech SEM I got the application letter for internship from the PDA College of engineering. So, I have been searching a hosting company but I don't get any company that satisfy my own interest because they don't have the ability and the capacity to teach intern student and also some company reject student because student from other colleges apply first.

So, we were approached BHARAT PRIDE PARK project manager Mr. Ramesh sir for internship program and they were given a chance for our internship program.

Then we went there at the site to begin the work and join with their Engineers and workers. They introduce the overall site, drawings and staff with respect to their working department. These Engineers were given us an orientation about the overall work we perform throughout the whole internship.

3.2. SECTION OF THE COMPANY WORKED.

N R consultancy has many projects in our country as we mentioned in the consultancy profile. Thus from those listed we have been working in the BHARAT PRIDE PARK project. The project consists of a 2B+G+6 (2 Basement +ground floor + 6 floors). our project is divided into four wings wing A , wing B , wing C and wing D But when I was arrived at the site were the only wing C and wing D are ongoing project. Structure of wing A and wing B is not fully completed finishing work is ongoing.
