Fan Phenomena: Game of Thrones Kavita Mudan Finn,2017-05-01 Winter is coming Every Sunday night millions of fans gather around their televisions to take in the spectacle that is a new episode of Game of Thrones Much is made of who will be gruesomely murdered each week on the hit show though sometimes the question really is who won t die a fiery death The show based on the Song of Ice and Fire series written by George R R Martin is a truly global phenomenon With the seventh season of the HBO series in production Game of Thrones has been nominated for multiple awards its cast has been catapulted to celebrity and references to it proliferate throughout popular culture Often positioned as the grittier antithesis to J R R Tolkien s Lord of the Rings Martin s narrative focuses on the darker side of chivalry and heroism stripping away these higher ideals to reveal the greed amorality and lust for power underpinning them Fan Phenomena Game of Thrones is an exciting new addition to the Intellect series bringing together academics and fans of Martin s universe to consider not just the content of the books and HBO series but fan responses to both From trivia nights dedicated to minutiae to forums speculating on plot twists to academics trying to make sense of the bizarre climate of Westeros everyone is talking about Game of Thrones Edited by Kavita Mudan Finn the book focuses on the communities created by the books and television series and how these communities envision themselves as consumers critics and even creators of fanworks in a wide variety of media including fiction art fancasting and cosplay

Watching Game of Thrones Martin Barker,Clarissa Smith,Feona Attwood,2021-03-23 Game of Thrones was an international sensation and has been looked at from many different angles But to date there has been little research into its audiences who they were how they engaged with and responded to it This book presents the findings of a major international research project that garnered more than 10 000 responses to an innovative qualiquantitative questionnaire Among its findings are a new way of

understanding the place and role of favourite characters in audiences responses new insights into the role of fantasy in encouraging thinking about our own world and an account of two combined emotions relish and anguish which structure audiences reactions to controversial elements in the series *Cinematic Digital Television* Chris Comerford,2022-12-20

Chris Comerford explores cinematic digital television as an artistic classification and an academic object of study and illuminates the slippage in definitions of previously understood media forms The growth of television as an artistic informative medium has given rise to shifts in the aesthetic style of the programmes we watch and this book outlines these shifts along with the contemporary debates and critical theory surrounding them Comerford looks at the forms and aesthetics of television the production standards influencing streaming television and the agency of audiences and provides case studies of key TV shows illustrating these shifts including Twin Peaks The Return WandaVision Hacks and Russian Doll Navigating the levels of production and reception in cinematic digital television the book uses film inspired TV as a lightning rod for understanding our narrative screen media landscape and the classifications we use to negotiate it As an essential reading for both scholars and students of media and television studies this book provides a much needed consideration of the changing landscape of television **Dwarfism Arts and Advocacy** Erin Pritchard,2024-10-29 Disputing derogatory representations of dwarfism this book opens up a new avenue for disability studies encouraging advocacy and challenging able bodied readers to re examine their perceptions of this community *Animation in Austria* Florian Schmidlechner,2025-05-23 This book provides a comprehensive account of Austrian animation history as well as an analysis of the current state of the industry in competition with American and cheaper international products in the face of dwindling budgets The book outlines the history of Austrian animated film from the actual beginnings at the time of the First World War It looks at the reconstruction of the animation industry during the 1950s and 60s and covers experimental animation from the 1970s onwards The final part of the book explores modern Austrian animation and looks ahead to the future of animation production within the country This book will be of great interest to academics students and professionals working and researching in the field of animation *The Television Genre Book* Glen Creeber,2023-11-30 In this new edition of The Television Genre Book leading international scholars have come together to offer an accessible and comprehensive update to the debates issues and concerns of the field As television continues to evolve rapidly this new edition reflects the ways in which TV has transformed in recent years particularly with the emergence of online streaming services such as Netflix Disney HBO Max and Amazon Prime It also includes a new chapter on sports TV and expanded coverage of horror political thrillers Nordic noir historical documentary and docu drama With analyses of popular shows like Stranger Things Killing Eve The Crown Chernobyl Black Mirror Fleabag Breaking Bad and RuPaul s Drag Race this book offers a comprehensive understanding of television genre for scholars and students alike **On Loop** Alex Werth,2025-10-21 How struggles over Black sound have shaped Oakland s culture politics and geography Chicago has house Detroit has techno But Oakland slaps

On Loop explores the role of Black dance music and sonic politics in recurring struggles over race and space in Oakland California Insisting on the centrality of sound in everyday social movements from the mobilization of funk music and boogaloo dance during Black Power to the policing of the Hyphy movement in the 2000s Alex Werth argues that Black dance music is not merely a soundtrack to or record of urban resistance Rather its very sound waves have animated looping clashes over development dispossession and Black freedom Through studies of downtown nightclubs Lake Merritt and the Eastmont Mall geographies rarely considered yet critical to Oakland s culture and politics Werth reveals how the liberatory sonic politics of funk hip hop and hyphy rap have been met with a repetitive war on nuisance As both a means of empowerment and a magnet for policing Black dance music has transformed not only Oakland s nightlife but also its streets parks and neighborhoods On Loop is a rousing encounter with the sound that moves urban life

Telecinematic Stylistics Christian Hoffmann, Monika Kirner-Ludwig, 2020-05-14 Over the last two decades the study of discourse in film and television has become one of the most promising research avenues in stylistics and pragmatics due to the dazzling variety of source material and the huge pragmatic range within it Meanwhile with the advent of streaming and the box set film and television themselves are becoming separated by an increasingly blurred line This volume closes a long standing gap in stylistics research bringing together a book level pragmastylistic showcase It presents current developments from the field from two complementary perspectives looking stylistically at the discourse in film and the discourse of and around film This latter phrase comes to mean the approaches which try to account for the pragmatic effects induced by cinematography This might be the camera work or the lighting or the mise en scene or montage The volume takes a multimodal approach looking at word movement and gesture in keeping with modern stylistics The volume shows how pragmatic themes and methods are adapted and applied to films including speech acts im politeness implicature and context In this way it provides systematic insights into how meanings are displayed enhanced suppressed and negotiated in both film and televisual arts

Reading Joss Whedon Rhonda V. Wilcox, Tanya R. Cochran, Cynthea Masson, David Lavery, 2014-05-16 In an age when geek chic has come to define mainstream pop culture few writers and producers inspire more admiration and response than Joss Whedon From Buffy the Vampire Slayer to Much Ado About Nothing from Dr Horrible s Sing Along Blog to The Avengers the works of Whedon have been the focus of increasing academic attention This collection of articles represents some of the best work covering a wide array of topics that clarify Whedon s importance including considerations of narrative and visual techniques myth construction symbolism gender heroism and the business side of television The editors argue that Whedon s work is of both social and aesthetic significance that he creates canonical television He is a master of his artistic medium and has managed this success on broadcast networks rather than on cable From the focus on a single episode to the exploration of an entire season from the discussion of a particular narrative technique to a recounting of the history of Whedon studies this collection will both entertain and educate those exploring Whedon scholarship for the first time and those planning to teach a
