Dime Uno:

Dime! Fabián A. Samaniego, 1997 **Get Down** Asali Solomon, 2008-01-22 Asali Solomon's characters are vivid misfits: a heathen at Jesus camp, a scheming prep school student, a middle-aged mom pining for her salsa dancing salad days, a scheming twentysomething virgin, a college stud in love with his weight lifting partner, a lonely girl in love with a yellow dress. The kids in *Get Down* are trapped between their own good breeding and their burning desire to join the house party of sex, romance, and bad behavior that seems to be happening on some other block down some other more dangerous street. The adults in *Get Down* are just trying to hold it together. Here is a debut that will make you laugh and cringe in equal measure. Set mostly in middle class black Philadelphia during the crack and Reagan years, the stories in *Get Down* are antic, poignant, and utterly universal; they'll bring back memories for anyone who has ever stood in the corner of a darkened school gym wondering whether to dance or duck for cover. They announce a sparkling new talent, a recent graduate of the Iowa Writers Workshop whose work has been featured in *Vibe*, *Essence*, and the anthology *Naked Black Women Bare All About Their Skin: Hair, Hips, Lips, and Other Parts*. **Lo Que Debemos Saber Acerca de Los Demonios** Luis A. Betances, Rev. Luis A.

Betances, 2012-08 Como Cristianos hemos sido investidos por el mismo Jesús con el poder de echar fuera demonios. Como soldados de Cristo debemos prepararnos para enfrentar al enemigo que quiere destruirlo todo. Debemos aprender cuáles son esas armas y cómo utilizarlas. Este libro le enseñará cómo identificar a los enviados de Satanás a destruir sus fortalezas y de qué se valen para entrar y lo mejor cómo destruirlos a ellos antes de que ellos nos destruyan a nosotros. Toda Gloria y Honra para Nuestro Señor Jesucristo. Este libro lo preparará para ser un verdadero soldado de Jesucristo y le enseñará paso a paso cómo hacerlo con la unción del Espíritu Santo. **Developing Minority Language Resources** Guadalupe

Valdés, 2006-01-01 This book documents ongoing language shift to English among Latino professionals in California. It then describes current instructional practices used in the teaching of Spanish as an academic subject at the high school and university levels to heritage language students who although educated entirely in English acquired Spanish at home as a first language. It specifically examines the potential contribution of these instructional practices to the maintenance of Spanish.

Raising Nuestros Niños Gloria G. Rodríguez, 1999-05-26 *Our Children* is the first book published in English or Spanish to address the specific needs of Latino parents. A complete hands-on guide for caregivers of children from birth through preadolescence, it provides practical information and helpful advice on History, Traditions, and Culture. *Our Children* helps Hispanic parents explore their rich history and colorful traditions and unique culture and shows them how to use Latino culture and values to enrich their children's growth and development as well as enhance their pride and self-esteem. Cognitive Concerns and Social Customs and Skills. *Our Children* covers topics from using traditional Hispanic games and songs in teaching basic skills to preparing bilingual and monolingual children for school, Marriage, Family, and Community. Particularly for working parents who must negotiate new roles and responsibilities, here are words of wisdom on how to
