Freedom Constant Struggle Palestine Foundations:

Freedom Is a Constant Struggle Angela Davis, 2016-02-09 Activist teacher author and icon of the Black Power movement Angela Davis talks Ferguson Palestine and prison abolition *Global Hip-hopography* Quentin Williams, Jaspal Naveel Singh, 2023-07-27 This book brings together a range of hip hop scholars artists and activists working on Hip Hop in the Global North and South with the goal of advancing Hip-hopographic research as a critical methodology with critical fieldwork methods that can provide a critical perspective of our world The authors focus in this volume is to present an anthology of essays that expand the remit of Hip-hopography as an approach to the study of Hip Hop that is not only sensitive to the social economic political and cultural lives of Hip Hop Culture participants as interpreters and theorists but one that continues to humanize the whole person behind the decks on the mic rocking on the linoleum floor painting in front of a wall and seeking that Knowledge of Self This book will be relevant to Hip Hop scholars in fields such as cultural studies and history sociolinguistics linguistic anthropology and ethnography and race studies while Hip Hop heads themselves will find parts of this book that represent their culture in ethical and informative ways *The Palgrave International Handbook on Adult and Lifelong Education and Learning* Marcella Milana, Sue Webb, John Holford, Richard Waller, Peter Jarvis, 2017-10-10 This Handbook provides a wide ranging frame of reference for researching adult and lifelong education and learning With contributions from scores of established and newer scholars from six continents the volume covers a diverse range of geopolitical and social territories across the world Drawing on the multiple heritages that underpin research on education and learning in adulthood this Handbook addresses the inner tensions between adult education adult learning lifelong education and lifelong learning by using current research and theorizations from disciplinary backgrounds including philosophy psychology biology and neuroscience anthropology sociology history political science and economics It provides an explicit discussion of the differences and tensions between adult and lifelong education and learning and locates these in different policy and historical contexts theories and practices It explores a variety of discipline based theoretical perspectives and highlights how these have influenced and been influenced by research in the education and learning of adults The Handbook also explores the inevitable frictions and dilemmas these present and carefully examines the role of the international dimension in researching education and learning in formal non formal and informal contexts beyond traditional schooling This state of the art comprehensive Handbook is the first of its kind to explore adult education lifelong education and lifelong learning fully as distinct activities on an international scale It will be an indispensable reference resource for students of education at undergraduate and postgraduate levels and for academic researchers professionals and policy makers concerned with adult and community education further and vocational education or work based training and human resource development **Ritual, Resistance, and Liberation** Jin Young Choi, 2025-06-30 While ritual creates a shared and conventional world of human sociality and expresses and controls the meaning of experience it also functions to set

boundaries and promote normativity This volume explores the intersections of ritual with mechanisms and forces of power such as patriarchy tradition colonialism authoritarianism and capitalism on the one hand and ritual s potential for resistance resilience and restoration on the other hand The Betrayal of Witness Stanley Hauerwas,Hans S. Reinders,2024-04-16 The downfall of Jean Vanier due to the history of sexual abuse that came to light in 2020 has shocked everyone familiar with his life and work as the founder and leader of L Arche The authors in this book raise significant questions regarding his influential legacy and its relevance for theology and disability and for L Arche in particular Without any attempt to whitewash or downplay the seriousness of his transgressions the question cannot be avoided to sort out the good and the bad in Vanier It requires soul searching on the part of his theological heirs and those who have been influenced by him Finally his work with and influence upon L Arche raises the question of sustainability and how its communities might or might not be shaped by his tarnished legacy **Race, Religion, and Black Lives Matter** Christopher Cameron,Phillip Luke

Sinitiere,2021-08-15 Black Lives Matter like its predecessor movements embodies flesh and blood through local organizing national and global protests hunger strikes and numerous acts of civil disobedience Chants like All night All day We re gonna fight for Freddie Gray and No justice no fear Sandra Bland is marching here give voice simultaneously to the rage truth hope and insurgency that sustain BLM While BLM has generously welcomed a broad group of individuals whom religious institutions have historically resisted or rejected contrary to general perceptions religion neither has been absent nor excluded from the movement s activities This volume has a simple but far reaching argument religion is an important thread in BLM To advance this claim Race Religion and Black Lives Matter examines religion s place in the movement through the lenses of history politics and culture While this collection is not exhaustive or comprehensive in its coverage of religion and BLM it selectively anthologizes unique aspects of Black religious history thought and culture in relation to political struggle in the contemporary era The chapters aim to document historical change in light of current trends and current events The contributors analyze religion and BLM in a current historical moment fraught with aggressive fascist authoritarian tendencies and one shaped by profound ingenuity creativity and insightful perspectives on Black history and culture

Performance Studies: The Basics Andreea S. Micu,2021-10-25 Performance Studies The Basics offers an overview of the multiple often overlapping definitions of performance from performance art performance as everyday life and rituals to the performative dimensions of identity such as gender race and sexuality This book defines the interdisciplinary field of performance studies as it has evolved over the past four decades at the intersection of academic scholarship and artistic and activist practices It discusses performance as an important means of communicating and of understanding the world highlighting its intersections with critical theory and arguing for the importance of performance in the study of human behaviour and social practices Complete with a helpful glossary and bibliography as well as suggestions for further reading this book is an ideal starting point for those studying performance studies as well as for general readers with an interest in

Antiracism Alex Zamalin, 2019-03-19 An introduction to antiracism a powerful tradition crucial for energizing American democracy On August 12 2017 in Charlottesville Virginia a rally of white nationalists and white supremacists culminated in the death of a woman murdered in the street Those events made clear that racism is alive and well in the United States of America However they also brought into sharp relief another American tradition antiracism While racists marched and chanted in the streets they were met and matched by even larger numbers of protesters calling for racism s end Racism is America s original and most enduring sin with well known historic and contemporary markers slavery lynching Jim Crow redlining mass incarceration police brutality But racism has always been challenged by an opposing political theory and practice Alex Zamalin s *Antiracism* tells the story of that opposition The most theoretically generative and politically valuable source of antiracist thought has been the black American intellectual tradition While other forms of racial oppression for example anti-Semitism Islamophobia and anti-Latino racism have been and continue to be present in American life antiblack racism has always been the primary focus of American antiracist movements From antislavery abolition to the antilynching movement black socialism to feminism the long Civil Rights movement to the contemporary Movement for Black Lives *Antiracism* examines the way the black antiracist tradition has thought about domination exclusion and power as well as freedom equality justice struggle and political hope in dark times *Antiracism* is an accessible introduction to the political theory of

black American antiracism through a study of the major figures texts and political movements across US history Zamalin argues that antiracism is a powerful tradition that is crucial for energizing American democracy Civic Engagement in Communities of Color Kristen E. Duncan,2023 Situated at the intersection of race and civics this volume discusses how communities of color interpret and enact civics both within and beyond the classroom Chapters focus on historical and contemporary topics ranging from issues facing Asian immigrant communities to the Black Lives Matter at School curriculum Civic Engagement in Communities of Color will help classroom teachers teacher candidates and teacher educators identify where white washed civics curricula fail students of color and begin to understand how marginalized communities conceive and enact civics without the deficit lens It will also help education researchers understand the various frameworks that communities of color use to approach civics and civic education Chapter authors include established and emerging civic education scholars including Leilani Sabzalian ArCasia James Gallaway Jes s Tirado and Brittany Jones Book Features Reimagines civics teaching and learning in communities of color expanding current frameworks for what civic education is and can be Disrupts the idea that civics is a singular notion that should only be viewed through one specific lens Provides specific examples showing how racially marginalized people have created their own civic spaces Includes chapters on Black Indigenous Arab Immigrant South Asian American and Southeast Asian American communities Contributors Annaly Babb Guerra Carla Ann Brown Aviv Cohen Tommy Ender Sabryna Groves ArCasia James Gallaway Denisha Jones Erica Kelly Sarah Mathews Timothy Monreal Aline Muff Natasha C Murray Everett Tiffany Mitchell Patterson Ritu Rakrishnan Leilani Sabzalian Crystal Simmons Jes s Tirado Van Anh Tran Shianne Walker Elizabeth Yeager Washington Rasheeda West Asif Wilson *Remaking Black Power* Ashley D. Farmer,2017-10-10 In this comprehensive history Ashley D Farmer examines black women s political social and cultural engagement with Black Power ideals and organizations Complicating the assumption that sexism relegated black women to the margins of the movement Farmer demonstrates how female activists fought for more inclusive understandings of Black Power and social justice by developing new ideas about black womanhood This compelling book shows how the new tropes of womanhood that they created the Militant Black Domestic the Revolutionary Black Woman and the Third World Woman for instance spurred debate among activists over the importance of women and gender to Black Power organizing causing many of the era s organizations and leaders to critique patriarchy and support gender equality Making use of a vast and untapped array of black women s artwork political cartoons manifestos and political essays that they produced as members of groups such as the Black Panther Party and the Congress of African People Farmer reveals how black women activists reimagined black womanhood challenged sexism and redefined the meaning of race gender and identity in American life Owners of the Map Claudio Sopranzetti,2018 On May 19 2010 the Royal Thai Army deployed tanks snipers and war weapons to disperse the thousands of Red Shirts protesters who had taken over the commercial center of Bangkok to demand democratic elections and an end to inequality Key to this mobilization were

motorcycle taxi drivers who slowed down filtered and severed mobility in the area claiming a prominent role in national politics and ownership over the city and challenging state hegemony Four years later on May 20 2014 the same army general who directed the dispersal staged a military coup unopposed by protesters How could state power have been so fragile and open to challenge in 2010 and yet so seemingly sturdy only four years later How could protesters who had once fearlessly resisted military attacks now remain silent Owners of the Map provides answers to these questions central to contemporary political mobilizations around the globe through an ethnographic study of motorcycle taxi drivers in Bangkok Claudio Sopranzetti explores the unresolved tensions in the drivers everyday lives their migration trajectories consumer desires and political demands amidst the restructuring of Thai capitalism after the 1997 economic crisis Reconstructing the entanglements between their everyday mobility and political mobilization Sopranzetti reveals mobility not just as a strength of contemporary capitalism but also as one of its fragile spots always prone to disruption by the people who sustain its channels but remain excluded from their benefits In so doing Owners of the Map advances an analysis of power that focuses not on the sturdiness of hegemony or the ubiquity of everyday resistance but on its potential fragility as well as the work needed for its maintenance

Socialism Scott R. Sehon, 2024 Tackling perhaps the most contentious and socially urgent political movement of the last century Scott R Sehon lays bare the arguments for and against socialism investigating their logical scaffolding and revealing exactly what is assumed in charged and often vital discussions of labor conditions and human well being Sehon provides a straightforward presentation and logical analysis of the arguments to make very clear which arguments work and which do not While the book aims to be fair to the arguments from both sides Sehon ultimately sides with socialism and maintains that the arguments indicate that we should move in a strongly democratic socialist direction Nearly every contemporary counterclaim to socialism is addressed and interrogated and even the more dubious arguments in favor of socialism are taken up Naturally the defender of capitalism will deny these premises and claim that capitalism better promotes human well being many capitalists also claim that socialism does violate individual rights particularly property rights The bulk of the book sorts through the data and arguments on both sides considering arguments from philosophers such as G A Cohen Ronald Dworkin David Schweickart John Tomasi and Jonathan Wolff as well as prominent economists such as Milton Friedman and F A Hayek The reader of Socialism will find a clear introduction to one of the most crucial social movements of our time
