**The Dream Hacker** Timothy Benson,2018-08-13 Your dreams belong to you Theyre private and no one needs to know what happens in them But what if someone could invade your dreams And once in what if that someone could control what happens while you lie there powerless to affect the outcome Dylan Ward can do that Struggling to make partner in a law firm and finding it hard to hold on to a romantic relationship his nightly dreams become his escape into a world that seems far happier than his real one When he learns about the phenomenon of lucid dreaming where the sleeping person is actually conscious of the events in the dream he immerses himself in an attempt to master it Soon his nights are filled with fun and adventure where he has the power to control events and find temporary relief from his mundane life That relief soon pales when he reads an old legend about dream sharing that leads him to the idea of entering and controlling the dreams of others What starts out as an interesting experiment soon turns into an obsession of hacking into the dreams of the people in his life He begins a strange quest for vengeance power love and all the things that are missing from his real world But its when he devises a way to teach other people how to invade dreams that the dangers of his obsession become frighteningly clear The Dream Hacker moves between imagination and reality along the hazy sleeping path that everyone travels but cant really navigate Mixing equal parts of dark humor and the angst of modern culture the story challenges our notions of understanding what is real and asks just how far a person will go to change the course of his life

Smith,2018-10-02 Successful leaders today don t dictate they invite They don t dismiss they welcome They don t neglect they care Now more than ever we must pay attention to the soft side of leadership if we want hard results As leaders from parents to CEOs we must learn gracious leadership to truly positively change our spheres of influence In this passionate powerful book pastor and leadership mentor Terry Smith fleshes out five vital principles you need to become a hospitable leader He shows that this type of leadership is not superficial niceness or allowing people to do whatever they want Hospitable leadership is result oriented because it s motivated by genuine love It s how you create environments where people and dreams can thrive where vision turns to action and where great things happen regularly Here is everything you need to become the type of leader people want to follow

**We Are so Loved** Jill Lambert,2017-09-22 When we hear stories of spontaneous healing assistance from angels and loved ones who've passed the laws of physics bending or even breaking to save someone and people using their divine creative power to claim what they desire despite appearances our beliefs change about what is possible for us We Are So Loved is about such miracles and more Many of these stories may seem too fantastic to be true but they are As you read them maybe youll

remember some of your own miracles that you discounted as just a coincidence luck or just your imagination The mystical miraculous experiences Ive had since childhood the stories others have shared with me of divine assistance and moments of grace as well as the miraculous healings I witness as a Reconnective Healing Practitioner have changed my beliefs about what is possible and continue to transform my world for the better on every level of my being Thats what I want for you and why Im sharing them in this book I hope they inspire you to think and believe a little bigger and better than you did before you read them as you realize how Loved you are Who You Really Are and how possible the impossible really is The miraculous experiences in this book are what fuel my lifes mission to share the truth of how Loved we are and how powerful we are when we align with the Love that is our Source of being I hope these stories remind you of the God Within you and all life on this planet that they awaken an awareness of the Love and well being that is constantly flowing to you and help you release the limiting beliefs that have kept you from allowing into your life all that your heart desires We Are So Loved is my first book and just the beginning of much more to come Jill Lambert     [Livin' the Dream](#) Michael J. Bruijn, 2018-04-05 This story is for music lovers and the young at heart First time author Michael Bruijn spins a tale of intrigue and adventure in Livin the Dream From England to America and on to Austria Jack and Lil must complete a mystical quest to prove themselves and to help change the lives of those around them But what if the crypt which has already claimed the lives of many who were not appropriately forewarned or forearmed is impenetrable or worse empty Along the journey you will find the titles of everlasting tunes cleverly woven into the story     *The Familiar Stranger* Tyler Staton, 2025-01-30 Is the Holy Spirit at work in your life Or are you longing for more of his presence and power In *The Familiar Stranger* Tyler Staton draws on Scripture tradition and spiritual practices to help you step into a genuine relationship with the Holy Spirit and discover a fully alive spirituality For a generation searching desperately for authentic spiritual experiences there s good news the Holy Spirit s indwelling presence is freely available Yet confusion and unfamiliarity surround the Holy Spirit leading too many Christians either to sideline him or misunderstand what he means for their spiritual lives In *The Familiar Stranger* Staton reintroduces this oft neglected person of the Trinity tracing the story of the Holy Spirit as it unfolds throughout the Bible and inviting believers to close the gap between what Scripture reveals about the Holy Spirit and their lived experience Along the way readers will dig into key biblical images and metaphors that reveal the Holy Spirit s nature roles and personality learn about common misperceptions that keep believers and churches from experiencing the fullness of the Holy Spirit s power and presence discover how the Spirit brings discernment and access to miraculous power to partner with God in the work he s doing in the world reckon with the indispensable role of spiritual experience for walking with God and understand how both Word and Spirit work together to draw people into a vibrant intimate knowledge of God *The Familiar Stranger* will challenge inform and encourage believers from every background to become more deeply acquainted with the Person and work of the Holy Spirit and experience his transformative life giving power in their lives     *Contemporary Sufism* Meena
