BEFORE INDIA

Gandhi Before India Ramachandra Guha

David Hardiman

Gandhi Before India Ramachandra Guha:

Gandhi Before India Ramachandra Guha, 2014-04-15 Here is the first volume of a magisterial biography of Mohandas Gandhi that gives us the most illuminating portrait we have had of the life the work and the historical context of one of the most abidingly influential and controversial men in modern history Ramachandra Guha hailed by Time as Indian democracy's preeminent chronicler takes us from Gandhi's birth in 1869 through his upbringing in Gujarat his two years as a student in London and his two decades as a lawyer and community organizer in South Africa Guha has uncovered myriad previously untapped documents including private papers of Gandhi's contemporaries and co-workers contemporary newspapers and court documents the writings of Gandhi's children and secret files kept by British Empire functionaries Using this wealth of material in an exuberant brilliantly nuanced and detailed narrative Guha describes the social political and personal worlds inside of which Gandhi began the journey that would earn him the honorific Mahatma Great Soul And more clearly than ever before he elucidates how Gandhi's work in South Africa far from being a mere prelude to his accomplishments in India was profoundly influential in his evolution as a family man political thinker social reformer and ultimately beloved leader In 1893 when Gandhi set sail for South Africa he was a twenty-three-year-old lawyer who had failed to establish himself in India In this remarkable biography the author makes clear the fundamental ways in which Gandhi's ideas were shaped before his return to India in 1915 It was during his years in England and South Africa Guha shows us that Gandhi came to understand the nature of imperialism and racism and in South Africa that he forged the philosophy and techniques that would undermine and eventually overthrow the British Raj Gandhi Before India gives us equally vivid portraits of the man and the world he lived in a world of sharp contrasts among the coastal culture of his birthplace High Victorian London and colonial South Africa It explores in abundant detail Gandhi's experiments with dissident cults such as the Tolstoyans his friendships with radical Jews heterodox Christians and devout Muslims his enmities and rivalries and his often overlooked failures as a husband and father It tells the dramatic profoundly moving story of how Gandhi inspired the devotion of thousands of followers in South Africa as he mobilized a cross-class and inter-religious coalition pledged to non-violence in their battle against a brutally racist regime Researched with unequaled depth and breadth and written with extraordinary grace and clarity Gandhi Before India is on every level fully commensurate with its subject It will radically alter our understanding and appreciation of twentieth-century India's greatest man

Gandhi Before India Ramachandra Guha, 2015-02-03 A New York Times Notable Book and a San Francisco Chronicle Best Book of the Year A revelatory work of biography Gandhi Before India is an illuminating portrait of the life the work and the historical context of one of the most abidingly influential and controversial men in modern history From Gandhi's birth in 1869 through his upbringing in Gujarat and his years as a student in London to his two decades as a lawyer and community organizer in South Africa acclaimed author Ramachandra Guha brings the past to light with extraordinary grace and clarity Drawing on a wealth of newly uncovered materials Gandhi

Before India strips away the myths that have sprung up around the Mahatma to uncover the remarkable story of how Gandhi came of age abroad and how he set the stage for his return to India Gandhi 1914-1948 Ramachandra Guha,2018-09-27 A vivid absorbing read Sunday Times Magisterial Literary Review The magnificent new biography of Gandhi by India's leading historian A New York Times Notable Book of 2018 Gandhi lived one of the great 20th century lives He inspired and enraged challenged and galvanized many millions of men and women around the world He lived almost entirely in the shadow of the British Raj which for much of his life seemed a permanent fact but which he did more than anyone else to destroy using revolutionary tactics In a world defined by violence on a scale never imagined before and by ferocious Fascist and Communist dictatorship he was armed with nothing more than his arguments and example This magnificent book tells the story of Gandhi's life from his departure from South Africa to his assassination in 1948 It is a book with a Tolstoyan sweep both allowing us to see Gandhi as he was understood by his contemporaries and the vast varied Indian societies and landscapes which he travelled through and changed beyond measure Drawing on many new sources and animated by its author's wonderful sense of drama and politics Gandhi is a major reappraisal of the crucial years in this titanic figure's story

Gandhi's Global Legacy Veena R. Howard,2022-11-30 While there has been sustained interest in Gandhi's methods and continued academic inquiry Gandhi's Global Legacy Moral Methods and Modern Challenges is unique in bringing together an interdisciplinary group of scholars who analyze Gandhi's tactics moral methods and philosophical principles not just in the fields of social and political activism but in the areas of philosophy religion literature economics health international relations and interpersonal communication Bringing this wide range of disciplinary backgrounds the contributors provide fresh perspectives on Gandhi's thought and practice as well as critical analyses of his work and its contemporary relevance Edited by Veena R Howard this book reveals the need for reconstructing Gandhi's ideas and moral methods in today's context through a broad spectrum of crucial issues including pacifism health communal living gender dynamics the role of anger and peacebuilding Gandhi's methods have been refined and reimagined to fit different situations but there remains a need to consider his concept of Sarvodaya uplift of all the importance of economic gender and racial equity as well as the value of dialogue and dissenting voices in building a just society The book points to new directions for the study of Gandhi in the globalized world

Tracing Gandhi Samir Banerjee,2019-06-28 This book traces the journey of Mahatma Gandhi from being a simple and truth seeking human being a satyarthi to a committed conscious and social human being a satyagrahi It specifically looks at this critical transformation during the time Gandhi was in South Africa The central argument of the book is that Gandhi evolved from being a satyarthi to a satyagrahi in South Africa Subsequently in India he consolidated his orientation with an emphasis on praxis by developing his ideas as instruments for social and individual struggles Marked by a series of events this period was an intense quest of self realization and understanding and shows his journey from being Mohandas Karamchand Gandhi to being Mahatma Gandhi The book discusses various elements of Gandhian thought and

praxis morality wisdom non violence truth social justice dharma trusteeship education sarvodaya Hind Swaraj swadeshi and social service and interprets the relevance of Gandhi s thought in the modern world by highlighting its unique significance for social transformation and change Lucid and accessible the book will be useful to scholars and researchers of Gandhi studies Indian political thought modern Indian history and political studies **Burning the Dead** David Arnold,2021-02-02

Burning the Dead traces the evolution of cremation in India and the South Asian diaspora across the nineteenth and twentieth centuries Through interconnected histories of movement space identity and affect it examines how the so called traditional practice of Hindu cremation on an open air funeral pyre was culturally transformed and materially refashioned under British rule following intense Western hostility colonial sanitary acceptance and Indian adaptation David Arnold examines the critical reception of Hindu cremation abroad particularly in Britain where India formed a primary reference point for the cremation debates of the late nineteenth century and explores the struggle for official recognition of cremation among Hindu and Sikh communities around the globe Above all Arnold foregrounds the growing public presence and assertive political use made of Hindu cremation its increasing social inclusivity and its close identification with Hindu reform movements and modern Indian nationhood *Revolution and Non-Violence in Tolstoy, Gandhi, and Mandela* Imraan

Coovadia,2020-07-21 The dangers of political violence and the possibilities of non violence were the central themes of three lives which changed the twentieth century Leo Tolstoy writer and aristocrat who turned against his class Mohandas Gandhi who corresponded with Tolstoy and considered him the most important person of the time and Nelson Mandela prisoner and statesman who read War and Peace on Robben Island and who despite having led a campaign of sabotage saw himself as a successor to Gandhi Tolstoy Gandhi and Mandela tried to create transformed societies to replace the dying forms of colony and empire They found the inequalities of Russia India and South Africa intolerable yet they questioned the wisdom of seizing the power of the state creating new kinds of political organisation and imagination to replace the old promises of revolution Their views along with their ways of leading others are closely connected from their insistence on working with their own hands and reforming their individual selves to their acceptance of death On three continents in a century of mass mobilization and conflict they promoted strains of nationalism devoid of antagonism prepared to take part in a general peace Looking at Tolstoy Gandhi and Mandela in sequence taking into account their letters and conversations as well as the institutions they created or subverted placing at the centre their treatment of the primal fantasy of political violence this volume reveals a vital radical tradition which stands outside the conventional categories of twentieth century history and politics [The Nonviolent Struggle for Indian Freedom, 1905-19](#) David Hardiman,2018 Argues that the passive resistance movement made famous by Gandhi was actually something Indians had been practicing well before WWI

Uncertain Empire Elizabeth E. Imber,2025-04-08 Following the British conquest of Ottoman Palestine Jews across the British Empire from Jerusalem to Johannesburg London to Calcutta found themselves at the heart of global Jewish political discourse As

these intellectuals politicians activists and communal elites navigated shifting political landscapes some envisioned Palestine as a British dominion leveraging imperial power for Jewish state building while others fostered ties with anticolonial movements contemplating independent national aspirations *Uncertain Empire* considers this intricate interplay between British imperialism Zionism and anticolonial movements from the 1917 British conquest of Palestine to the establishment of the state of Israel in 1948 Elizabeth Imber highlights diverse and sometimes conflicting visions of Jewish political futures offering detailed case studies of key figures including Chaim Arlosoroff Moshe Shertok Helen Bentwich Rachel Ezra and Hermann Kallenbach She explores a politics of uncertainty in which Jews engaged with both imperial stability and the rise of anticolonial mobilization when many were likewise forced to reconsider Palestine as a viable refuge and political solution Ultimately this book provides a nuanced understanding of how the British Empire's fate became central to Zionist and broader Jewish political thought revealing the complex intersections of empire state power and Jewish politics during a time marked by profound urgency and exigency

Gandhi and Leadership Satinder Dhiman, 2016-04-29 In *Gandhi and Leadership* Professor Dhiman explores the moral and spiritual philosophical foundations and context of Gandhi's approach to leadership The book focuses on seven Gandhian values that are most relevant in the contemporary workplace

A Liberal Chronicle in Peace and War Joseph Albert Pease Baron Gainford, 2023 Jack Pease was at the heart of the British Liberal government from 1908 to 1915 holding the position of Chief Whip through two general elections and a member of the Cabinet confronting domestic tumult international tensions and war Pease's text provides a uniquely comprehensive understanding of Asquith's government in peace and war

[Lord Cornwallis Is Dead](#) Nico Slate, 2019-02-11 Do democratic states bring about greater social and economic equality among their citizens Modern India embraced universal suffrage from the moment it was free of British imperial rule in 1947 a historical rarity in the West and yet Indian citizens are far from realizing equality today The United States the first British colony to gain independence continues to struggle with intolerance and the consequences of growing inequality in the twenty first century From Boston Brahmins to Mohandas Gandhi from Hollywood to Bollywood Nico Slate traces the continuous transmission of democratic ideas between two former colonies of the British Empire Gandhian nonviolence lay at the heart of the American civil rights movement Key Indian freedom fighters sharpened their political thought while studying and working in the United States And the Indian American community fought its own battle for civil rights Spanning three centuries and two continents *Lord Cornwallis Is Dead* offers a new look at the struggle for freedom that linked two nations While the United States remains the world's most powerful democracy India the world's most populous democracy is growing in wealth and influence Together the United States and India will play a predominant role in shaping the future of democracy

M.K. Gandhi, Media, Politics and Society Chandrika Kaul, 2020-12-10 This Palgrave Pivot showcases new research on M K Gandhi or Mahatma Gandhi and the press telegraphs broadcasting and popular culture Despite Gandhi being the subject of numerous books over the past century there are few

that put media centre stage This edited collection explores both Gandhi's own approach to the press but also how different advocacy groups and the media within India and overseas engaged with Gandhi his ideology and methodology to further their own causes The timeframe of the book extends from the late nineteenth century up to the present and the case studies draw inspiration from a number of disciplinary approaches Gandhi's African Legacy: Phoenix Settlement 1904 to 2024. A History Through Letters Uma Dhupelia-Mesthrie, 2024-10-01 This is an epic work which gives us another deep insight not just into the South African Gandhi but also into his colleagues at the settlement and an ongoing biography of the settlement itself This is the first book telling the history of Phoenix Settlement from its founding to now It provides us with a view into the lives of the residents and supporters rather than merely a history of the buildings This is a goldmine for researchers It very skilfully presents the role of the settlement in the campaigns against apartheid in the early 1950s and the international recognition of its actions and the stimulus they provided for international campaigns The story of the settlement as a haven for multi racial gatherings in the time of apartheid and regardless of this the disaster that followed is wonderfully told Thomas Weber Emeritus Professor La Trobe University Melbourne Another magisterial book from Dhupelia Mesthrie this time on Phoenix told through deeply researched contextual chapters and the letters of those who lived there Informed by a lifetime's work on Gandhi and drawing on archives and personal papers from across the world this monumental work will be treasured by grateful scholars and readers for decades to come Isabel Hofmeyr Emeritus Professor University of the Witwatersrand The book provides a major new in depth understanding of a major initiative in Gandhi's life an initiative which laid the ground for his work in South Africa and in India and whose resonances are still being felt in the world Ramachandra Guha Eminent biographer of Gandhi Gandhi After Gandhi Marzia Casolari, 2021-12-30 Writing about Gandhi without being obvious is always difficult Numerous books and articles are published every year especially across the anniversaries of his birth and death The judicious scholar believes that writing something new on this iconic figure is almost impossible However in the difficult times when this book was conceived at the peak of what presumably can be considered as the worst humanitarian disaster of the 21st century the Gandhian legacy has become more topical than ever Gandhi's thought and experience regarding laws and economy and his views on secularism or on the tremendous effects of the colonial rule in India and beyond provide the opportunity to reflect on persistently manipulated constitutions and violated human rights on the crisis of secularism and the demand of a sustainable environment friendly economy This book aims not only to offer new insights into Gandhi's experience and legacy but also to prove how Gandhian values are relevant to the present and can provide explanations and solutions for present challenges Gandhi After Gandhi will appeal to researchers and students alike interested in Indian culture and political thinking and Indian history since independence All The World's A Stage: A Personal Branding Story Ambi Parameswaran, 2022 About the Book A CONCISE CRUCIAL GUIDE TO THE WHAT WHY AND HOW OF PERSONAL BRAND BUILDING A brand is an identity and it is certainly not restricted to products Allow Ambi

Shankar Rita Kunal and Joe who are back in college for their silver reunion to bring alive for you the notion of people as brands As they walk through the campus rediscovering old haunts the friends enter into an animated discussion Their conversation offers keen insights into how each individual has a unique brand which must be as thoughtfully cultivated as product brands are Personal brands can be both a factor and a marker of success As businesses compete the personal branding of a company s leadership can influence how well it performs Similarly how a new hire brands herself could alter the opportunities that open up for her and so also her career path In short individuals and how others perceive them matter Defining a personal brand crafting a presence developing a unique voice building a network using social media creatively and more in All the World s a Stage Ambi Parameswaran offers a concrete roadmap towards brand building that will give you an unmatched strategic advantage This book is a concise crucial guide to our frenetic times *Ironies of Colonial Governance* James Jaffe,2015-05-21 An in depth study of the international circulation of ideas and practices of law and governance in colonial India **The South African Gandhi** Ashwin Desai,Goolam Vahed,2015-10-07 A biography detailing Gandhi s twenty year stay in South Africa and his attitudes and behavior in the nation s political context In the pantheon of freedom fighters Mohandas Karamchand Gandhi has pride of place His fame and influence extend far beyond India and are nowhere more significant than in South Africa India gave us a Mohandas we gave them a Mahatma goes a popular South African refrain Contemporary South African leaders including Mandela have consistently lauded him as being part of the epic battle to defeat the racist white regime The South African Gandhi focuses on Gandhi s first leadership experiences and the complicated man they reveal a man who actually supported the British Empire Ashwin Desai and Goolam Vahed unveil a man who throughout his stay on African soil stayed true to Empire while showing a disdain for Africans For Gandhi whites and Indians were bonded by an Aryan bloodline that had no place for the African Gandhi s racism was matched by his class prejudice towards the Indian indentured He persistently claimed that they were ignorant and needed his leadership and he wrote their resistances and compromises in surviving a brutal labor regime out of history The South African Gandhi writes the indentured and working class back into history The authors show that Gandhi never missed an opportunity to show his loyalty to Empire with a particular penchant for war as a means to do so He served as an Empire stretcher bearer in the Boer War while the British occupied South Africa he demanded guns in the aftermath of the Bhambatha Rebellion and he toured the villages of India during the First World War as recruiter for the Imperial army This meticulously researched book punctures the dominant narrative of Gandhi and uncovers an ambiguous figure whose time on African soil was marked by a desire to seek the integration of Indians minus many basic rights into the white body politic while simultaneously excluding Africans from his moral compass and political ideals Praise for The South African Gandhi In this impressively researched study two South African scholars of Indian background bravely challenge political myth making on both sides of the Indian Ocean that has sought to canonize Gandhi as a founding father of the struggle for equality there They show that the

Mahatma to be carefully refrained from calling on his followers to throw in their lot with the black majority The mass struggle he finally led remained an Indian struggle Joseph Lelyveld author of *Great Soul Mahatma Gandhi and His Struggle with India* This is a wonderful demonstration of meticulously researched evocative clear eyed and fearless history writing It uncovers a story some might even call it a scandal that has remained hidden in plain sight for far too long The South African Gandhi is a big book It is a serious challenge to the way we have been taught to think about Gandhi Arundhati Roy author of *The God of Small Things* *Travel and Movement in Clinical Psychology* Miraj Desai, 2018-03-15 This book concerns clinical psychology but it is most concerned with the world outside the clinic That world where culture history and economy are found radically impacts the public's mental health However these worldly considerations often do not feature centrally in the science and practice of clinical psychology a subfield of psychology seemingly dedicated to mental health Desai offers a corrective by travelling out of the clinic and into the world exploring ideas movements and thinkers that help broaden our approach to well being by situating it within its cultural historical and sociopolitical contexts The book aims to be an intercultural journey itself encountering Buddhism phenomenology Edmund Husserl Mahatma Gandhi and Rev Dr Martin Luther King Jr along the way Featuring a Foreword by Jeffrey Sachs the book positions pressing matters such as social justice racial justice and environmental justice as integral components of good mental health work The book will be of interest to readers interested in cultural and community approaches to psychological science and practice *Race and Transnationalism in the Americas* Benjamin Bryce, David M. K. Sheinin, 2021-05-04 National borders and transnational forces have been central in defining the meaning of race in the Americas *Race and Transnationalism in the Americas* examines the ways that race and its categorization have functioned as organizing frameworks for cultural political and social inclusion and exclusion in the Americas Because racial categories are invariably generated through reference to the other the national community has been a point of departure for understanding race as a concept Yet this book argues that transnational forces have fundamentally shaped visions of racial difference and ideas of race and national belonging throughout the Americas from the late nineteenth century to the present Examining immigration exclusion indigenous efforts toward decolonization government efforts to colonize sport drugs music populism and film the authors examine the power and limits of the transnational flow of ideas people and capital Spanning North America Central America South America and the Caribbean the volume seeks to engage in broad debates about race citizenship and national belonging in the Americas

Whispering the Techniques of Language: An Mental Journey through **Gandhi Before India Ramachandra Guha**

In a digitally-driven world where monitors reign supreme and immediate interaction drowns out the subtleties of language, the profound techniques and psychological subtleties concealed within words often go unheard. However, set within the pages of **Gandhi Before India Ramachandra Guha** a interesting literary prize pulsing with raw thoughts, lies a fantastic quest waiting to be undertaken. Composed by a talented wordsmith, that wonderful opus invites visitors on an introspective trip, softly unraveling the veiled truths and profound influence resonating within ab muscles fabric of every word. Within the emotional depths of the poignant evaluation, we shall embark upon a sincere exploration of the book is key styles, dissect their interesting publishing model, and yield to the strong resonance it evokes deep within the recesses of readers hearts.
