Bonaparte, 2024-09-07 This collection addresses intersections and gaps between practice theory and research that both connect and divide compassion and pedagogies In foregrounding practice it makes an important contribution to the growing call for universities and educators to adopt inclusive student centred approaches that challenge us to fundamentally re think what universities do It celebrates the role of students as co creators of knowledge locating them at the heart of what pedagogies of compassion in higher education should feel like and look like It examines how compassion can become both critical and strategic in order to disrupt systems and orthodoxies that are no longer fit for purpose in a post pandemic world The ultimate goal the book aims to address is the need for humane universities driven by compassion rather than profit which can help to build fairer and more socially just societies The book extends the theoretical and practical discussions of compassion as a fundamental organizing principle in higher education It brings fresh interdisciplinary thinking theories and approaches including the neuroscience of compassion classical Eastern philosophies intersectional compassion sustainability

and environmental stewardship It also includes critical reflection on experiences challenges barriers and enablers across multiple levels and perspectives These range from reflections on compassion in the classroom to compassion in the boardroom as well as in the many other spaces and places where learning occurs It offers a creative collection of essays on compassionate practices in higher education and appeals to anyone who is concerned about the moral standing of the university For some time now we have been told that universities must be viewed on the business model but this has only discouraged faculty students and staff As the contributors show however the very idea that teaching and educational practices could be more closely linked to compassion is definitely appealing and it gives us a more inspiring way of thinking about the university of the future Richard J White Creighton University Omaha NE USA **Shibumi** Trevanian,2005-05-10 A classic spy novel from the bestselling author Trevanian about a westerner raised in Japan who becomes one of the world s most accomplished assassins Nicholai Hel is the world s most wanted man Born in Shanghai during the chaos of World War I he is the son of an aristocratic Russian mother and a mysterious German father and is the prot g of a Japanese Go master Hel survived the destruction of Hiroshima to emerge as the world s most artful lover and its most accomplished and well paid assassin Hel is a genius a mystic and a master of language and culture and his secret is his determination to attain a rare kind of personal excellence a state of effortless perfection known only as shibumi Now living in an isolated mountain fortress with his exquisite mistress Hel is unwillingly drawn back into the life he d tried to leave behind when a beautiful young stranger arrives at his door seeking help and refuge It soon becomes clear that Hel is being tracked by his most sinister enemy a supermonolith of international espionage known only as the Mother Company The battle lines are drawn ruthless power and corruption on one side and on the other shibumi The Gentlemen's Hour Don Winslow,2012-11-27 Originally published Great Britain William Heinemann 2009 **The Kings of Cool** Don Winslow,2012-06-19 From the New York Times bestselling author of The Cartel The Force and The Border In Savages Don Winslow introduced Ben and Chon twenty something best friends who risk everything to save the girl they both love O Among the most celebrated literary thrillers Savages was a Top 10 Book of the Year selection by Janet Maslin in The New York Times and Stephen King in Entertainment Weekly Now in this high octane prequel to Savages Winslow reaches back in time to tell the story of how Ben Chon and O became the people they are Spanning from 1960s Southern California to the recent past The Kings of Cool is a breathtakingly original saga of family in all its forms fathers and sons mothers and daughters friends and lovers As the trio at the center of the book does battle with a cabal of drug dealers and crooked cops they come to learn that their future is inextricably linked with their parents history A series of breakneck twists and turns puts the two generations on a collision course culminating in a stunning showdown that will force Ben Chon and O to choose between their real families and their loyalty to one another **Savages** Don Winslow,2012-05-29 Running a lucrative marijuana operation in Laguna Beach sometime environmentalist Ben and mercenary Chon confront a dangerous adversary in the Mexican Baja cartel which

Leonardo DiCaprio - The Biography Douglas Wight, 2013-11-04 While looking at the story of DiCaprio s meteoric rise to fame this updated edition delves beneath his polished Hollywood image to examine just what makes him tick It was only the beginning when Leonardo DiCaprio stood astride the bow in Titanic Leo has rocketed to become one of the highest paid actors in the world and his position looks set to be secure for some time to come as the release of a new 3D version of Titanic heralds another sensational year for one of Hollywood s hottest talents Recently Leo has taken on the lead role in a new adaptation of The Great Gatsby and as the villain in Quentin Tarantino s blockbuster Django Unchained Both are a far cry from the heartthrob s humble beginnings when he had to scrape for parts in TV commercials and soap operas before his eye catching performance in Baz Luhrmann s Romeo Juliet Cementing his reputation with captivating performances in films like Catch Me If You Can and The Departed DiCaprio won a Golden Globe for his portrayal of Howard Hughes in The Aviator A keen environmentalist and conservationist he has given millions to good causes around the globe and has never been shy about wearing his political ideals on his sleeve Yet although he s spent over 15 years at the top of his profession Leonardo remains something of an enigma He has famously dated some of the world s most beautiful women but seems no nearer to settling down and his often daring movie choices

suggest someone still striving for perfection despite his stunning successes **Books to Die For** John Connolly, Declan Burke, 2012-10-02 The world's most beloved mystery writers celebrate their favorite mystery novels in this gorgeously wrought collection featuring essays by Michael Connelly, Kathy Reichs, Ian Rankin and more. In the most ambitious anthology of its kind, the world's leading mystery writers come together to champion the greatest mystery novels ever written. In a series of personal essays that reveal as much about the authors and their own work as they do about the books that they love, over a hundred authors from twenty countries have created a guide that will be indispensable for generations of readers and writers. From Agatha Christie to Lee Child, from Edgar Allan Poe to P.D. James, from Sherlock Holmes to Hannibal Lecter and Philip Marlowe to Lord Peter Wimsey, *Books to Die For* brings together the best of the mystery world for a feast of reading pleasure, a treasure trove for those new to the genre and for those who believe that there is nothing new left to discover. This is the one essential book for every reader who has ever finished a mystery novel and thought "I want more." *Sports Betting for Winners* Rob Miecch, 2019-10-29 Rob Miecch has outdone himself with this poignant behind-the-scenes revelation of a world of parlays and money line wagers, of mob-ruled games and characters named Lem and Lefty. The brilliant storyteller weaves insight from some of the world's most prominent names in sports betting into a historic, entertaining, and informative journey. Ed Graney, six-time Nevada sportswriter of the year for the Las Vegas Review-Journal, "The legalization of sports wagering has increased the pot exponentially. But navigating the new systems can be tricky. If you're a newcomer ready to bet on sports as an occasional pastime, veteran sports writer and Las Vegas insider Rob Miecch delivers a vital primer on terminology, options, and procedures. If you're already taking advantage of the sports betting world as a money-spinning career, he shares the latest approaches and all new game-changing techniques by tapping the skills, secrets of success, and cautionary counsel of players on both sides of the counter. With behind-the-scenes stories and no-holds-barred interviews with the legendary masters of betting, *Sports Betting for Winners* shows how, with the right information and a sprinkling of luck, you can capitalize on the numbers behind the numbers and take the bettor's game to the next level. Miecch gives us the skinny on a billion-dollar business. I'll lay you 9 to 5; you'll feel richer for reading *Sports Betting for Winners*." Mike Downey, award-winning sports columnist, Chicago Tribune and Los Angeles Times. A book on sports betting for everyone, entertaining, informative, anecdote-filled.
