RABINDRANATH TAGORE Hiranand banerjee, This book is a biography on the life of Rabindranath Tagore Tagore and Nationalism K. L. Tuteja, Kaustav Chakraborty, 2017-03-15 This volume brings together eminent Tagore scholars and younger writers to revisit the concepts of nation nationalism identity and selfhood civilization culture and homeland in Tagore s writings As these ideas take up the centre stage of politics in the subcontinent as also elsewhere in the world in the 21st century it becomes extremely relevant to revisit his works in this context Tagore s ambivalence towards nationalism as an ideology was apparent in the responses in his discussions with Indians and non Indians alike Tagore developed the concept of syncretic civilization as a basis of nationalist civilizational unity where society was central unlike the European model of state centric civilization However as the subterranean tensions of communalism became clear in the early 20th century Tagore reflexively critiqued his own political position in society He thus emerged as the critic of the nation nation state and in this he shared his deep unease with other thinkers like Romain Rolland and Albert Einstein This volume for the first time covers the socio political historical literary and cultural concerns relating to Tagore s efforts towards the decolonization of the Self The volume begins with various perspectives on Tagore s ambivalence about nationalism It encompasses critical examinations of Tagore s literary works and other art forms as well as adaptations of his works on film It also reads Tagore s nationalism in a comparative mode with contemporary thinkers in India and abroad who were engaged in similar debates **Grain of Sand** Rabindranath Tagore, 2003 It is the story of the rich Mahendra and his simple demure beautiful wife Asha Their cosy domestic scenario undergoes great upheaval with the introduction of the vivacious Binodini a young widow who comes to live with them A compelling portrayal of the complexity of relationship it is a landmark novel by the Nobel prize winning author *Rabindranath Tagore in the 21st Century* Debashish Banerji, 2014-12-15 This critical

volume addresses the question of Rabindranath Tagore's relevance for postmodern and postcolonial discourse in the twenty first century. The volume includes contributions by leading contemporary scholars on Tagore and analyses Tagore's literature, music, theatre, aesthetics, politics and art against contemporary theoretical developments in postcolonial literature and social theory. The authors take up themes as varied as the implications of Tagore's educational vision for contemporary India, new theoretical interpretations of gender, queer elements, feminism and subalternism in Tagore's literary and social expressions, his language use as a vehicle for a dialogue between positivism, Orientalism and other constructs in the ongoing process of globalization, the nature of the influence of Tagore's music and literature on national and cultural identity formation, particularly in Bengal and Bangladesh, and intersubjectivity and critical modernity in Tagore's art. This volume opens up a space for Tagore's critique and his creative innovations in present theoretical engagements. **Vinodini** Rabindranath Tagore, 1996-01-01. Vinodini Maithili. Translation By Surendra Jha Suman of Rabindranath Tagore's Bengali Novel Chokher Bali. Novelist Tagore Radha Chakravarty, 2016-04-08. Rabindranath Tagore is widely regarded as a poet, philosopher and educationist, but his novels remain a relatively underexplored aspect of his oeuvre. Focusing on gender and modernity as key features of his fiction, this book charts Tagore's evolution as a novelist from self-conscious psychologizing in Chokher Bali to an engagement with nationalism in Gora and Ghare Baire. The Home and the World, a portrayal of asceticism and desire in Chaturanga, Quartet, an analysis of marriage, sexuality and change in Bengali society in Yogayog, Relationships, an effervescent fusion of social satire and literary experimentation in Shesher Kabita, Farewell Song, and an intense dramatic study of love, politics and terrorism in Char Adhyay, Four Chapters. This study demonstrates that Tagore's writings cannot be readily assimilated within current theoretical frameworks and urges us to rethink the conventional oppositions between tradition and modernity, masculinity and femininity, East and West, and local and global. Addressing a major gap in the field, the book reconstructs Tagore as a novelist of eminent stature, demonstrates the range and complexity of his creative genius, his contribution to literary history, and the relevance of his reflections to our times. Enriched by insights into the biographical and socio-historical contexts of his novels, this book will be of special interest to researchers, teachers and students of comparative and world literature, history, postcolonial studies and gender studies, as also to Tagore enthusiasts. Performing Shakespeare in India Shormishtha Panja, Babli Moitra Saraf, 2024-07-20. This book is envisaged as an intervention in the ongoing explorations in social and cultural history into questions of what constitutes Indianness for the colonial and the postcolonial subject and the role that Shakespeare plays in this identity formation. Performing Shakespeare in India presents studies of Indian Shakespeare adaptations on stage, on screen, on OTT platforms, in translation, in visual culture and in digital humanities, and examines the ways in which these construct Indianness. Shakespeare in India has had multiple local interpretations in different media and equally wide-ranging responses, be it the celebration of Shakespeare as a bishwokobi, world poet in 19th-century Bengal, be it in the elusive adaptation of Shakespeare in Meitei and Tangkhul tribal art forms in

Manipur or be it in the clamour of a boisterous Bollywood musical In the response of diasporic theatre professionals or in Telugu and Kannada translations whether resisted or accepted with open arms Shakespeare in India has had multiple local interpretations in different media All the essays are connected by the common thread of extraordinary negotiations of postcolonial identity formation in language in politics in social and cultural practices or in art forms **The Quest** ,1913
