Christian Theology An Introduction 4th Edition

Alister E. McGrath

Christian Theology An Introduction 4th Edition:

Christian Theology Alister E. McGrath, 2011-01-14 Alister McGrath's *Christian Theology An Introduction* is one of the most internationally acclaimed and popular Christian theology textbooks in use today. This 5th edition has been completely revised and now features new and extended material, numerous additional illustrations, and companion resources ensuring it retains its reputation as the ideal introduction to Christian theology. Fully updated 5th edition of the bestselling textbook incorporating expanded material, numerous student features, and new illustrations. Features new sections on Copernicanism and Darwinism. Includes extended discussions of Augustine's doctrine of creation, Trinitarian theologies of religion, and the relation of Christianity to other faiths. May be used as a stand-alone volume or alongside the *Christian Theology Reader* 4th edition for a complete overview of the subject. Retains the chapter structure of the 4th edition, ensuring comparability with earlier editions and courses based on these. Accompanied by a revised instructor's website featuring expanded resources including study questions and answers. Visit www.wiley.com/go/mcgrath for more details and to register for access.

The Christian Theology Reader Alister E. McGrath, 2016-10-17 Regarded as the leading text in Christian theology for the last 25 years, Alister E. McGrath's *The Christian Theology Reader* is now available in a new 5th edition featuring completely revised and updated content. Brings together more than 350 readings from over 200 sources that chart 2,000 years of Christian history. Situates each reading within the appropriate historical and theological context with its own introduction, commentary, and study questions. Includes new readings on world Christianity and feminist liberation and postcolonial theologies, as well as more selections by female theologians and theologians from the developing world. Contains additional pedagogical features such as new discussion questions and case studies, and a robust website with new videos by the author to aid student learning. Designed to function as a stand-alone volume or as a companion to *Christian Theology An Introduction* 6th edition for a complete overview of the subject.

Theology Alister E. McGrath, 2017-09-12 This fourth edition of the international bestseller is the ideal introduction for those who are new to Christian theology. In this revised and expanded edition, the author introduces readers to the central ideas and beliefs, the key debates, and the leading thinkers of Christianity. Throughout, the aim is to bring clarity and brevity to the central ideas of theology, both traditional and contemporary. The text comprehensively covers the individual doctrines that form the Christian belief system, weaving together these doctrines, their history, and the intellectual nuance behind them into an interconnected web. All major Christian denominations are explored, as are their differences and shared customs and beliefs. This rich tapestry results in a clear view of Christianity, providing a coherent vision of the religion in its main forms.

Theology Alister E. McGrath, 2018-02-05 This highly successful and popular book is now available in a thoroughly expanded and updated new edition. Alister E. McGrath, one of the world's leading theologians, provides readers with a concise and balanced introduction to Christianity as it has been interpreted by many of its greatest thinkers and commentators from its beginning to the

modern day Theology The Basic Readings 3rd Edition comprises sixty eight readings spanning twenty centuries of Christian history To help readers engage with the material each reading is accompanied by an introduction comments study questions and a helpful glossary of terms used by its author Readings are drawn from a broad theological spectrum and include both historical and contemporary mainstream and cutting edge approaches Uses the Apostles Creed as a framework to introduce readers to writings on key issues such as faith God Jesus creation and salvation Represents two thousand years of sustained critical reflection within western Christianity Encourages readers to interact with each text and to engage with primary sources Serves as an ideal companion to the bestselling Theology The Basics or as a standalone text Theology The Basic Readings 3rd Edition is an essential guide to the topics themes controversies and reflections on Christianity as they have been understood by many of its greatest commentators

Defending the Faith Bruce A. Little, Mark Liederbach, 2011 Scholars pay tribute to late Southern Baptist philosopher and apologist L Russ Bush remembering his efforts to engage the culture for Christ Contributors include Norman Geisler and Richard Land

Salt, Light, and a City, Second Edition Graham Joseph Hill, 2017-06-13 Graham Hill s pioneering classic remains the seminal work on missional ecclesiology The bestselling first edition redefined theology for the missional church Hill builds biblical foundations in conversation with major theologians including Sarah Coakley John Zizioulas Stanley Hauerwas Miroslav Volf and Jurgen Moltmann In this major update he offers new insights and provides fresh examples of missional churches In the first edition Hill interacted with twelve major theologians to build a missional ecclesiology In this thoroughly updated edition he interacts with sixteen major theologians from the Western world This edition includes five new chapters and an expanded treatment on the key convictions of global missional theology It also offers a new study guide that has been uploaded on an innovative website linked to this book This expanded edition now becomes volume 1 in a series on missional ecclesiology In volume 2 Hill will turn our attention to voices from the Majority World Known for his groundbreaking approach to theology theology for the global missional community Hill shows how God is releasing his global church to mission across all cultures and Christian traditions This extensive update to Hill s influential work offers pioneering theology and practices that will continue to shape the global missional church for generations Contributors 1 Joseph Ratzinger Benedict XVI The Church as Communion 2 Karl Rahner The Church as Community of Witness 3 Hans Kung The Church as Eschatological Community of Salvation 4 Catherine LaCugna The Church as Trinitarian Community Eastern Orthodox 5 Thomas Hopko The Church as Fullness of God 6 Vigen Guroian The Church as Peculiar and Ethical Community 7 John Zizioulas The Church as Eucharistic Communion 8 Frederica Matthews Greene The Church as Praying and Transformed Community Protestant 9 Letty Russell The Church as Household of Freedom 10 Jurgen Moltmann The Church as Messianic and Relational Koinonia 11 John Webster The Church as Communion of Saints 12 Dana L Robert The Church as Global and Missional People Free Church 13 John Howard Yoder The Church as New Redeemed Community 14 Barry Harvey The Church as Altera Civitas 15 Miroslav Volf The Church as

Image of the Trinity 16 Reta Halteman Finger The Church as World Transforming Homes **"The Eyes of Your Heart"**

Alison Searle, 2009-04-01 This book develops a theory of imagining biblically that explores the contributions scripture can make to a new way of thinking about creativity reading interpretation and criticism The methodology employed in order to demonstrate this thesis consists of a theoretical exploration of current theological understandings of the imagination and their implications within the fields of literary studies The biblical texts locates the function generally defined as imagination in the heart the eyes of your heart Ephesians 1 18 This book assesses what the biblical text as a literary and religious document contributes to the concept of imagination Due to the eclectic nature of the individual books that comprise the scriptural canon the text is considered primarily in terms of its overarching metanarrative language genres and theological propositions Tracing the various trajectories the biblical text opens up and the ways in which they intersect with and modify post Romantic assumptions about the imagination reconfigures traditional definitions of this concept A Calvinistic evangelical hermeneutic is deployed to establish a theoretical concept of what it means to imagine biblically This is further substantiated by a comparative study of authors ranging from the seventeenth to the twentieth centuries John Bunyan Samuel Rutherford Jane Austen Charlotte Bronte and C S Lewis Each author s chapter incorporates a close reading of a key text which concretely examines various trajectories of imagining biblically including creativity faith morals narrative Romanticism and eschatology The conclusion returns to the biblical text and draws these elements together with a definition of the concept of imagining biblically and its implications for literary studies The Dawkins Delusion? Alister McGrath, Joanna Collicutt

McGrath, 2007-05-25 World renowned scientist Richard Dawkins writes in The God Delusion If this book works as I intend religious readers who open it will be atheists when they put it down The volume has received wide coverage fueled much passionate debate and caused not a little confusion Alister McGrath along with his wife Joanna are ideal to evaluate Dawkins s ideas Once an atheist himself he gained a doctorate in molecular biophysics before going on to become a leading Christian theologian He wonders how two people who have reflected at length on substantially the same world could possibly have come to such different conclusions about God McGrath subjects Dawkins s critique of faith to rigorous scrutiny His exhilarating meticulously argued response deals with questions such as Is faith intellectual nonsense Are science and religion locked in a battle to the death Can the roots of Christianity be explained away scientifically Is Christianity simply a force for evil This book will be warmly received by those looking for a reliable assessment of The God Delusion and the many questions it raises including above all the relevance of faith and the quest for meaning **Science and Christianity** Tim

Reddish, 2016-08-15 Too often conversations on Science and Christianity skate over much deeper assumptions or perceptions on the nature and interpretation of Scripture and the nature of science and of God Instead the rhetoric goes quickly towards contentious issues like evolution global warming or genetic engineering without establishing a framework of mutual understanding Consequently conversations can take place between people who completely misunderstand each other

because those foundations have not been clearly articulated In this introductory book you are invited on a journey of discovery one that makes us self aware of our starting assumptions It is only from a framework of critical engagement with both science and the Bible that contemporary issues and the needs of the church and society can be addressed While the Creator is one who brings order this book also reminds us that untamed chaos also has a God ordained place within creation The author explores the element of chance that seems to be at the heart of nature and shows how this can be incorporated constructively within Christian thinking Nature is not mere mechanism and is more open than we might first think This means that miracles are scientifically plausible and prayer can really change things **Without Resurrection, There is no Christianity** Dr. Octavian Caius Obeada, At the heart of Christianity lies a pivotal claim the resurrection of Jesus Christ This singular event defines the faith and distinguishes it from all other religions philosophies and worldviews Without Resurrection There is no Christianity Challenges and Divisions embarks on an exploratory journey to understand why two millennia later the resurrection remains a beacon of hope for millions a subject of intense scholarly debate and a cornerstone of theological discourse history and faith in profound ways WHERE IS THE PAPERBACK AVAILABLE <https://amzn.to/3XDDa4Y>

Understanding the Divide Lyle K. Weiss, Thomas M. Tasselmyer, 2018-05-09 In *Understanding the Divide* A Presbyterian Elder a Roman Catholic Theologian and Basic Questions of the Christian Faith a Presbyterian Elder and a Roman Catholic theologian reflect in dialogical fashion on basic but critical dimensions of contemporary Christian faith How should we interpret the Bible How do we get to heaven What are sacraments and what is their function Who are the saints and what role if any do they continue to play in the life of the Christian community Tom Tasselmyer a Ruling Elder in the Presbyterian Church in America and Lyle K Weiss a Roman Catholic theologian respond to these and other questions offering two distinct contemporary visions of an ancient faith In alternating chapters Tom and Lyle engage in dialogue concerning basic questions of Christian faith from Reformed and Roman Catholic perspectives providing readable intelligible and accessible answers to questions believers are asking while simultaneously stimulating ongoing thought and fostering mutual respect between two rich traditions within the broader Christian family **Receptive Ecumenism and the Renewal of the Ecumenical Movement** Antonia Pizzey, 2019-05-15 Receptive Ecumenism is a ground breaking new ecumenical approach widely regarded as having the potential to revitalise the Ecumenical Movement But what is Receptive Ecumenism Why is it important In *Receptive Ecumenism and the Renewal of the Ecumenical Movement* Antonia Pizzey offers a comprehensive systematic analysis of Receptive Ecumenism While still emerging Receptive Ecumenism is highly promising because it prioritises the need for ecclesial conversion Pizzey explores the scope and complexity of Receptive Ecumenism providing much needed clarity on its aim key developmental influences and distinctiveness as well as its virtuous character and relationship with Spiritual Ecumenism The major implementations of Receptive Ecumenism to date are investigated along with its significance for the future of ecumenism especially regarding its engagement with contemporary challenges

Eschatological Discipleship Trevin Wax, 2018-04-01 Discipleship is eschatological in nature because the church that makes and receives disciples is eschatological in nature. Often eschatology is thought to refer only to last things doctrines. However, eschatology in its broader sense encompasses the Christian view of time and the future of the world, informing both one's evangelism and ecclesiology. Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview, imbalanced discipleship, and eventually a tragic inability to model the Christian way of life. By answering questions like "What time is it?" and "Where is history going?" Trevin Wax helps Christians view the past, present, and future biblically and shapes their understanding of following Jesus.

Do Historical Matters Matter to Faith? James K. Hoffmeier, Dennis R. Magary, 2012-02-29 Is historical accuracy an indispensable part of the Bible's storyline, or is Scripture only concerned with theological truths? As progressive evangelicals threaten to reduce the Bible's jurisdiction by undermining its historical claims, every Christian who cares about the integrity of Scripture must be prepared to answer this question. *Do Historical Matters Matter to Faith* offers a firm defense of Scripture's legitimacy and the theological implications of modern and postmodern approaches that teach otherwise. In this timely and timeless collection of essays, scholars from diverse areas of expertise lend strong arguments in support of the doctrine of inerrancy. Contributors explore how the specific challenges of history, authenticity, and authority are answered in the text of the Old and New Testaments, as well as how the Bible is corroborated by philosophy and archaeology. With contributions from respected scholars including Allan Millard, Craig Blomberg, Graham Cole, Michael Haykin, Robert Yarborough, and Darrell Bock, *Do Historical Matters Matter to Faith* arms Christians with fresh insights, arguments, and language with which to defend Scripture's historical accuracy against a culture and academy skeptical of those claims.

The Teaching Ministry of the Church William Yount, 2008-08-15 Updated and expanded, the second edition of *The Teaching Ministry of the Church* offers churches a step-by-step plan for establishing and maintaining effective teaching methods for every age.

Donne's God P.M. Oliver, 2018-05-15 His contemporaries recognised John Donne (1572-1631) as a completely new kind of poet. He wrote one enthusiast, Copernicus in Poetry. But in the winter of 1614-15, Donne abandoned part-time versification for full-time priestly ministry, quickly becoming one of the most popular preachers of his time. While his verse has never been short of modern admirers, his sermons have recently begun to receive their full share of serious attention. Yet there exists almost no theologically informed criticism to assist readers with navigating, let alone appreciating, the intricacies of Donne's religious thinking. The need for such criticism is especially urgent since many readers approach his writing today with little previous knowledge of Christian doctrine or history. This book supplies that deficiency. Starting from the assumption that theology is inevitably the product of the human imagination, a perception that is traced back to major early Christian writers, and something that Donne implicitly acknowledged, it probes the complex amalgam that constituted his ever-shifting vision of the deity. It examines his theological choices and their impact on his preaching, analysing the latter with reference to its sometimes strained relationship with

Christian orthodoxy and the implications of this for any attempt to determine how far Donne may legitimately be viewed as a mouthpiece for the Jacobean and Caroline Church of England The book argues that the unconventionality that characterises his verse is also on display in his sermons As a result it presents Donne as a far more creative and risk taking religious thinker than has previously been recognised especially by those determined to see him as a paragon of conventional Christian orthodoxy

The Christian Century and the Rise of the Protestant Mainline Elesha J. Coffman,2013-04-04 The Christian Century and the Rise of the Protestant Mainline offers the first full length critical study of The Christian Century widely regarded as the most influential religious magazine in America for most of the twentieth century and hailed by Time as Protestantism s most vigorous voice Elesha Coffman narrates the previously untold story of the magazine exploring its chronic financial struggles evolving editorial positions and often fractious relations among writers editors and readers as well as the central role it played in the rise of mainline Protestantism Coffman situates this narrative within larger trends in American religion and society Under the editorship of Charles Clayton Morrison from 1908 1947 the magazine spoke out about many of the most pressing social and political issues of the time from child labor and women s suffrage to war racism and the internment of Japanese Americans during World War II It published such luminaries as Jane Addams Reinhold Niebuhr and Martin Luther King Jr and jostled with the Nation the New Republic and Commonweal as it sought to enlarge its readership and solidify its position as the voice of liberal Protestantism But by the 1950s internal strife between liberals and neo orthodox and the rising challenge of Billy Graham s evangelicalism would shatter the illusion of Protestant consensus The coalition of highly educated theologically and politically liberal Protestants associated with the magazine made a strong case for their own status as shepherds of the American soul but failed to attract a popular following that matched their intellectual and cultural clout Elegantly written and persuasively argued The Christian Century and the Rise of the Protestant Mainline takes readers inside one of the most important religious magazines of the modern era

[The Trinity Hurdle](#) Ruth Sutcliffe,2016-01-04 Why do groups such as Christadelphians Jehovah s Witnesses and Unitarians have such difficulty with the doctrine of the Trinity Do they really understand the doctrine they oppose From the mainstream Christian perspective perhaps a lack of understanding about the way these other groups view the Scriptures may have hampered a clear presentation of the orthodox doctrine The Trinity Hurdle is a scriptural and historical defense of the doctrine of the Triune God and substitutionary atonement for Christadelphians other non Trinitarians and those engaging with them from an author who is familiar with both sides of the doctrinal divide

A Sense of Belonging Hilton Scott,2022-03-08 This book takes an interdisciplinary approach to a societal challenge that both affects and is affected by the church in multi racial multi cultural and otherwise pluralistic communities In certain contexts around the world there are pertinent examples of the struggles that come with learning to live together in the midst of diversity and plurality such as the post apartheid Republic of South Africa However these more often than not racial and cultural struggles could be eased by developing worship

services that are more relevant and inclusive This in turn should instil a sense of belief and a way of inclusive thinking culminating in more inclusive living The approach developed in this book stems from the aphorism *lex orandi lex credendi lex con vivendi* or as we pray so we believe so we live together

Mission in Malawi: Essays in Honour of Klaus Fiedler S. Nkhoma, 2021-10-29

The first four essays in *Mission in Malawi* reassess the meaning nature and place of mission in a postmodern world Subsequent essays examine various issues that missionaries and the Church in Malawi have and continue to struggle with These range from the problem of administering church discipline the challenge of Bible translation the question of how to deal with corruption in the corridors of power to the challenges of dealing with initiation rites HIV AIDS patriarchy gender inequality the exercise of the Church's prophetic role lack of contextualized theology and the difficult task of creating an inclusive church and society The last three essays are an attempt to describe a contextual theology appropriate for the African church construct a theology for Malawi and project a future for mission in Malawi in the context of a changing world These essays offer a rare window into the life and struggles of the Malawian Church even as it faces the postmodern future The essays are not only informative but also challenging and thought provoking Scholars students and other readers who share an interest in mission and the life of the Church in Malawi will find this collection of essays indispensable in the many years to come
