The Sociological Perspective Michael Leming, Raymond De Vries, Brendan Furnish, 2009-10-10 Sociology and Christianity Attempting to bring sociology and Christianity together is like trying to mix oil and water Christians seem to have as little regard for sociology as sociologists generally have for Christianity However in the middle of this conflict there is a group bold enough to call themselves Christian sociologists they are not willing to be stereotyped but are seriously committed to both realms This collection of essays covers topics that are typically addressed in introductory sociology courses Written from a Christian point of view these essays are also geared for a wide range of readers from undergraduates to professional sociologists who bring faith commitments to the sociological task The editors goal is to provide an understanding of societal forces that is informed by a Christian conscience Toward that end certain recurring themes are found in this book the need for informed Christian social action the conflict between the individual and the community the conflict between freedom and determinism and the significance of social sin philosophical and sociological perspective in education Dr.M.KUMAR,2023-02-12 Presently he is working as a Principal at E G S Pillay College of education Nagappattinam District He has obtained B Sc degree in Geography and M Sc degree in Geography at Govt College Kumbakonam He completed his B Ed from institute of advanced study in education at saidapet Madras and M Ed degree in educational technology in Bharathidasan University at Tiruchirappalli He completed his M Phil Degree in Geography on Tamil university at Thanjavur He completed Dip VG In Bharathidasan University at Tiruchirappalli He completed Doctorate in education in Manonmaniam Sundaranar University at Tirunelveli He has 13 years of teaching experiences in various college of education He has published research articles and presented research paper in national and international and had guided M Ed students in their research He is the author of books in 1 Teaching of history 2 Content and teaching of history 3 Special education 4 Innovation teaching history 5 Values and peace education 6 Teaching of childhood education 7 Teaching of geography 8 Pedagogy of history 9 Childhood and growing up 10 Environmental education 11 Learning and teaching 12 personality theories and assessment **Philosophical and Sociological Foundations of Education (Major Course)**

Paper Code: EDNMAJ-202-4 KHRITISH SWARGIARY,2025-05-22 The Philosophical and Sociological Foundations of Education has been conceived as a foundational text for students pursuing the B A Education Major course in their third semester at Bodoland University Kokrajhar This book is designed to meet the requirements of the course EDNMAJ 202 4 with the primary aim of equipping learners with a comprehensive understanding of the philosophical and sociological underpinnings that shape educational theory and practice As an author my objective has been to create a resource that not only elucidates the theoretical frameworks of philosophy and sociology in education but also fosters critical thinking logical reasoning and an appreciation for the transformative role of education in society Education as a discipline is deeply intertwined with philosophical inquiry and sociological dynamics The book is structured to guide students through the

intricate relationship between these fields exploring how philosophical principles inform educational aims and how sociological perspectives illuminate the role of education in fostering social cohesion and change The four chapters of this text cover the essence of philosophy and its impact on education major philosophical schools and their implications for educational practice the scope of educational sociology and the role of education in addressing social inequalities in the Indian context This book is the result of extensive research reflection and engagement with the evolving discourse in education It is intended to serve as both a theoretical guide and a practical resource for students educators and anyone interested in understanding the broader societal implications of education I am deeply grateful to the Department of Education at Bodoland University for their support and encouragement as well as to my colleagues and students whose insights have enriched this work It is my hope that this book will inspire readers to critically engage with the philosophical and sociological dimensions of education and contribute to the creation of a just and equitable society through informed educational practices Khritish Swargiary 2025

Critical Perspectives on the Intersections of Coaching and Leadership Wefald, Andrew J.,2024-04-16 A distinctive challenge has emerged in business and educational industries how to navigate the intersections of life coaching relational coaching and leadership coaching The surge in popularity of these coaching methods has significantly impacted the practices and philosophies of leaders across various sectors As leaders increasingly incorporate coaching into their approaches a critical need arises to comprehensively understand the theoretical underpinnings and practical applications of these intersections Critical Perspectives on the Intersections of Coaching and Leadership addresses this challenge by showcasing the knowledge of experts engaged in this discourse spanning the spectrum of academic and practical exploration The book examines the intersections of coaching and leadership providing readers with an understanding through diverse perspectives By critically analyzing these intersections the book addresses pivotal questions What role should coaching play in leadership How can these intersections contribute to forging a more inclusive and fairer world By addressing these questions directly the book explores the challenges that emerge in these intersections and explains how coaching within diverse leadership approaches can be a transformative force The aim is to offer valuable insights to scholars and practitioners in coaching and leadership fostering a deeper exploration of the symbiotic relationship between these dynamic fields

Integration of theory and practice in CLIL Ruth Breeze,Carmen Llamas Saíz,Concepción Martínez Pasamar,Cristina Tabernero Sala,2014-03-01 Content and Language Integrated Learning CLIL has now become a feature of education in Europe from primary school to university level CLIL programmes are intended to integrate language and content learning in a process of mutual enrichment Yet there is little consensus as to how this is to be achieved or how the outcomes of such programmes should be measured It is evident that a further type of integration is required that of bringing the practice of CLIL into closer contact with the theory In this it is necessary to establish the role played by other fundamental aspects of the learning process including learner and teacher perspectives

learning strategies task design and general pedagogical approaches The first part of this book provides a variety of theoretical approaches to the question of what integration means in CLIL addressing key skills and competences that are taught and learned in CLIL classrooms and exploring the role of content and language teachers in achieving an integrated syllabus The second part takes specific cases and experimental studies conducted at different educational levels and analyses them in the light of theoretical considerations
