Secrets From The Lost Bible:

Secrets from the Lost Bible Kenneth Hanson, 2006 Ancient scriptures hidden from the world for centuries have recently attracted unprecedented popular attention Some were found among the ancient library of the Dead Sea Scrolls Others include assorted mystical writings known as Kabbalah and a host of books that never made it into the Bible called Apocrypha which means hidden and the Pseudepigrapha called false writings by those who suppressed them Additionally there are the Gnostic texts of Nag Hammadi a location in Egypt where a treasure trove of lost books was discovered in the middle of the twentieth century Collectively they comprise the Lost Bible For centuries these manuscripts were systematically suppressed because their liberating messages of individual power and worth challenged the authority and pet philosophies of political and religious leaders

The Secret Door J A. Warrick, 2012-05 When Jesus said Seek and you will find ask and the door will be opened he was literally pointing the way for each and every one of us to find the secret door within Find out why doing this is so important why the scriptures which spoke of the need for this were banned and hidden so many centuries ago and why seeking understanding of everything Jesus said is more important now than ever before Find out who the fallen angels were and are when they are likely to return and why in the words of the apostle Paul its imperative to take unto you the whole armor of God that ye may be able to withstand in the evil day and having done all to stand Ephesians 6 13 That evil day is much nearer than most people realize It is in fact nearly upon us **FORBIDDEN**
