INTRODUCTION

This guide is the result of 2 years of my research into the best methods to have more power and choice with the opposite sex. In a nutshell, I put this guide together to help other men do better with women. I think that ultimately what every man wants is to meet that ONE special woman. Unfortunately, you may have to meet dozens, if not hundreds, of women before you'll find "the one". And if you don't have the knowledge and experience to deal properly with women in the first place, odds are you'll blow it when you finally meet that special woman. I've seen it... firsthand. When the woman of your dreams DOES come around, you're going to have to say and do everything right. Truly spectacular women are few and far between, so you'd better be ready. This guide is designed to give you a comprehensive, user-friendly system in order to be ready when that time comes. About half the contents of this guide are a compilation of my thinking and experience. The other half are compiled from the excellent material and ideas from: David DeAngelo (www.doubleyourdating.com) Tyler Durden (www.realsocialdynamics.com) Swagcat (www.realworldseduction.com) Mystery (www.mysterymethod.com) Moderated alt.seduction.fast (mASF) (www.fastseduction.com), and the great contributions to that board by Tyler Durden, Style, Mystery, Papa, jlaix, and many others. Cliff's Newsletter (www.be-relentless.com) The Don Juan Newsletter (www.sosave.com), Thundercat's Seduction Lar (www.thundercatseductionlar.com) The Player's Guide from AskMen.com (www.playersguide.com) Tony's Lay Guide (www.layguide.com) Ross Jeffries' Speed Seduction (www.seduction.com) You can investigate these websites and their material on your own, however with this guide I've done all the work for you, and "trimmed the fat" in their systems to give you the bare bones of what works. Just as I've taken from others, feel free to take what you find herein and adapt it to your own style and needs. What you'll find different about my guide is that I don't just lay out broad principles and expect people to be able to apply them. It's not enough to just tell a guy to "Say something to her to show that her testing doesn't affect you". He needs to see examples of WHAT to say to
