French Made Easy Language Made Easy:

French Made Easy 2 In 1 Florence Beaujolie, 2019-12-02 Have you always admired the French language culture and people Do you love to travel and really immerse yourself in the culture of your destination Or does the idea of taking a language class make you start to sweat with feelings of stress nervousness and anxiety over taking on more work There is a better way for you to learn the language you ve always hoped to and you have found it with this guide There are so many things that stop us from tackling a new activity such as learning a new language Time money accessibility and motivation are just some of the big things stopping us from doing the things we always hoped to like learning French the Language of Love This guide tries to overcome a few of those obstacles by making it easy manageable and enjoyable because most of the time the hardest part is just starting And did you ever realize that learning French can be a game changer As one of the most widely used languages in the world the ability to speak French can offer new career opportunities as business becomes more global While it is a common belief that children have an easier time learning languages than adults Richard Roberts s 2015 study *Becoming Fluent How Cognitive Science Can Help Adults Learn a Foreign Language* published by The MIT Press introduces how adults can actually master a new language through different learning techniques He explains how adults can unlike children use the skills they have developed throughout their lives to learn a new language and they can be just as successful This book includes *Daily French Lessons The New And Proven Concept To Speak French In 36 Days Learn French In Your Car How To Learn French Fast While Driving To Work* In this guide you ll discover The most effective i e simple and fast method to learning the basics of everyday French even if you think of yourself as a slow learner Detailed lessons to teach you what you need to know without overwhelming you and sending you into an anxiety attack An easy to use verb guide and how to use them sometimes the most complicated part of learning a language made easy How you can learn French at your own pace without the stress of homework or tests so you can truly learn the language Dozens of exercises with answers included so you don t need to make them up yourself providing everything you need in one convenient place The worst pronunciations you are saying and how to master the correct pronunciation to sound like a local How to win over the French people and immerse yourself into travel wherever you go The most romantic French words and phrases that will heat up your love life even if you re the least romantic person you know None of us no matter our age can learn a new language overnight But when we decide we want to enrich our travel experiences and understanding of the world by learning a language you have to have the right tool This is the tool as it will give you a method that is fast easy and accessible because we are all busy and we are pulled in a million different directions If you are ready to start your journey with the Language of Love click Add to Cart now [Conversational French Quick and Easy - Boxset - Books 1, 2, and 3](#) Yatir Nitzany, 2022-12-09 Have you always wanted to learn how to speak French but simply didn t have the time Well if so then look no further You can hold in your hands *Conversational French Quick and Easy Books I II and III* that is one of the most advanced and revolutionary methods

boxset series that was ever designed for quickly becoming conversational in a language In creating this time saving program master linguist Yatir Nitzany spent years examining the twenty seven most common languages in the world and distilling from them the most common words that are most likely to be used in real conversations These words were chosen in such a way that they were structurally interrelated and when combined form sentences Through various other discoveries about how real conversations work discoveries that are detailed further in this book Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant now If you want to learn complicated grammar rules or to speak perfectly proper and precise French this book is not for you However if you need to actually hold a conversation while on a trip to a French speaking country to impress that certain someone or to be able to speak with your grandfather or grandmother as soon as possible then the Nitzany Method is what you have been looking for This method is designed for fluency in a foreign language while communicating in the present tense Nitzany believes that what s most important is actually being able to understand and be understood by another human being right away This is one of the several in a series of instructional language guides the Nitzany Method s revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible No more depending on volumes of books of fundamental beginner intermediate and advanced levels all with hundreds of pages in order to learn a language With Conversational French Quick and Easy Series Books I II and III are all you will need Learn French today not tomorrow and get started now
