Mohammed Ubaid, Mohan Shobha and I are fast friends Perhaps that is why they have been branded as Fevicol friends To be honest the last four years during our graduation they were more like family to me than friends I am Vineet Sabrawal hailing from a middle class business family in Udupi On the other hand my friend Shobha is a carefree girl from a well to do family who has nothing to worry about Mohan is the more sincere and upright among the three of us He comes from a family struggling to meet their end needs and is seldom wrong between us When he found something fishy about a person on the streets of Udupi I and Shobha had to be a part of his journey We could not have left him alone in his quest to know to investigate this mysterious guy After all we are friends through thick and thin A small suspicion of Mohan s overworked mind has put us all on a path that will eventually change our lives and the lives of everyone around us We were happy that we were serving our country India my first valentine that has suffered from the enemies who are inside her territory like termites and trying everything to devour it The Indian forces are doing all in their hands to protect our beloved motherland and without wearing the uniforms fate has given us a golden chance to serve our nation in some unanticipated circumstances We would not have thought that a small mere hunch of Mohan will put us on the path that would make us most unlikely heroes Not

realising what was in store for us ultimately we helped the agencies crack one of the most compelling cases in Indian intelligence in recent times I feel like quoting my favourite quote from the movie THE IMITATION GAME We have a lot more unlikely heroes now it s not just the guy with the guns but the guy with the brains Thank you Mohan for making us those heroes and Shobha for being there with us through and through Your friend forever Vineet Sabrawal     Raja & The Giant Donut Prashant Pinge,2011-11-01 Raja a golden brown stray mongrel leads a carefree existence in Shivaji Park spending his days lying under shady trees and chasing tennis balls His friend Pakya a white and black mongrel happens to be the most feared dog on this side of the park But poor Pakya secretly pines for Bianca a beautiful Golden Retriever who only has eyes for Hero a smooth talking mongrel with a red scarf round his neck Tiger Gondhlekhar aka Gattu an abandoned Labrador who is perpetually hungry completes the trio Prashant Pinge s engaging and heartwarming story depicts the journey of three ordinary stray dogs from Shivaji Park in Mumbai to Sambhaji Park in Pune Their reasons for undertaking the journey are different but they are united by their friendship and a common dream as they confront seemingly insurmountable odds While the story charts their quest for the giant donut it also highlights how the dogs overcome their own shortcomings support each other and register personal victories along the way     Marketing In India, Cases And Readings - S.Neelamegham,2012 This book provides a comprehensive overview of the current marketing environment in India It examines the changing dynamics of marketing management against the backdrop of globalization and liberalization analysing how both marketers and consumers are adapting to radical changes Insightful perspectives on key issues including market segmentation brand strategy product planning advertising pricing and distribution strategies as well as challenges of rural marketing are given This Fourth Edition boasts of incisive coverage of all contemporary concepts and formats of marketing including retailing Internet marketing and telemarketing It is further enriched by varied case studies that are drawn from the Indian experience and will go a long way to inculcate skills of analysis logical thinking and decision making in students Valuable not only to students and teachers of marketing management the book is a must have for practising managers who want to stay abreast with the latest developments in their field     *JAPANESE MINI TRUCK* Mark Roehrig,2012-07-17 The utilitarian capabilities of a Japanese mini truck are remarkable making it one of most versatile vehicles on the planet Small enough in stature as to fit in the bed of an F150 but amazingly resilient conquering mountainous terrain as a top notch four wheel drive should As no English writing was found to exist I thought it about time to write one especially as Americans have been catching the buzz on mini trucks as the rest of world has been utilizing their attributes for decades This guide through over 160 full color images will bring to light as to what you ve been missing a mini truck truly will be a different experience than you can compare with any other vehicle in the automotive realm Covered here are the history uses configuration comparisons specifications makes parts accessories and conversions electric and amphibious A book guide you may start out reading alone but as I ve always discovered the excitement this book lends through its photos and exposing mini trucks odd
