The Power of Self Discipline Positivity Focused Team, 2020-11-06 But how is the discipline created or formed What allows one person to exercise control over their own behavior and actions while others falter and fail How can one person be aware of what he or she does on a daily basis while others are not If you are interested keep reading on Willpower self control resolution determination character leadership courage diligence and endurance None of these character qualities are produced by chance nor do they appear by magic they have nothing to do with luck or genetics These values are deliberately developed and cultivated by men and women in all areas of life for the sole purpose of improvement When a person forms these characteristics he or she acquires the ability to forge his or her destiny through wisdom and perseverance But why then should we cultivate it Or perhaps we should ask ourselves what makes us human What distinguishes us from other living beings on the planet Unlike the creatures of the animal kingdom able to make choices only on an instinctive level we humans have the possibility to make choices on a conscious level

Because we possess self awareness and the ability to choose between good and evil We have the ability to transform negative behaviors and attitudes into positive ones In fact every action of ours begins with an idea a thought We can train our mind through self discipline to generate positive thoughts which will lead to positive action Self discipline is the key to any personal or business success Everything starts with the ability to self control Thoughts Emotions behaviors and habits Everything must be kept under control Discipline is nothing more than the bridge between goals and achievement Discipline is the gateway But how can self discipline be developed The answer to these questions lies in our habits Since 40% of our behavior is guided by habit if you want to control your ability to be self disciplined you need to control your habits first In particular there are some habits that help you to discipline yourself If you can instill these into your life you can create the basis for achieving your goals Without these habits you will go more or less randomly in the dark In our book THE POWER OF SELF DISCIPLINE A Daily Beginner s Guide To Building Spartan Mental Toughness Even In Difficult Times Skyrocket Productivity and Achieve Your Success Goals By Resisting Temptation We will cover the following topics How to create Positive Habits without Effort Tricks to develop Daily Motivation How to create a Steel Mindset Golden Rules to Skyrocket Your Discipline A detailed Action Plan for Successful People and much more Do you think this is too complicated for you Do you think you don t have the will power to face new challenges Even if like everyone else you struggle to push away the flattery of immediate desires you ll find a great long term benefit All you need to do is create simple positive habits automatically following our book Now it s up to you What are you waiting for Click the Buy Now button and improve your life

Self Discipline Mastery Glenn Cummings, 2019-07-28 Buy the paperback version of this book and get the kindle version FREE If you want to become more disciplined and learn how to achieve your goals more frequently or perhaps even always then keep reading Do you struggle with procrastination poor money habits or your weight Are you disorganized suffer from a lack of focus or spend too much time surfing the internet and watching TV Then chances are you have an issue with self discipline World over the ability to stay self disciplined has been very elusive for most people That may perhaps explain why we have so many rules and regulations to guide or control human behavior Ordinarily where there are many rules there is a problem of people often doing what is wrong The opposite is true We have a notion that self discipline is something unpleasant and involves doing absolutely what you do not like The belief among many has been that it is quite irritating and most probably the extremely difficult thing to undertake Surprisingly such ideas have emanated from people who have not attempted to do it They speak of it from the point of assumption not experience It is defeatist therefore how many people take them so seriously But it is not necessarily the case that self discipline calls for huge amounts of effort in its determination and relinquishment It can be an enjoyable thing to do daily and the benefits of these habits can be so many and so beneficial in one s life There is a need to look at it from the perspective of enjoying doing something good which makes your life better The point is we need to make it one of the normal things we do in our lives and from there on we will
