value of television series one should not assess them in the same framework in which films are assessed but rather in a distinct conceptual framework

Game of Thrones: House of the Dragon Gina McIntyre, 2023-01-31 Based on visionary author George R R Martin's book *Fire Blood* *House of the Dragon* charts the earth shattering events that led to the fall of Westeros's most powerful family House Targaryen Brought to the screen by showrunners Ryan Condal and Miguel Sapochnik the ambitious prequel series required a striking new vision that would transport viewers back in time two centuries before the events of *Game of Thrones* With unparalleled access to the show's cast and crew including Condal Sapochnik and Martin this book tells the incredible story of their creative journey from the initial script writing process to the epic international shoot Illustrated with a remarkable wealth of concept art on set photography and other key visuals this is the ultimate companion to *House of the Dragon*
