

FRANKENSTEIN

PRE-READING ACTIVITIES

- 1- Frankenstein is a monster who creates devastation, born thanks to a madman who wanted to create a perfect human to begin a new era.
- 2- I know it to be a horror and a tragic story, even if I never read or watched any version of Frankenstein before.
- 3- He is a devastating monster, but with an uncanny intelligence and knowledge of mankind.
- 4- The character of Frankenstein is used, in my opinion, as an inspiration to every film or book villain who, before becoming a bad person, has been put to the borders of society or somehow excluded. That exclusion not only gives him (or her) a pain that becomes rage and that the villain unleashes on everybody who wronged him, but also gives him a deep knowledge about the people who surround him.

ACTIVITIES WHILE READING (introduction)

- 1- That she was a dreamer who loved to write since a young age, who lived in Scotland and came from a family of famous writers. That she had an husband who strongly encouraged her.
- 2- that they were born during a rainy summer when Lord Byron, their neighbour asked them to write a ghost story each and Mary Shelley being clueless about the plot of it, choose to write about a nightmare she had.
- 3- hideous phantasm, frightful, terrify, horror stricken, hideous corpse, horrid thing.
- 4- "frightful must it be, for supremely frightful would be the effect of any human endeavour to mock the stupendous mechanism of the Creator of the world".

(preface)

- 1-
- 2- No, I already knew everything about the author and the circumstances of the story's writing.
- 3- Prometheus was a demigod who choose to bring fire to the humans against his father Zeus' will.

Letters I-IV

- 1-2-3-4-5-6 Walton is writing to his sister, with whom he has a very good relationship. He's going to explore "a land never before imprinted by the foot of a man". He is optimistic, idealistic and ambitious, but also very lunatic, but above all he says he needs a companion. He is firm but gentle with the members of his crew.
- 7- the idea of "strange", connected with the man on the sledge, is emphasized by "being " and "gigantic".
- 8- that he is a man who has suffered a lot, both physically and psychologically.
- 9- Walton finds astonishing that a man on the brink of death would ask where are they going: many in his place would have begged for help.
- 10- he travelled so far to seek one who fled from him.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
