Medical-Surgical Nursing Test Success Karen K. Gittings, Rhonda M. Brogdon, Frances H. Cornelius, 2013-06-28 This is a unique case study reference for students in the medical surgical nursing core course and a review workbook for students about to embark on the NCLEX RN exam Unlike other reviews the book embeds required information into compelling

unfolding case studies that evolve over time in order to promote active learning and facilitate knowledge retention. These unfolding case studies are of particular value because they closely mimic real life situations in nursing and provide situational mental models that assist students with problem solving and critical thinking techniques. The unfolding case study method also assists in the development of skills that are important for NCLEX RN success in assessment planning, intervention, and evaluation of patient care. All content areas required for NCLEX RN success: safe and effective care, health promotion, physiological and psychological integrity, are interwoven in an enjoyable format that dispels the drudgery of straightforward memorization. A variety of NCLEX style question formats are used throughout the book to help students assess their own learning. Additionally, eResource links to additional information are included throughout the book.

Key Features:

- Uses unique unfolding case study method to present medical surgical concepts.
- Promotes active learning and knowledge retention.
- Develops problem solving and critical thinking skills.
- Provides all of types of NCLEX style questions for exam preparation.
- Offers eResources throughout the Review for enhanced learning opportunities.

Med-Surg Success
Kathryn Cadenhead Colgrove, Ray A. Hargrove-Huttel, 2010-11-19

The road to nursing success begins here. A complete review of core concepts. More than 2 265 classroom tested NCLEX style questions. Alternate item format too. Test taking hints and rationales for correct and incorrect answers. TWO BOOKS IN ONE. Course review now NCLEX prep later. Assure your mastery of medical surgical nursing knowledge while honing your critical thinking and test taking skills. The 2nd Edition of this popular resource features 2 000 questions that reflect the latest advances in medical surgical nursing and the new 2010 NCLEX RN test plan. The seemingly huge volume of information you must master has been organized into manageable sections divided by body systems and specific diseases. Each chapter is a self contained unit. For each practice question you'll find the answer, rationales for correct and incorrect responses, and a test taking tip. The comprehensive exam at the end of each chapter assesses your strengths and weaknesses, identifying areas for further study. The bonus CD ROM featuring 265 questions offers an interactive approach to course review and exam preparation. The success books have helped me so much in many of my nursing courses, specifically in my med surg nursing class. I found that the success books helped me to know where to focus my studying and also gave me a lot of great review questions that really prepared me for my exams. By using the med surg success book, my grades shot up from an 89 to a 96. Also, through the med surg success book, my grades were consistently in the mid to high 90's range. I encourage all my friends to use the success books, and they can agree that it has really helped them as well.
