Founding Brothers The Revolutionary Generation By Joseph Ellis L Summary Study Guide:

Study Guide Supersummary, 2019-08-26 SuperSummary a modern alternative to SparkNotes and CliffsNotes offers high quality study guides for challenging works of literature This 54 page guide for *Founding Brothers* by Joseph J Ellis includes detailed chapter summaries and analysis covering 6 chapters as well as several more in depth sections of expert written literary analysis Featured content includes commentary on major characters 25 important quotes essay topics and key themes like The Great Improvisation and Securing the Union and the Problem of Slavery

The Transformation of Governance Donald F. Kettl, 2015-04 An updated edition of the classic text on public administration presents practical steps for managing government effectively in an age of hyperpartisanship Co winner of the Louis Brownlow Book Award from the National Academy of Public Administration The traditional theory of public administration is based on entrenched notions of hierarchy and authority However as the structure of public work has grown less hierarchical managers have adopted a wide variety of non authoritarian strategies This growing gap between theoretical ideas and actual practice poses enormous challenges for front line leaders struggling to deal with ever larger expectations and ever tighter budgets and for American government in determining how best to hold public administrators accountable for their performance The *Transformation of Governance* offers a new framework for reconciling effective administration with the requirements of democratic government Instead of thinking in terms of organizational structure and management Donald F Kettl suggests administrators and theorists need to focus on governance or the links between government and its broader environment political social and administrative through which social action occurs In this updated edition a new epilogue shows Kettl urging political leaders to step back from the political barricades of hyperpartisanship to consider government s contemporary dilemma Is there any practical way forward for public administrators to manage government effectively Reinforcing the ten principles of bridge building which he developed in the original book Kettl adds an eleventh which lays out five transformative strategies redefining public law to promote public accountability re conceptualizing government agencies as instruments of leverage launching government leaders as boundary spanners using information technology for building authority and trust and incorporating performance management into processes that drive collaboration With a new preface from Michael Nelson editor of the *Interpreting American Politics* series this award winning book will be sought out by public policymakers eager to read a leading scholar s newest insights into the field

The American Presidency William G. Howell, 2023-01-10 How institutions shape the American presidency This incisive undergraduate textbook emphasizes the institutional sources of presidential power and executive governance enabling students to think more clearly and systematically about the American presidency at a time when media coverage of the White House is awash in anecdotes and personalities William Howell offers unparalleled perspective on the world s most powerful office from its original design in the Constitution to its historical growth over time its elections and transitions to governance its interactions with Congress the courts and the federal

bureaucracy and its persistent efforts to shape public policy Comprehensive in scope and rooted in the latest scholarship The American Presidency is the perfect guide for studying the presidency at a time of acute partisan polarization and popular anxiety about the health and well being of the republic Focuses on the institutional structures that presidents must navigate the incentives and opportunities that drive them and the constraints they routinely confront Shows how legislators judges bureaucrats the media and the broader public shape the contours and limits of presidential power Encourages students to view the institutional presidency as not just an object of study but a way of thinking about executive politics Highlights the lasting effects of important historical moments on the institutional presidency Enables students to grapple with enduring themes of power rules norms and organization that undergird democracy

Founding Brothers Joseph J. Ellis, 2002-02-05
PULITZER PRIZE WINNER NATIONAL BESTSELLER A landmark work of history explores how a group of greatly gifted but deeply flawed individuals Hamilton Burr Jefferson Franklin Washington Adams and Madison confronted the overwhelming challenges before them to set the course for our nation A splendid book humane learned written with flair and radiant with a calm intelligence and wit The New York Times Book Review The United States was more a fragile hope than a reality in 1790 During the decade that followed the Founding Fathers re examined here as Founding Brothers combined the ideals of the Declaration of Independence with the content of the Constitution to create the practical workings of our government Through an analysis of six fascinating episodes Hamilton and Burr s deadly duel Washington s precedent setting Farewell Address Adams administration and political partnership with his wife the debate about where to place the capital Franklin s attempt to force Congress to confront the issue of slavery and Madison s attempts to block him and Jefferson and Adams famous correspondence Founding Brothers brings to life the vital issues and personalities from the most important decade in our nation s history
