Freddie Mercury: a Life, in His Own Words Greg Brooks, Simon Lupton, Freddie Mercury, 2019-08-23 *Freddie Mercury A Life In His Own Words* is the nearest thing to Freddie's autobiography as it is possible to achieve A moving witty often irreverent collection of quotes or interview transcript from the man himself covering an extraordinary life meticulously edited together by Queen's long time archivists with a Foreword by Freddie's mum An essential read not just for fans of Queen and their iconic frontman but anyone intrigued to know more about one of music's most endearing and enduring performers Freddie rarely talked about himself to others and so the relatively few interviews he did agree to carefully compiled for this book and some of them unpublished until now provide an intriguing insight into a man who outwardly exuded confidence and arrogance but behind the public perception spent periods alone and searching for happiness The truth was that Freddie was painfully shy and uncomfortable in the company of anyone who might intrude upon his famous royal family of close friends and invited guests The book covers Freddie's origins and history many and various subjects in between and of course covers the fascinating journey of Queen all from his unique perspective Spurred on by their almost uncontrollable ambitious and forthright front man Queen succeeded in becoming one of the biggest bands on the planet The story describes how on many occasions the group almost broke up but was always kept together by their shared love of breaching musical boundaries Freddie's own personal story is one of pursuing a dream dealing with wealth and fame looking back and having no regrets reflecting on getting old his legacy and death A man determined to succeed to the point of willing to be frivolous and preposterous to win over an audience I love the feeling of it It's greater than sex But as the pages turn we see a Freddie Mercury gradually changing the priorities in his life to one more sedate and necessarily changed by the cloud of the HIV AIDS virus beginning to shadow the gay community For a man who seldom spoke in *A Life In His Own Words* Freddie says it all There are times when I wake up and I think My God I wish I wasn't Freddie Mercury today In 20 chapters 194 pages and nearly 73 000 words and 45 years in the making Freddie covers it all and then some And he does it of course in his own

inimitable unpredictable invariably funny often poignant and always entertaining way I love the fact that I make people happy in any form Even if it s just half an hour of their lives if I can make them feel lucky or make them feel good or bring a smile to a sour face that to me is worthwhile **The Artistry and Legacy of Queen** Tony Rigg,Ewa Mazierska,2024-12-12

Over a career spanning six decades Queen have become one of the most successful music artists in the history of the recorded music industry Their consumption on digital platforms towers above other classic bands and artists of their generation and even many contemporary artists attesting to the substantial and transgenerational appeal of Queen This collection offers insights into the Queen phenomenon through considering their artistry influences sound singing style use of instruments and technology composition live performance as well as their impact on other music makers and fandom Bringing together academics from a range of disciplines in music studies including musicology composition performance as well as specialists in film and media studies sociology queer studies and business studies the book examines the many dimensions of Queen and lessons we can learn from them to inform future practice in popular music

Love of My Life Lesley-Ann Jones,2021-09-02 EYEWITNESS GOLD SUNDAY TIMES WHO OR WHAT WAS THE REAL LOVE OF FREDDIE MERCURY S LIFE THE SENSATIONAL NEW BIOGRPHAY OF QUEEN S FRONTMAN Millions of Queen and screen fans who watched the Oscar winning film Bohemian Rhapsody believe that Mary Austin the woman he could never quite let go of was the love of Freddie Mercury s life But the truth is infinitely more complicated Best selling biographer and music writer Lesley Ann Jones explores the charismatic frontman s romantic encounters from his boarding school years in Panchgani India to his tragic final bed ridden days in his magnificent London mansion She reveals why none of his love interests ever perfected the art of being Freddie s life partner In Love of My Life the author follows him through his obsessions with former shop girl Mary German actress Barbara Valentin and Irish born barber boyfriend Jim Hutton She explores his adoration of globally f ted Spanish soprano Montserrat Caball She delves into his intimate friendship with Elton John and probes his imperishable bonds with his fellow band members She deconstructs his complicated relationship with the food of love his music and examines closely his voracious appetite for what some would call his fatal addiction to sex Which of these was the real love of Freddie Mercury s life Was any of them Drawing on personal interviews and first hand encounters this moving book brings to the fore a host of Freddie s lesser known loves weaving them in and out of the passions that consumed him The result a mesmerising portrait of a legendary rock star is unputdownable Love of My Life published during the year of the 30th anniversary of his death and that would have seen his 75th birthday is Lesley Ann s personal and compassionate tribute to an artist she has revered for as long as she has written about music and musicians Mercury Lesley-Ann Jones,2012-07-03 Revealing and intimate based on more than 100 interviews with key figures in his life this is the definitive biography of Queen front man Freddie Mercury one of pop music s best loved and most complex figures A revealing intimate look at the man who would be Queen As lead vocalist for the iconic rock band Queen Freddie Mercury s unmatched skills as a

songwriter and his flamboyant showmanship made him a superstar and Queen a household name But despite his worldwide fame few people ever really glimpsed the man behind the glittering facade Now more than twenty years after his death those closest to Mercury are finally opening up about this pivotal figure in rock n roll Based on more than a hundred interviews with key figures in his life Mercury offers the definitive account of one man s legendary life in the spotlight and behind the scenes Rock journalist Lesley Ann Jones gained unprecedented access to Mercury s tribe and she details Queen s slow but steady rise to fame and Mercury s descent into dangerous pleasure seeking excesses this was after all a man who once declared Darling I m doing everything with everyone In her journey to understand Mercury Jones traveled to London Zanzibar and India talking with everyone from Mercury s closest friends to the sound engineer at Band Aid who was responsible for making Queen even louder than the other bands to second cousins halfway around the world In the process an intimate and complicated portrait emerges Meticulously researched sympathetic yet not sensational Mercury offers an unvarnished look at the extreme highs and lows of life in the fast lane At the heart of this story is a man and the music he loved

Following Franco Duncan Wheeler,2020-10-15 The transition to democracy that followed the death of Spanish dictator Francisco Franco in 1975 was once hailed as a model of political transformation But since the 2008 financial crisis it has come under intense scrutiny Today a growing divide exists between advocates of the Transition and those who see it as the source of Spain s current socio political bankruptcy This book revisits the crucial period from 1962 to 1992 exposing the networks of art media and power that drove the Transition and continue to underpin Spanish politics in the present Drawing on rare archival materials and over three hundred interviews with politicians artists journalists and ordinary Spaniards including former prime minister Felipe Gonzalez 1982-96 **Following Franco** unlocks the complex and often contradictory narratives surrounding the foundation of contemporary Spain
