Stearns,2016-11-15 As a 24 year former member of the United States Congress Mr Stearns describes the lessons he learned from getting elected and re elected his experience as a legislator and finally the lessons he learned about our Republic These lessons go to the heart of explaining what must be done to preserve our 240 year experiment in democracy He describes the tumultuous period of the Speaker Gingrich years the 2008 Great recession numerous scandals including the impeachment of President Bill Clinton and the loss and regaining of the Republican majority in the United States House of Representatives Daily Stoic: A Daily Journal On Meditation, Stoicism, Wisdom and Philosophy to Improve Your Life George Tanner,2018-09-05 This book is a

collection of Stoic sayings organized to allow daily reference and inspiration Including quotes from Marcus Aurelius Seneca Epictetus And much more The Stoic advice covered in this volume runs the gambit from personal problems to interpersonal relationships to advice on work and productivity to dealing with the hand of fate Meditations in this book are split up by seasons There are meditations for each season covering the four seasons Face the world with a new light with the help of these immortal thinkers and learn both to conquer yourself and to come to terms with those things which you cannot control

The Gap and The Gain Dan Sullivan, Dr. Benjamin Hardy, 2021-10-19 As he did in WHO NOT HOW Dr Benjamin Hardy shares one of Dan Sullivan's simple yet profound teachings that until now has been known only to his Strategic Coach clients unsuccessful people focus on The Gap but successful people focus on The Gain This one simple concept is a masterclass on positive psychology healthy relationships mental well being and high performance Everything that psychologists know about how to create a high functioning and successful person can be achieved using The GAP and the GAIN Dr Benjamin Hardy Most people especially highly ambitious people are unhappy because of how they measure their progress We all have an ideal a moving target that is always out of reach When we measure ourselves against that ideal we're in the GAP However when we measure ourselves against our previous selves we're in the GAIN That is where the GAP and the GAIN concept comes in It was developed by legendary entrepreneur coach Dan Sullivan and is based on his work with tens of thousands of successful entrepreneurs When Dan's coaching clients periodically take stock of all that they've accomplished both personally and professionally they are often shocked at how much they have actually achieved They weren't able to appreciate their progress because no matter how much they were getting done they were usually measuring themselves against their ideals or goals In this book you will learn that measuring your current self vs your former self has enormous psychological benefits And that's really the key to this deceptively simple yet multi-layered concept that will have you feeling good feeling grateful and feeling like you are making progress even when times are tough which will in turn bolster motivation confidence and future success If you're finding that happiness eludes you no matter how much you've achieved then learning this easy mindset shift will set you on a life-changing path to greater fulfillment and success **The Politics of The Hunger Games**

Jamey Heit, 2015-06-10 Set in the future dystopia of Panem The Hunger Games trilogy follows the rise of a provincial rebellion against the wealthy and tyrannical Capitol As narrator and heroine Katniss Everdeen comes to embody the hope of the long oppressed for a new order During her journey some of our most urgent political questions are addressed What does it mean to be a leader Can the oppressed recover a political identity that affirms individual values and freedoms Do the media necessarily corrupt political discourse This critical study of The Hunger Games explores novels in the context of how we think about the nature of politics the value of the individual and the importance of political action The author draws parallels between Panem and the Roman Empire considering Herod's Massacre of the Innocents alongside Haymitch Abernathy's elusive political influence as mentor of tributes Instructors considering this book for use in a course may request an
