Mardis,Dianne Oberg,2019-11-20 Published in partnership with the International Association of School Librarianship this work gathers together the latest and most important research on the topics of social justice and cultural competency in school libraries Education systems today are expected to advance national goals related to fairness equity and social cohesion Comprising articles written and collected in the journal of the International Association of School Librarianship and new articles written especially for this anthology this book documents both empirical research and promising practices to help school librarians and teachers work together to promote social justice and develop learners and educators cultural competence Both coeditors are experienced in working with authors from around the world and have participated in the development of effective and ethical standards and guidelines for school library practitioners Brief real life case studies of school librarians and teachers in action showcase efforts to improve the lives of marginalized or under served students School librarians inside and outside of the United States school library educators and policymakers and academic librarians building school librarianship collections will find this guide valuable *The Reading Connection* Liz Knowles,Martha Smith,1997-02-15 Establishing a book club is a great way to involve parents in promoting literacy to young readers This book shows you how to start a book club in your school or community and it provides bibliographies of literature resources for children Suggested topics and sample book club sessions help you get started and an extensive bibliography arranged by genre guides teachers parents and students in selecting reading material Chapters cover read alouds picture books horror stories multicultural literature poetry science fiction nonfiction and reference bibliotherapy and problem novels award winning books biographies and books in a series For each genre the authors offer a general overview suggest discussion questions provide a bibliography and list resources for further reading Helpful Internet addresses and additional topics are included in the concluding chapter *The Children's Ghost Story in America* Sean Ferrier-Watson,2017-04-11 Ghost stories have played a prominent role in childhood Circulated around playgrounds and whispered in slumber parties their history in American literature is little known and seldom discussed by scholars This book explores the fascinating origins and development of these tales focusing on the social and historical factors that shaped them and gave birth to the genre Ghost stories have existed for centuries but have been published specifically for children for only about 200 years Early on supernatural ghost stories were rare authors and publishers fearing they might adversely affect young minds presented stories in which the ghost was always revealed as a fraud These tales dominated children s publishing in the 19th century but the 20th century saw a change in perspective and the supernatural ghost story flourished **Everyday Editing** Jeff Anderson,2023-10-10 Editing is often seen as one item on a list of steps in the writing process usually put somewhere near the end and often completely crowded out of writer s workshop Too many times daily editing lessons happen in a vacuum with no relationship to what students are writing In *Everyday Editing* Jeff Anderson asks teachers to reflect on what sort of

message this approach sends to students Does it tell them that editing and revision are meaningful parts of the writing process or just a hunt for errors with a 50 50 chance of getting it right comma or no comma Instead of rehearsing errors and drilling students on what s wrong with a sentence Jeff invites students to look carefully at their writing along with mentor texts and to think about how punctuation grammar and style can be best used to hone and communicate meaning Written in Jeff s characteristically witty style this refreshing and practical guide offers an overview of his approach to editing within the writing workshop as well as ten detailed sets of lessons covering everything from apostrophes to serial commas These lessons can be used throughout the year to replace Daily Oral Language or error based editing strategies with a more effective method for improving student writing
