Fragments Marilyn Monroe:

Fragments Marilyn Monroe, 2010-10-12 Marilyn Monroe's image is so universal that we can't help but believe that we know all there is to know of her. Every word and gesture made headlines and garnered controversy. Her serious gifts as an actor were sometimes eclipsed by her notoriety and the way the camera fell helplessly in love with her. But what of the other Marilyn? Beyond the headlines and the too familiar stories of heartbreak and desolation was a woman far more curious, searching and hopeful than the one the world got to know. Even as Hollywood studios tried to mold and suppress her, Marilyn never lost her insight, her passion and her humour. To confront the mounting difficulties of her life, she wrote. Now for the first time we can meet this private Marilyn and get to know her in a way we never have before. *Fragments* is an unprecedented collection of written artifacts: notes to herself, letters, even poems in Marilyn's own handwriting, never before published, along with rarely seen intimate photos. These bits of text, jotted in notebooks, typed on paper or written on hotel letterhead, reveal a woman who loved deeply and strove to perfect her craft. They show a Marilyn Monroe unsparing in her analysis of her own life but also playful, funny and impossibly charming. The easy grace and deceptive lightness that made her performances so memorable emerge on the page, as does the simmering tragedy that made her last appearances so heartbreaking. *Fragments* is an event, an unforgettable book that will redefine one of the greatest stars of the twentieth century and which, nearly fifty years after her death, will definitively reveal Marilyn Monroe's humanity.

Marilyn Monroe, 2010 Marilyn Monroe lived the Hollywood dream. Born into a difficult family situation, subjected to foster care and claims of illegitimacy, Norma Jean Baker managed to rise from her humble upbringing to international stardom with classic comic performances in *Some Like It Hot* and *Gentlemen Prefer Blondes* and many others. But the beautiful and charismatic Monroe was haunted by illness and psychological distress. After her unexpected death by overdose, Monroe has become one of the most intriguing and most beloved of Hollywood's fallen stars. *Fragments* offers a sensitive and personal insight into the mysterious and tragic Marilyn Monroe through never before seen letters and documents revealing the woman behind the legend.

Les textes inédits de Marilyn Monroe écrits entre 1943 et 1962. Tout un univers intérieur pour découvrir l'autre face de l'icône. **Fragments of Monroe** Soth Moon, 2013-03. I used to be Marilyn Monroe. From inside the looking glass, it makes little difference whether it is a schizophrenic or shamanic reality. **An Actress Prepares** Rosemary Malague, 2013-06-17. Every day, thousands of women enter acting classes where most of them will receive some variation on the Stanislavsky-based training that has now been taught in the U.S. for nearly ninety years. Yet relatively little feminist consideration has been given to the experience of the student actress. What happens to women in Method actor training? **An Actress Prepares** is the first book to interrogate Method acting from a specifically feminist perspective. Rose Malague addresses the Method not only with much needed critical distance but also the crucial insider's view of a trained actor. Case studies examine the preeminent American teachers who popularized and transformed elements of Stanislavsky's System within the U.S.: Strasberg, Adler, Meisner, and Hagen, by analyzing and comparing their related but distinctly different approaches. This book confronts the sexism that still exists in actor training and exposes the gender biases embedded within the Method itself. Its in-depth examination of these Stanislavskian techniques seeks to reclaim Method acting from its patriarchal practices and to empower women who act. I've been waiting for someone to write this book for years: a thoroughgoing analysis and reconsideration of American approaches to Stanislavsky from a feminist perspective, lively, intelligent, and engaging. Phillip Zarrilli, University of Exeter. Theatre people of any gender will be transformed by Rose Malague's eye-opening study **An Actress Prepares**. This book will be useful to all scholars and practitioners determined to make gender equity central to how they hone their craft and their thinking. Jill Dolan, Princeton University. **The Madder Stain** Annie Ramel, 2015-06-02. The madder stain imprinted on Tess d'Urberville's arm is part of a motif which runs through Hardy's fiction. Similar to Barthes's punctum shooting out of the studium, the stain is a place where the Real erupts, a blind spot that eludes interpretation. In the diegesis of the tragic novels, it is a surplus object whose intrusion disrupts reality and spells disaster. This book attempts to approach that unknowable kernel of *jouissance* by using Lacan's concepts of object gaze and object voice, sometimes revisited by Žižek. The stain has a vocal quality; it is silence audible. In a world where sound cannot reverberate for lack of a structural void, voice is by necessity muted, stuck in the throat. Hence the peculiar quality of Tess's voice: a silent feminine cry that has retained something of the lost vocal object. The sound of silence is what Hardy's poetic prose allows us to hear. **Confessions of a Serial Biographer** Carl

Rollyson,2016-03-09 Some critics rank biographers just above serial murderers The author of this book a self described member of the Samuel Johnson school doesn t share this view An account of a life he believes should adhere to the truth as the biographer sees it not to the sentiments of others This memoir of a professional biographer s life tells the inside story of how he became interested in his subjects and reveals the mechanics of the trade how to assemble proposals for publishers conduct interviews and archival research and joust with editors subjects and their literary estates Other biographers have described their process but remained discrete not wishing to offend their sources and supporters This author has forgone such caution *Icon, Libertine, Leader* Mark White,2024-11-14 This new biography of JFK offers a comprehensive analysis of the man the leader and the cultural icon Mark White the leading authority in Britain on JFK draws on more than 30 years of research to provide a nuanced portrait of one of the most iconic figures in American and world history John F Kennedy was a president like no other with a movie star s public image and an extraordinary private life He was no less remarkable politically with his achievements including the resolution of the 1961 Berlin crisis and the Cuban missile crisis the Nuclear Test Ban Treaty and a strong commitment to civil rights This book provides what no previous biography has an in depth analysis of not only JFK s political life particularly his record as a policymaker in the White House but also his private life his role as a cultural icon and what might have happened to a Kennedy presidency had he not been assassinated This sophisticated multi dimensional biography sheds new light on JFK s life and legacy and makes a compelling case for why he was the finest president of his generation **Art & Text** ,1985 *Beyond New Media* Art Herbig,Andrew F.
